Notes for William Arthur Harris:

William Arthur Harris was born Apr 16, 1884 in Warren Co Kentucky and died Feb 22, 1945 in Lewis Co Tn. He married Lillie May Churchwell on November 10, 1916 in Lewis Co Tn. There were two children who died at very early ages, Jessie and Billy. Jessie shows up in the 1920 Lewis Co Tn census, district 3, as being 2 1/2 years of age, but is not in the 1930 Lewis Co Tn census. Family oral reports state that one child died at birth and the other around the age of 7. There's a difference of opinion as to the sex of Jessie. The 1920 census has the child as a girl but family members say it was a boy. I have found no other evidence to prove the sex of the child.

Notes for Lillie Mae Churchwell:

Lillie Mae Harris married 1. William (Will) Arthur Harris, 2. Dennis J Barber, 3. Melvin Dunnivant.
