Notes for STEPHEN REINDERS:
Notes: Apparently from Germany

Stephan Reinders, Died Dec 13, 1874 at 5:00PM from erysipelas of the face at the age of 40 years, fortified with the last Sacraments. Since Feb 10, 1863 he had lived in a happy marriage, blessed with 6 children, with Catharine Tonissen. He was a faithful husband and loving father. According to our human way of looking at it, he died too soon for his mourning wife and small children, but our thoughts are not God's thoughts, and His ways are not our ways.

Susan Rynders Kopec show a daughter Theodora born abt 1865 but German records do not support this.
