1. see source for son's marriage.
2. see source for child's birth, date of birth based on age given in son Giacomo's birth record, as well as in Pasquale's marriage record to Francesca Paola Socci. Place of birth is given in marriage record.
3. see source for child's birth, Francesca's name is given in both her son, Giacomo's birth record and in her marriage record to Pasquale Giannone. Her age is also given in both documents, which leads to an approx year of birth.
4. Marriage record, Record sent to me in June, 2000 from Campobasso, Aug 23, 1821, Pasquale Antyonio Giannone, age 23, born in Colletorto, occupation blacksmith, son of the late Giacomo and of the late Deodora diRosa married Francesca Paola Socci, age 21, born in Colletoro, daughter of Pasquale, occupation Mareblano (?), and of Venesa Pezzuto (?).
5. see source for child's birth, based on age given in son's birth record and in Francesca's marriage record.
6. see source for his wife's name, death certificate of his daughter, Costanza, lists his name. See also, source for his son, Pasquale's birth.
7. Birth certificate, from Campobasso, obtained June, 2000, June 7, 1822: Pasquale, age 25, son of Giacomo Giannone, occupation blacksmith, presents a male born of Francesca Paola, daughter of Pasquale Socci, age 22, living in Colletorto; son's name: Giacomo Antonio.
8. Lives in /shortsville, works at Roadside Inn, *email from Connie Sciarra Zona*, (email: conniez@eznet.net), Mar 13, 2000, She sent me this information from the death certificate of Constanza Giannone. It listed her mother as Rachael Petrenere and her father as Giacomo Giannone. This conflicts with the death record of Pasquale Giannone which said his father was Rachele Giannone. Later, I obtained the birth records of Pasquale Giannone which showed his parents as: Giacomo Giannone and Rachele Pietronigro, which is the more correct spelling of her last name.
9. Birth certificate, Jan 16, 1832 Giovanni, age 24, son of Giuseppe Pietronigro, occupation laborer, presented a female, born of Costanza d'Onofrio, age 22. Infant's name is Rachele.
10. Carol Storrs email to Dianne Castelli to me, *email from Carol Storrs June 9, 1999*.
11. www.ellislandrecords.org, *Ellis Island Records*, in looking for Giuseppe Giannone's record, I found traveling with him, Teodoro Giannone, age 24 from Colletorto, who went to visit his brother Giuseppe at 59 West St, Auburn, NY, arriving on the ship Lombardia in NY on June 28, 1906. Since the only known Giuseppe Giannone in Auburn was this Joseph at 59 West St, it undoubtedly was him.
12. LDS microfilm 1355651 for Sant'elia a Pianisi (1845-1858), Based on age given in death certificate, his birth would have been in 1855; however, I obtained birth certificate for him from Campobasso giving his birth and baptism for April 16, 1853. This also gives the names of his parents, as Giacomo, age 33, occupation peasant farmer, son of Pasquale Giannone, and Rachele, age 22, daughter of Giovanni Pietronigro, living in Colletorto. These parents names agree with the names given me by Connie Sciarra Zona based on records for her ancestor, Constanza Giannone, who we now know was Pasquale's sister.
13. *Documents from Archivio di Stato, Campobasso, Italy*, April 16, 1853 hour 23: (rough translation) Giacomo, son of Pasquale giannone, occupation peasant farmer, living in Colletorto presented a male baby born of Rachele dau of Giovanni Pietronigro, age 22, living "coresso" and for the informant, age 33, occupation listed above, living in Colletorto, born April 16, hour 21 gives us an infant named: PASQUALE. Baptized: Pasquale Giannone April 16, 1853.
14. conversation with Marguerite Giannone Castelli 1999, Also, see St. Joseph's cemetery listing described below, she remembered her grandmother (his wife) coming to live in Auburn after he died, sometime in the 1920's when she was small. Pasquale may well have stayed in Italy all his life. Contrary to this, I found that the burial of Giannone, Pasquale is indicated at St. Joseph's cemetery in Auburn, showing he died Nov 11, 1917 in Auburn of heart failure and buried at 29/15A/1-SW which is right next to Philomena, which fits with his being her husband. His death certificate gives the date of death as 1AM Nov 21, 1917.
15. personal correspondence from Dianne Castelli, from her mother 1999, Maiden name (Dianna) found on her death certificate from records of city of Auburn. This also gave her father's full name and the first name of her mother, as well as her birth and death dates. However, on Ellis Island record of her immigration, it shows her name as Filomena Janno. However, since the letter J does not exist in Italian (or at least is very rare), it is likely that this was a misinterpretation of the original record.
