Notes for JOSHUA ATCHLEY:

Atchley Origins The ATCHLEYs are of English/Welsh origin and the name has been found with several different spellings throughout the years.

In 1511, Sir Roger ATCHERLEY, Knight, Lord High Mayor of London, owned the estate of Morten in Shropshire.

It is possible that his line was the first of the ATCHLEYs to move to London and that the present American ATCHLEYs descended from him. ----- James Atchley was the first ATCHLEY emigrant to come to America. He had three sons; Joshua, Thomas and Nathaniel.

Elijah is a mystery. The only information found is that he was hanged as a horse thief! His wife immediately married Moses Shumaker!

Notes for SARAH OSBORN:

1850 census: Daviess Cty., Indiana. Lives next door to the JOEL GORDON HOWELL family.

In the Maud Horn`s Atchley Family History, there are several mistakes...for instance, according to birthdates of the children, Elijah had to have been Sarah`s first spouse but the book declares that Moses Shumaker was her first and Elijah was the second.

1920 New Madrid Cty., Missouri census: lives with Thomas.

William Henry was born in Indiana. He and Nancy were married in Daviess County, Indiana. They lived there for approx. 25 years and had 12 children. After the Civil War, [sometime after 1880] it was decided that a move was necessary. They moved to New Madrid County, Missouri. He was a farmer. Wm. Henry was the only one of the 5 siblings to leave the Indiana area and it is unknown as to why. Several of his children were married and stayed in Indiana while he, Nancy and their minor children headed for Missouri. Wm. died after having been ill for 6 yrs. after breaking a hip. He had a waist length white beard.

Until 1990, the family he raised in Missouri knew nothing of those left in Indiana, nor did those siblings and children of William Henry left in Indiana know of the Missouri branch! This genealogy researcher discovered and communicated with the Indiana branch at that time. It is unknown why W.H. and a portion of his family left his brothers and sister as well as his children in Indiana to settle in Missouri.

There is also no found documents relating to any participation on either side during the Civil War of William Henry nor any of his brothers.

1900 New Madrid Cty., Missouri census

The story is told that William Henry and his older sons journeyed to Missouri to find and settle land in New Madrid, leaving his wife and younger children in Indiana until a home was readied for them. Nancy and the younger children took the train from Indiana to St. Louis to meet her husband at that time.

It has been told for generations that some of the children became cold and a kindly gentleman removed his overcoat and placed it over the children. All was calm until the train was crossing the Mississippi river at which time another stranger entered the car, spied the kindly gentleman, shot him and proceeded to throw his body out of the train and into the river! This stranger then calmly left the car and was never apprehended.

 Solomon married, first Amanda Holland and they had 3 children before she died. He married Mary `Dicey` Luallen and they had 6 children. A lady who grew up down the road from Solomon and Dicey remembers the family as `being some of the nicest and warmest folks imaginable`. They always welcomed expected and unexpected company with a gladness and a sincerity that really warmed the heart. Dicey always had warm home-baked bread to share with all who entered her home. Solomon and Mary died on 6/17/1942, less than two hours apart. Solomon [or `Soly`] had been in a coma from two strokes for quite some time. He had a third stroke and died at about 9:00 a.m., not knowing that Mary, who had just plain worn herself out caring for her husband, had died two hours earlier, at 7:00 a.m. On the day of the funerals, a storm hit Odon, Indiana. It is said that it was the hardest rain and one of the biggest floods known to Odon at that time or since.[2486130.ged]
