He was born 05 Sep 1873 in Bonnan, Fannin Co., Tx., and died 17 Jul 1963 in Ennis, Ellis Co., Tx..

Notes for JAMES FRANKLIN SHAFFER:

This information was copied from Jim & Emma's anniversary book and must have been written about the

time they sold out and went to live with the boys (Ollie & Ira), after their wives died in 1955. Jim & Emma were quite a pair, their home at Texline, Texas burned in 1933, but they stayed in Texline until 1941 when they moved to Hamilton County, Texas. They migrated like ducks, staying on the coast around Corpus Christi in the winter and then visiting relatives in the mountains around Reserve, NM for the hot summer. Jim loved it, but Emma finally made him settle down. They were a very conservative pair, yet generous with their love for their family and friends. Jim had good business sense, loved to hunt and fish and was very active in the IOOF Lodge. When his hearing went bad he told his boys to contact the IOOF home in Ennis, Texas, and look for lodging for him. Even though he was 88, he was still very sharp and did his own thing. He died at the IOOF home in Ennis and was very happy and content under the circumstances. They said he went to sleep at the breakfast table on July 17, 1963. Emma was not so lucky, she began to lose her sight 7 years before she died from a series of strokes in 1961. They are both buried together in Truth or Consequences, NM.

Lena Carroll Rister was born in Davilla, Milam Co., Texas in 1894. She married Oliver Jefferson Shaffer a young dentist from Merkel, Texas. They moved to El Paso, Texas where her husband started his dental practice. Lena was diagnosed with crippling arthritis at a very young age and sick and bedridden a good part of her life. After it became too painful to get around, she had to resort to a wheelchair, which in those times was not very comfortable. Since her husband was away, busy with his dental practice, she had to rely on her young sons and care givers for help. She died from that disease at the age of 61 in 1955. Lena was a good person, sometimes on the cranky side, and had love and affection for her family. She loved to play cards and domino's, and would sit many hours with her children and grand-children doing so. She is buried in the Evergreen Cemetery in El Paso.

During his stay in New Guinea in 1945, he contacted Typhoid Fever where he lay ill with high temperatures for many days and close to death without help. Due to that illness he received an honorable discharge from the Army at Brooke Hospital Center, Fort Sam Houston, Texas on May 10, 1945.
