She married WILLIAM M. JONES 14 Dec 1897 in Johnson co., Tn.,(recorded), son of UNKNOWN and DELCENIA JONES. He was born 1874 in Mountain City, Tn., and died 25 Oct 1955 in Cascade Co., Montana.

Notes for SUSAN L. "VENIA" MICHAEL:

Venia Jones given name was Susan L. Michael. How she came to be called "Venia" I don't know, unless her middle intial stands for "Louvenia" or something along that line. She did have a sister named Olivena, but according to census record dates I can't have the two confused.

1880 Johnson Co. Tn. Census Susan is 1 year old

1900 Johnson co. Tn. census Susan is listed as Head of household, Susan L. Jones, Born Dec.1878, 21 years old, Married, for 3 years, no children. Living next door to her mother. She is living alone but is married and has been for three years.

Notes for WILLIAM M. JONES:

William doesn't show in the 1900 census. His wife Susan L. Jones is listed, living next door to her mother, married for 3 years, but listed alone. I think William may have been in Montana during the taking of the census, he would later send for his wife to join him. He is listed in the household of his mother in the 1880 census (age 6).

Notes for EVA MICHEALS:

Eva was from Laurel Bloomery, Tn. (according to Uncle Perry)
The Birth certificate of Eva's son Paul, states that she has had a total of eleven children, ten of which are living. She is also listed on it as Effie Micheals.

Census 3: 1920, Tazewell Co., Va. age 36
Census 4: 1930, Tazewell Co., Va. age 44

Notes for ISAAC "IKE" AARON JONES:

It is known that Isaac was married 1st in Tn,. They had a son, William Jones.
Sometime after 1902 and before 1904, He married Eva Micheals(Eva's given name was Martha E.). Between 1904 and 1906, they moved to Tazewell co., Va.

It is not known why they moved to Tazewell co.(I am searching to see if there were perhaps, relatives already living there)

Isaac served in the Spanish-American War. The military marker on his grave reads: West Virginia PVT Co. C 6 REG. US VOL INF. Spanish-American WAR. My mother Helen says he did draw a small pension check from the Government.

His son George Perry Jones states that, Ike was made to leave the state of Tn., supposely for killing a man.

Isaac's mother was listed as single in the 1880 and 1900 census. Isaac and William probably had the same father, but, it makes me wonder if the father of Blaine and Jennie was the father of all of them. Or, were Blaine and Jennie Half brother/sister to Isaac and William.

It is thought that two of his sisters may have lived in Winston-Salem, N.C. at the time of his son Paul's death. Supposely, they attended his funeral. It is possible that Isaac had more than one sister, His mother is shown as having 4 children and 4 children living in the 1900 census.

My mother thinks that Isaac had 2 brothers that lived in Montana. I know for fact that his brother William lived there, but she thinks he also had a brother named Charles there also. She also recalls that Isaac had 2 sisters that lived in Saltville, Va. He could have possibly had some other half brothers and sisters. I haven't found any info on Charles or the 2 sisters at this point.

As of this date 3-8-2003, I am attempting to get his military records, in hope that I may get some info from those.
