Descendants of Joseph Fosh

Generation No. 1

1. JOSEPH⁴ FOSH (*SAMUEL³, JOHN (JEAN)² FOSH (FOUACHE), JOHN (JEAN)¹*) was born 1791 in Middlesex (Source: *1841 Census.*), and died 8 June 1850 in 1 Abingdon Street Bethnal Green (Source: Death Certificate obtained by Justine.). He met (1) ELIZABETH BODY 1810. She was born Abt. 1786 in Bishopsgate (Source: *1851 Census.*), and died Unknown (Source: Free BMD.). He met (2) MARY 1812. She was born Abt. 1795. He met (3) SUSANNAH 1815. She was born Abt. 1790.

Notes for JOSEPH FOSH:

Joseph Fosh who was baptised 12 June 1791 at St Matthews Bethnal Green was the son of Samuel Fosh & Sarah Atkins. He died 8th June 1850 aged 59 and his son William was the informant of his death (source Justine). Joseph who said in his will he was a Builder (in his death certificate it stated he was a Gardener), left his estate to his sons Joseph Henry & William and Elizabeth Body.

Between 1811-1816, there were three people named Joseph Fosh fathering four children with three different partners - Elizabeth Body, Susannah & Mary. It is possible that there was only one Joseph fathering all four children with different women. Joseph stated in his will that he and his partner Elizabeth Body were unmarried and whilst he may have married Susannah and/or Mary we have never found a marriage for either of them or heard of either again after the birth of their sons, and one of the sons was not heard of again too.

So here are the three men named Joseph Fosh fathering four children with three different partners:

Joseph Fosh, whose first partner appears to be Elizabeth Body, produced these children:

Joseph Henry born 3rd April 1811, baptised 11th July 1819 at St John at Hackney when Joseph the father said he was a Weaver and lived at West Street Hackney. Joseph Henry lived in Wick Street, Hackney in 1841 (HO 107/699/9/8) aged 35, a Gardener, living with wife Sarah Reeves and daughter Sarah. Earlier in 1839 when Joseph Henry married he had been a Dyer, later a Labourer and much later a Wheelwright.

William born 24th August 1815, baptised 10th September 1815 at St Leonards Shoreditch, when Joseph the father said he was a Gardener and lived at Chapel Street. William lived in Wick Street, Hackney in 1841 (HO 107/699/04/ Folio 10) aged 25, a Labourer, with his wife Mary Ann Robinson and daughters Sarah, Frances & son William. In 1837, when he married he was a Dealer in building materials just like his father and a Labourer in a Timber yard in 1851.

Joseph Fosh, whose second partner appears to be Mary, produced:

Samuel born 22 June 1813, baptised 10th October 1813 at St Matthews Bethnal Green, when Joseph the father said he was a Weaver and lived at Old Ford Lane. Samuel lived in Wick Street, Hackney in 1841 (HO 107/699/04 Folio 11) aged 25, a Labourer with his wife Mary Ann Nevell and their children Joseph, Samuel & Elizabeth - their son William aged 8 however was living with his grandfather Joseph and his partner Elizabeth Body at the date of the 1841 census. Samuel was clearly in the building trade. Samuel was not left anything in the will of Joseph the partner of Elizabeth Body because Samuel died in 1847 i.e. before his father Joseph died in 1850. All Samuel's children were living at 20 Camden Walk Bethnal Green with Elizabeth Body who described herself as their grandmother at the date of the 1851 census.

Joseph Fosh, whose third partner appears to be Susannah, produced:

Joseph born 24 October 1816 baptised 10th November 1816 at St. Dunstan's to Joseph & Susannah. Father's occupation Foreman in the Docks address Mile End Old Town. We have no further records or issue of Joseph & Susannah or their son Joseph. If the father is Elizabeth Body's partner Joseph it is surprising although not impossible that Elizabeth Body's partner should have already named another son Joseph back in 1811. He may not have wanted Susannah to know he already had a son already named Joseph. However, as the father of Joseph born 24 Oct 1816 apparently lived in Mile End Old Town and was a Foreman in the Docks at that date, it is quite possible that he is not the Joseph who was the partner of Elizabeth Body but as we never hear of the son Joseph again, it does not matter much as far as the family history is concerned.

There is another possibility which is Joseph was the son of Joseph born 1861, the widower of Charlotte Tapley. She died in 1814.

Notes for JOSEPH FOSH:

Joseph Fosh baptised 12 June 1791 was the son of Samuel Fosh & Sarah Atkins.

The problem we face is that between 1811-1816, there were three Joseph Foshes fathering four children with three different partners. Two of them may have married although we have never found the marriage;

the third stated in his will that he and his partner Elizabeth Body were unmarried. It is possible that there was only one Joseph fathering children with different women. The situation is not helped by the fact that two of the Josephs who were fathers and two of the women who were mothers are never heard of again after the birth of their sons, and even one of the sons disappeared after birth.

So here are the three men named Joseph Fosh fathering four children with three different partners:

Joseph Fosh, whose partner was Elizabeth Body, produced these children:

Joseph Henry born 3/4/1811, baptised 11/7/1819 at St John at Hackney when Joseph the father said he was a Weaver and lived at West Street Hackney. Joseph Henry lived in Wick Street, Hackney in 1841 (HO 107/699/9/8) aged 35, a Gardener, living with wife Sarah Reeves and daughter Sarah. Earlier in 1839 when Joseph Henry married he had been a Dyer, later a Labourer and much later a Wheelwright.

William born 24/8/1815, baptised 10/9/1815 at St Leonards Shoreditch, when Joseph the father said he was a Gardener and lived at Chapel Street. William lived in Wick Street, Hackney in 1841 (HO 107/699/04/ Folio 10) aged 25, a Labourer, with his wife Mary Ann Robinson and daughters Sarah, Frances & son William. In 1837, when he married he was a Dealer in building materials just like his father and a Labourer in a Timber yard in 1851.

Joseph Fosh, whose partner was Mary, produced:

Samuel born 22 June 1813, baptised 10/10/1813 at St Matthews Bethnal Green, when Joseph the father said he was a Weaver and lived at Old Ford Lane. Samuel lived in Wick Street, Hackney in 1841 aged 25, a Labourer with his wife Mary Ann Nevell and their children Joseph, Samuel & Elizabeth. Samuel was clearly in the building trade. He was not left anything in the will of Joseph, the partner of Elizabeth Body.

Joseph Fosh, whose partner was Susannah, produced:

Joseph born 24 October 1816 baptized 10/11/1816 at St. Dunstan's to Joseph & Susannah. This is an IGI entry which also appears in Margaret's BMD Index. I suppose the Parish Record might tell us more. We have no further records or issue of Joseph & Susannah or their son Joseph. If the father is Elizabeth Body's partner Joseph it is surprising although not uncommon that Elizabeth Body's partner had already named another son Joseph back in 1811. There is another slight possibility that this Joseph was the son of Joseph born 1861, the widower of Charlotte Tapley, after he had been widowed.

Now that Justine has obtained the death certificate of Joseph who was the partner of Elizabeth Body, I am in no doubt that this makes this Joseph the sixth son of Samuel & Sarah Atkins who was baptized 12 June 1791 because his age at death fits precisely with that Joseph's date of birth. Joseph in his will, when he said he was a builder (in his death certificate it stated he was a Gardener), left his estate to his sons Joseph Henry & William and Elizabeth Body. As mentioned above, nothing was left to Samuel, but if he was this Joseph's son perhaps he had been given something when he was alive. We shall never know. I have decided to include Joseph as the son of Samuel & Sarah with Elizabeth as his first partner.

Up to now, Margaret Ted & I have always shown Joseph who partnered Mary and fathered Samuel born in 22 June 1813 to be the son of Samuel & Sarah Atkins. That may still be the case so I have included Mary as Joseph's second partner which shows him as the son of Samuel & Sarah.

I have included Susannah as Joseph's third partner which shows him as the son of Samuel & Sarah too.

Joseph Fosh bap: 10 Nov 1816, St. Dunstan's to Joseph & Susannah - we found Joseph b: 1816 on the 1841 census in Wick Street aged 25 with his wife Mary and daughter's Sarah, Frances & son William. HO 107/699/9/10.

I have a query on this one Margaret because I have the same children with parents William & Mary Ann Robinson. On the census sheet HO 107/699/9/10 I see I also wondered if the father was William even though I myself extracted it as Joseph. Also living in Wick Street HO 107/699/9/8 is a Joseph aged 25 or 35, a gardener living with wife Sarah and daughter Sarah.

He married MARY ANN NEVELL 21 October 1832 in St George's Southwark (Source: IGI.). She was born Abt. 1813, and died 16 May 1844 in Wick Street Hackney.

Notes for SAMUEL FOSH:

Joseph Fosh who was baptised 12 June 1791 at St Matthews Bethnal Green was the son of Samuel Fosh & Sarah Atkins. He died 8th June 1950 aged 59 and his son William was the informant of his death (source Justine). Joseph who said in his will he was a Builder (in his death certificate it stated he was a Gardener), left his estate to his sons Joseph Henry & William and Elizabeth Body.

Between 1811-1816, there were three people named Joseph Fosh fathering four children with three different partners - Elizabeth Body, Susannah & Mary. It is possible that there was only one Joseph fathering all four children with different women. Joseph stated in his will that he and his partner Elizabeth Body were unmarried and whilst he may have married Susannah and/or Mary we have never found a marriage for either of them or heard of either again after the birth of their sons, and one of the sons was not heard of again too.

So here are the three men named Joseph Fosh fathering four children with three different partners:

Joseph Fosh, whose first partner appears to be Elizabeth Body, produced these children:

Joseph Henry born 3rd April 1811, baptised 11th July 1819 at St John at Hackney when Joseph the father said he was a Weaver and lived at West Street Hackney. Joseph Henry lived in Wick Street, Hackney in 1841 (HO 107/699/9/8) aged 35, a Gardener, living with wife Sarah Reeves and daughter Sarah. Earlier in 1839 when Joseph Henry married he had been a Dyer, later a Labourer and much later a Wheelwright.

William born 24th August 1815, baptised 10th September 1815 at St Leonards Shoreditch, when Joseph the father said he was a Gardener and lived at Chapel Street. William lived in Wick Street, Hackney in 1841 (HO 107/699/04/ Folio 10) aged 25, a Labourer, with his wife Mary Ann Robinson and daughters Sarah, Frances & son William. In 1837, when he married he was a Dealer in building materials just like his father and a Labourer in a Timber yard in 1851.

Joseph Fosh, whose second partner appears to be Mary, produced:

Samuel born 22 June 1813, baptised 10th October 1813 at St Matthews Bethnal Green, when Joseph the

father said he was a Weaver and lived at Old Ford Lane. Samuel lived in Wick Street, Hackney in 1841 (HO 107/699/04 Folio 11) aged 25, a Labourer with his wife Mary Ann Nevell and their children Joseph, Samuel & Elizabeth - their son William aged 8 however was living with his grandfather Joseph and his partner Elizabeth Body at the date of the 1841 census. Samuel was clearly in the building trade. Samuel was not left anything in the will of Joseph the partner of Elizabeth Body because Samuel died in 1847 i.e. before his father Joseph died in 1850. All Samuel's children were living at 20 Camden Walk Bethnal Green with Elizabeth Body who described herself as their grandmother at the date of the 1851 census.

Joseph Fosh, whose third partner appears to be Susannah, produced:

Joseph born 24 October 1816 baptized 10th November 1816 at St. Dunstan's to Joseph & Susannah. Father's occupation Foreman in the Docks address Mile End Old Town. We have no further records or issue of Joseph & Susannah or their son Joseph. If the father is Elizabeth Body's partner Joseph it is surprising although not impossible that Elizabeth Body's partner should have already named another son Joseph back in 1811. He may not have wanted Susannah to know he already had a son already named Joseph. However, as the father of Joseph born 24 Oct 1816 apparently lived in Mile End Old Town and was a Foreman in the Docks at that date, it is quite possible that he is not the Joseph who was the partner of Elizabeth Body but as we never hear of the son Joseph again, it does not matter much as far as the family history is concerned. There is another possibility which is Joseph was the son of Joseph born 1861, the widower of Charlotte Tapley. She died in 1814.

Notes for JOHN HENRY (HENRY JOHN FREEMAN) FOSH:

There are doubts about the number of children this couple had. David Fosh is looking into and hopes to come up with answers. Most were born in Hackney but three were born in Holborn but with small gaps between the children's births so something does not appear quite right. There seem to be doubts about Mary Caroline born about June 1915 according to BMD but she married William Grony which seems OK to me; Rose A G born 1 November 1910 (dec Qtr 1910) who appears to be Rose Annie died Epsom 2003 but who is Rose A who married Ernest Preston in 1946 and if she is Rose A G, why is her death shown as Fosh. (There

is also a Rose born about September 1900 to Arthur Benjamin who married James Knight in 1925 but she looks OK to me too)
