Notes for CHARLES DODSON, SR.:

Charles is the father of Lambeth and Thomas. Elva Belle Dodson is the 7th generation of Lambeth and Ida Isabelle Dodson is the 7th generation of Thomas.

Ida's son married Elva's dau who are this author's parents: T.E. and Verna Alexander.

Ida once told Verna (my mother) that Tom (my dad) was her 7th cousin and it made my mother mad.

After much effort, years of research, blood letting, and wringing of the hands to find the link between the two women, it would appear that Ida was not talking "through her hat" as they say (or used to say back then).
