Evagreen Carden says that John W. Carden had four wives. She said Frank's mother was a Redwine. No proof of this yet. Two wives have been proven as Sarah Blissitt and Sarah Camp by marriage records.

She also said that John Killed a man fighting over a woman and left town at midnight to flee from the law. He evidently moved to Alabama as that is where Lem was born and then later to Tishomingo Co., Mississippi. He supposedly changed his name to Cardinel for a short period to avoid the law.
