Uncle Willie was in the East Manor Nursing Home in Eldorado, AR for many years. His nephew, Franklin D. Kelley of Chatman thought it was best for him to be near his people and placed him in Longfellow Nursing home in Ruston in the same room with Franks brother Huey sometime in 1998.

Uncle Willie became ill and was not eating so Frank placed him in the hospital in Ruston where it was discovered that his kidneys were failing. He was discharged and placed in a rehabilitation Center in Ruston. Frank said Uncle Willie did not want to return to Longfellow Nursing home so he just wanted Uncle Willie to be happy.

Uncle Willie died happy and full of years. He was over 100 years old.

I met Uncle Willie and his brother Arthur when they came to Oakland, CA about 1944 to find employment during World War II. My father thought that they were cousins but my research reveals that they were really the brothers of Robert Kelly, daddy's father.
