Application for Civil War Invalid Pension was filed by him on July 3, 1877. Application Number 238964. Certificate Number 304942. Application states, "Alleges Disease of Heart - was at Lynchburg (VA) August 1864. In the Declaration for Original Invalid Pension filed before A. A. Smith, Clerk, Poane Count Court of Record, on May 29, 1877, he signed "His "X" Mark" swearing that:

" I am the identical William H. COBB who was enrolled on the 15th day of August 1862 in Company A of the 13th Regiment of West Virginia Volunteers, commanded by George Danner and I was honorably discharged at Wheeling, West Virginia on the 22nd day of June 1865 and my age is now 44 years old. While in the service aforesaid, and in the line of my duty, I received the following disability, to wit:

In August 1864 while on the Lynchburg raid in Shenadoah (sic) Valley, I contracted disease of heart. I suffer greatly with palpitation of the heart and smothering sensations. Said disease renders me unfit for manual labor. I was treated at Sandy Hook in August 1864 and from there was sent to Frederick City. I claim a pension on disease of heart.

I have never been employed in the Military or Naval Service of the United States otherwise than set forth above. Since leaving the Service, I have resided at Roane County, West Virginia and my occupation has been farming before my entry into the Service aforesaid. I was of good, sound physical health, being at enrollment a farmer and I am now partially disabled from obtaining my subsistence by manual labor by reason of my disabilities above stated, received in the service of the United States, and I make this Declaration for the purpose of being placed on the Invalid Pension Roll of the United States. I hereby appoint and empower, with full power of substitution, Nathan W. Fitzgerald, of Washington, D.C., my true and lawful Attorney to prosecute my claim. My Post Office address is Left Hand, County of Roane, State of West Virginia."

Note: And then, on November 25, 1879, William H. COBB placed "His "X" Mark" on a notarized statement before Lynee I. Ellis, Notary Public, at Newton, West Virginia. The following is the exact wording of the notarized statement:

"I, William H. COBB, whose Post Office address is Left Hand, County of Roane and State of West Virginia and whose age is now 45 years being first duly sworn on oath says that he cannot get evidence of a Commissioned Officer as to the circumstances under which his disability occurred for the following reason his Captain Dannah does not remember anything about the circumstances under which his disease of heart occurred. And affiant further says the reason why he cannot get the affidavit of his departmental Surgeon or Assistant Surgeon is that he cannot find the whereabouts of either of them and the reason why he cannot get the affidavit of a family Physician is that he has not been able to pay a family physician and has not been treated by any.

My disease for which I claim a Pension is heart disease and shortness of breath. Affiant further says he has not been employed in the United States service either Military or Naval since the War of Rebellion June 28th, 1865."
