He really got my interest sparked as well, and he has given me a lot of the information for my own research. I also have stories he has written about the many people who make up our families and their descendants. I have taken excerpts from these, and added some of this to individual records.

A Verse In Memory of Dad:

" God saw that you were getting tired
and a cure was not to be.

So He put his arms around you
and whispered, 'Come with me.'

With tearful eyes we watched you
suffer and saw you fade away,
although we loved you dearly,
we could not make you stay.

A Golden Heart stopped beating,
hard-working hands came to rest.

God broke our hearts to prove to us

He only takes the best. "
