## Preface

March, 2006

A note of gratitude to Elizabeth Duncan Lee (great Granddaughter of Rev. Andrew Jamieson and my aunt) for starting this geneology of the Jamieson family and all of his decendents. The emphasis of continuing this was to complete, or update, the data already compiled and further researched by myself. The most thrilling part of this was to visit the church that our Rev. Jamieson preached in (St. John's the Baptist) while on Walpole Island (Ontario, Canada). I also was able to obtain additonal information from Rev. Jim Miller, previous pastor at the church, who opened the church so I could actually see, and take pictures, of the interior.

While the searching of additional information is an on-going process, I will try to continue to past this on to all of his ancestors.

T.J.B.
