### *Generation No. 1*

1. JAMES<sup>2</sup> BURT (*FATHER*<sup>1</sup>) was born 1622 in London, Co. London, England, and died Bef. March 02, 1679/80 in Taunton, Bristol Co., MA. He married ANNA Abt. 1650 in Taunton, Bristol Co., MA. She was born Abt. 1630, and died August 17, 1665 in Taunton, Bristol Co., MA.

Notes for JAMES BURT:

From "Early Days in New England, Life & Times of Henry Burt of Springfield and Some of His Descendants, Genealogical & Biographical Mention of James & Richard Burt of Taunton, Mass. and Thomas Burt, M.P. of England" (whew! what a title!), by Henry M. Burt and Silas W. Burt, published 1893, p. 501:

"Of James Burt's domestic relations, our information is quite limited. From the Plymouth records we learn that Anna, wife of James Burt, died August 17, 1665, and we are unable to state anything further about her. The oldest son was James, born probably in 1659. He also had a son Thomas, and a daughter Rachel, who married December 8, 1686, Aaron Knapp of Taunton, and a daughter Hannah, who married \_\_\_\_\_ Hathaway. The date of his death is unknown, but his will, a copy of which is given herewith, was presented at Court March 2, 1680, (O.S.) The place of his burial is probably, like that of many others of the first settlers, an unmarked grave in the old "Neck o'Land" burying ground."

Notes for ABIGAIL BURT:

'Burt Genealogy' identifies an Abigail Burt, daughter of James<sup>3</sup> Burt.

No other information about this Abigail is provided. 'Burt Genealogy'

says that James<sup>3</sup> Burt was born c 1659, d 10 June 1743, in Taunton. He married Mary Thayer 2 Sept 1685.

No birth records for James3 Burt children were found in Taunton VR. The 'Burt Genealogy' lists has children as identified in his will of 5 July 1733: James, Thomas, Nathaniel, William (b. c1693), Mary (b. 1696, d. 3 Mar 1750/1, unmarried), Mehitabel Babcock, Tabitha Sprague, Abigail Burt, and Charity Burt.

Checked Bristol Co. Probate Records and found abstract of James Burt's will. The probate date given is 19 July 1743, and the will date of 5 July 1733, ten years earlier is in question. If the 10 June 1743 death date given by 'Burt Genealogy' is correct, then the 1733 date is most likely correct, also. No wills for any of the children were found, nor of James's wife. If the 1733 will date is correct, it was six years before Abigail's marriage to Jonathan Deane, and would be consistent with the reference to Abigail Burt.

Bristol Co. Probate Records list all male children, then all female children. If the order listed is from oldest to youngest within each sex, then Abigail was probably born c1702-c1705. This would have made her in her late 20's at the writing of the will. This is supported by the fact that there were no court records found for guardianship of Abigail or Charity. Check marriage records for other sisters to support down.

This would mean that Abigail married in her mid-30s. Since Jonathan was b. c1695, he would have been in his early 40s. Also, there are few recorded children, which supports the late marriage supposition.

He is buried in Coddingtonville Cemetery in Granger, Medina Co., OH. Deacon George Coddington and his family were among the first settlers in Bristol, New York. Deacon George Coddington, along with Low, Ganyard, and Hills, was an original owner of Granger Township. Hello again. I determined that my connection to this tree is through George Coddington (1800-1845) and (sic) Eliza Johnson. The line goes on from there Samuel L. Coddington (1831-1892); Frank Oakley Coddington (1866-1992); Edwin James Coddington (1901-) who is my grandfather. I can give you more information on descendants of Samuel if you are interested. If you are, you may also be interested in the James Coddington research that Mark Coddington has done. See the following web page.

Thank you for your interest, but first let me say that I am not a Burt descendant. I am doing this mostly to get this line documented for the DAR. We have a member who joined many years ago on the record of Benjamin Trafton, but at that time it wasn't necessary to present proof for every date. Recently her daughter tried to join using her Mother's information, but they wouldn't accept it without more definite proof. We did get her in by establishing a Waldorf line. These folks are very good friends and I would like to establish the line with the DAR for perhaps another daughter or future members of this family. I will give you what I have on Daniel A. Burt and Jerusha Waldorf on another Email. This is my first experience with genealogy on the computer, although I have been doing it for some 50 years and have helped many a member for DAR and also other people. I love the research and like helping other people. I never charge any one, I will be most appreciative of any documentation that you may care to send me and will be happy to pay the cost of any copies. Thank you. HILDA

Ineed some help on the family of Daniel Burt and Statia Ganyard, and their so Daniel Alson Burt. Can you help me? Thank you for your time and consideration.

Thank you so much for answering my Email query. I want to get documentary proof for the death dates of Daniel Burt #122 and of Statia Ganyard Burt. Also need proof positive that Daniel Alson Burt was their so. Can you tell me where I can get this proof? It is needed for the DAR. If this information is given in your answer, I am too new at this commuter business to understand it. Thanks again. Mrs. Hilda S.Scott, 701 Summit Avenue, Apt. #74, Niles, OH 44446-3655

NOTE:mailed Burt material from Old Colony and Deed naming Daniel A. as son of Daniel.

---

On March 28, 1864, many of the regiment reenlisted as veterans and in April went to Iowa on furlough. The following summer was largely spent in raiding and scouting through Mississippi and middle Tennessee, without any engagements of great consequence, although it participated in the fight at Tupelo. But by the middle of November it was engaged in the hardest campaign of its history -- resisting Hood's invasion of Tennessee. With headquarters near Florence, Ala., it watched and fought his advance step by - step, formed with Coon's brigade the rear-guard of the Federal army as it fell back to Franklin, and in the battle there played an important part on the left. Then followed the battle of Nashville, in which the gallant regiment, with the whole of Hatch's division,

dismounted and fought as infantry, storming and capturing forts and driving the enemy in dismay. This was the regiment's last active campaign. The following spring and summer were passed in unimportant duties in Mississippi and in Oct. 1865, it was mustered out.

Obituary from The Humboldt Register

August 17, 1872

We are called upon to record the death of Mr. M. Burt, who died in this place at half past two o'clock last Thursday morning, from the effects of what Dr. Steele, the physician who attended him, calls animal poison. Mr. Burt, it appears, came to this county about three weeks ago from Tehama County, California, with a drove of cattle, and camped with his stock about 15 miles below this place. Within the last two weeks 14 head of his cattle have died. He finally concluded to dissect one of them, and, if possible, ascertain the cause of the malady.

Accordingly, on Tuesday or Wednesday of last week he dissected a cow that had just died, and the next a mule, which had died in like manner. In performing these operations it is supposed he was poisoned by the virus in the carcass of the dead animals. The day after the operation, a small pimple appeared on his wrist, from which there was a slight discharge of greenish puss. Soon other pimples appeared on his wrist, the arm commenced swelling, and the pain increased, so that it was thought best to call in a physician. All efforts of the doctor to relieve the sufferer proved futile. The poor man continued to grow worse, and died Thursday morning last in the greatest agony possible. His remains were followed to the grave by a large number of our citizens.

His wife and children, who he had left in California, were sent for, and arrived here the day before his death. She

is almost frantic with grief. She is stopping at the Winnemucca Hotel; and the ladies in town are doing all in their power to make the hours pass as pleasantly for the poor woman as is possible under the circumstances, and to feel that she is not without sympathizing friends, even though she be in a land of strangers.

Obituary

Saturday, August 31, 1872

Sudden Death of an Old Resident of Tehama County-N. Burt, an old resident of this county, died very suddenly at Winnemucca, Nevada, on the 15th inst., under the following circumstances: he left here on 25th of June, in company with Mr. Sampson, with a band of cattle. When near Winnemucca they lost several head of cattle by what they supposed to be poison, and to satisfy themselves on this point they resolved on opening one of the bodies. In the operation Mr. Burt, who had a fresh mosquito bite on one of his hands, got some of the virus from the dead carcass into it, but thought nothing of it at the time. Two or three days after his hand and arm commenced to swell and be painful. On the morning the 14th he got on a horse and rode from his camp to Winnemucca, a distance of twelve miles, and placed himself under the charge of a doctor. The doctor thought nothing serious would result from it. He was around all that day and up 10 o'clock at night, when he was taken with spasm, and died at 2 o'clock the following morning. He was a native of Pennsylvania; about 38 years old, and leaves several relatives in this county.

#### REMAINS REMOVED TO KNIGHTS' CEMETERY

For the purpose of having the remains of his step-father, Nathaniel Burt, exhumed and removed from the old cemetery on the hill west of town to the new one maintained by the various lodges, E. A. Hettinger stopped over here yesterday morning. Mr. Hettinger, who is a prominent contractor and builder, lives in Palo Alto, Cal., and is returning to that place from a visit with his mother at Drummond, Mont. He is accompanied by his niece, Miss Daisy Featherman.

Mr. Burt died here in 1872. He was traveling overland with his family from California and death was due to blood poisoning after a short illness.

This morning the remains were exhumed by Undertaker Cochran and reinterred in the Knights of Pythias cemetery, permission having been granted by Ivanhoe Lodge on account of Mr. Hettinger being a member of the order. For this and other courtesies extended while here Mr. Hettinger wishes to express his thanks to the local Knights and to show his appreciation further the gentleman has arranged and paid for the improvement of their cemetery in the way of leveling and clearing the ground.

Mr. Hettinger and niece will leave for Palo Alto on No. 3 this evening.
