4. GEORGE⁴ KERR (*DAVID*³, *JOHN*², *JOHN*¹) was born 19 Apr 1803 in Ayr, Scotland, and died 26 Jan 1875 in 31 Kyle Street Ayr, Scotland. He met JANET STEWART 27 Mar 1832 in Riccarton, Ayrshire, daughter of HUGH

STEWART and AGNES BOYD. She was born 25 Mar 1802 in Riccarton, Ayrshire Scotland, and died 12 Sep 1884 in St Quivox Ayrshire.

Notes for GEORGE KERR:

In the censuses of 1841 51 Kyle Street Does not exist. It is there in 1861 but the number of High street are fewer as Kyle street is an extension of High Street a fair assumption would be they didn't move but only had the street names changed. This doesn't verify the deeded land for the smithy shop (1596 to sometime around the 1960's) The smithy was over the living accommodations. The addresses used by the Family in Kyle Street makes me wonder just how many houses were involved and did they own then.

Notes for GEORGE KERR:

In the censuses of 1841 51 Kyle Street Does not exist. It is there in 1861 but the number of High street are fewer as Kyle street is an extension of High Street a fair assumption would be they didn't move but only had the street names changed. This doesn't verify the deeded land for the smithy shop (1596 to sometime around the 1960's) The smithy was over the living accommodations. The addresses used by the Family in Kyle Street makes me wonder just how many houses were involved and did they own then.
