### *JENSEN HERITAGE*

*Soren Jensen, born August 3, 1842, in Ulldum, Vejle County Denmark. His parents were Jens Pedersen, born 1799, in North Snede and Inger Marie Paulsdatter born 1808 in Uldum. Soren was an orphan who emigrated to America in 1864 at the age of 22 years. The first winter he worked in New York City for a mere \$8.00 per month. From there he went to the Sullivan farm in Illinois and in 1865 moved to Omaha, Nebraska where he was employed by the Union Pacific Railroad Company.*

*Soren Jensen boarded at the Empire House where he met Anne Sine Petersen, who worked there. She had also emigrated from Denmark earlier in 1860 with her parents Jens and Ane Petersen. Sine was born January 12, 1848 in Aalborg, Denmark.*

*The Petersens were members of a Mormon Colonization expedition. With the North and South torn by the dissension of Civil War, they made their way westward in a covered wagon and arrived in St. Joseph, Missouri in the fall of 1860. Then they came by steamboat to Omaha, Nebraska to stay in the Mormon Camp at Florence (North Omaha). While there Sine's father, Jens Petersen learned that polygamy was being practice among the Mormons in Utah so, with several other members of the pioneering expedition, revolted, and abandoned the trip westward.*

*These people joined the reorganized branch of the Mormon Church, the Josephites. Sine was baptized into this branch and her father, Jens Petersen was the first missionary of the faith to preach in the old settlement of Desoto, near Blair, Nebraska.*

*The Petersens lived on Tenth Street in ;Omaha, Nebraska near where the Union Station now stands.*

*Before her marriage, August 27, 1866, Sine was employed by the well-known Davis family, pioneer bankers of Omaha, as a nursemaid for the Davis children, now Mrs. H. Kountze and*

*brother  
Fred Davis.*

*On August 27, 1866, Soren Jensen and Anne Sine Petersen were married in Omaha, Nebraska where they lived until after their first child ,Anna was born.*

*In 1867, they decided to take a homestead and with their covered wagons, their belongings, and the family cow, came to the Lincoln Township in Washington County, Nebraska. They took up their claim where they lived for 35 years.*

*During this period ten of the children were born, Emma Marie, James H. (Jens), James Peter (Jens), Nels Martin, Mary M., Andrew George, Edward Arthur, Henry Chris, Albert Alvin, Sorena Dosea, and Myrtle Mina.*

*Sine's parents, Jens and Ane Petersen, lived with their daughter and family for several years until their deaths in 1885 and 1887.*

*On January 12, 1888, the birthday of Anne Sine Jensen, the Great Blizzard struck. The morning was crisp and clear. The older children went to March School about two miles southeast of the homestead. The older boys in the families went to school only in the winters when there was no farm work to be done. Miss Erwin was the teacher.*

*Around noon the temperature started going down. The wind came up and snow started to fall. The teacher would not allow any of the children to leave, as the storm became worse as time passed. When it became evident that the parents could not come for their children, the teacher had the older pupils help dress the younger ones in all the clothes they had. She asked Jens Jensen, her oldest pupil, eighteen years of age, to lead them, each holding another child's hand. Jens held onto the barbed wire fence in the lead, and the teacher was at the end of the line. The group, moving single file, left the school blindly, guided only by the barbed wire fence. Approximately two hours later, they reached the Erwin place, three quarter of a mile northwest of the school. All were safe and Mr. and Mrs. Erwins cared for them until their own parents could manage to come for them late the following afternoon.*

*When the storm finally abated the next day, Soren set out on horseback to search for his*

children. After an unsuccessful visit to the schoolhouse, he went to the Erwins, hoping they might have some information. Here he found all the children safe and sound. Jens Jensen was ever after known as March School's Blizzard Hero. Peter, Nels, Mary and Andrew also were among the pupils who were well taken care of by the Erwins.

In 1901, Soren and Sine moved to Blair where Sorena and Myrthle were born. They attended the Blair Schools.

"Soren Jensen has just purchased another 120 acres of land. This he told The Pilot now gives him eleven 80 acre farms, one for each of his children. When Soren settled out here he had few neighbors, and those he had regarded him as a green Scandinavian. But he has since bought them all out and now owns the land that was theirs when he went there. It took pluck and hard knocks to do it but he settled there with determination to succeed." (Reprint Pilot, 1963 from Pilot January 5, 1888)

Soren Jensen died at 7:00 p.m. on Saturday, June 23, 1917, as a result of a paralytic stroke suffered on Friday of the previous week. "He was unconscious much of that time and his great Vitality kept him alive for eight days." It was said that he was a man of quiet and simple tastes, and was vigorous until three years before his death.

Soren Jensen, pioneer settler in the county who reaped the rewards of hard labor and good management, being one of the largest land owners, and therefore one of the wealthiest men in the county at the time of his death. He was always upright and honorable and leaves his large family a worthy heritage they have every reason to be proud of. Surely he was generous.

His mother and father-in-law, Ane and Jens Petersen lived in his home for many years. He brought several of his sister and brothers to this country from Denmark. The he proceeded to help them get settled, with financial aid and advice. Among those were Anton Jensen, George Johnson, Peter Jensen, Mrs. Elsa Jorgensen, Mrs. Lena Jeppesen, and Hanna Frahm.

The funeral services were held at the Danish Lutheran Church in Dexterville on Monday,

*June 25, 1917. Six of his sons were pallbearers and the eldest, James H. escorted his mother.*

*“At the funeral services, held Sunday afternoon from the First Lutheran Church of Blair, hundreds were unable to gain entrance and the procession to the cemetery was two miles long. While automobiles carrying the mourners were turning into the burial grounds there were machines that had not left the Church. Observers said it was the longest funeral procession in Blair in recent years.”  
(Obituary, Pilot)*

*Anne Sine Jensen, intensely patriotic and a devout Christian, died at 10:30 p.m. on Thursday, December 3, 1931 of cancer of the stomach.*

*The pallbearers were six of her seven sons. Also to quote the Pilot. “James H. Jensen, another son, who lives in Long Beach, California, was unable to be present for the funeral. He was here, however, in September, when the thirteen children of Ane Sine Jensen gathered around her bedside in the Blair Hospital for a reunion. This reunion took the place of the annual Jensen Family Picnic, scheduled for Fontanelle Park in Omaha in August and postponed because of the illness of the head of the family”*

*So ended the lives of Soren and Anne Sine Jensen early Washington County Nebraska pioneers who not only helped settle the area, but left a legacy and inheritance to their 13 children, 73 grandchildren, 176 great grandchildren, 371 great-great grandchildren, and 11 great-great-great grandchildren.*

*Notes for ANNE SINE PETERSEN:*

*Anne Sine Petersen, worked at the Empire House in Omaha, Nebraska where she met Soren Jensen. She had emigrated from Denmark earlier in 1860 with her parents Jens and Ane Petersen. She was born in Aalburg, Denmark January 12, 1848*

He was born 25 Feb 1880 in Sejrup Vejle Denmark, and died 19 Mar 1950 in Kennard, Nebraska Cemetary Washington County.

Notes for SENA FREDRICKA SVENDGAARD:

*Sena Fredricka Svendgard*  
*September 1, 1886 - February 12, 1965*

*Sena was the eldest child of 10 children born to Peter and Emma Svendgard. Born and raised on a farm near the Soren Jensen Homestead. Elementary education received at March School. (March School will celebrate it's Centennial 1970). During her early years she was everybody's "hired girl" especially for her Uncles and Aunts - "Jensens".*

*On February 27, 1907, Sena married Anton Andersen - a Danish "hired hand" of the neighborhood. They lived on a farm near the Jensen Homestead where their first child Pearl Eulala was born March 3, 1908. She died December 16, 1908 of croup or diphtheria. They moved to the original Soren Jensen Homestead. Eulala and Edna were born here.*

*In 1914 they bought 80 acres, later 120 acres from Clarence French Estates, in the March School District where they lived until 1943 when they retired to an Arlington residence. Seven children were reared on the farm and all attended rural March school for 10 year education.*

*Sena miraculously escaped death three times. As a child she lost two fingers on her left hand in an accident by a horse-drawn sheller. When 16 years she was very ill due to peritonitis from a ruptured appendix. In 1917 she had surgery for an intestinal obstruction. Ethel was born soon after. Sena enjoyed clothing, feeding and education her family.*

*She bravely adjusted when they moved from the farm to the Arlington residence in 1943. She loved her grandchildren and 10 great grandchildren.*

*She died February 12, 1965 at the age of 78 years.*

*Burial at the Kennard Nebraska Cemetery.*

Notes for ANTON ANDERSEN:

*ANTON ANDERSEN*

*As Told by Selma (Hansen) Madsen C.B's Daughter*

*Anton was taken at the age of one year, and raised by his mother's sister "Maren". In 1888 Eric and Maren Christensen came to the U.S. bringing with them their son Peter J. age 17 and Anton (nephew and foster child) age eight.*

*Eric Christensen as Maren's third husband. Her first was Hansen (C.B.'s father, second was a brother to second husband Nels Hansen. The Hansen's never came to the U.S. Thus Peter J. - C.B. and Anton were first cousins.*

*Anton lived with the Eric Christensen's until he was old enough to go on his own. The Christensens settled on a farm in the March School area - not far - S.E. o Jen Black Jensen place. Also lived on the now known Chris Wulf place and attended the Berlin School - now Lincoln School, also lived on Chris Wrich place near Svendgaards. It is said that Anton was a hard worker-made all the money for Peter J. - because Peter J. was lazy.*

*Peter J. married Annie Hansen - wife died 1912 age 33 years*

*C.B. married Christens Jensen - wife died 1954 age 88 years*

*Anton married Sena Svendgaard - wife died 1965 age 78*

*In 1900 C.B. Hansen bought their farm near Anton's place. Eventually Anton, Peter j. and C.B. and their families became neighbors in the March School District, and all resided there the rest of their lives. It was an annual event for these families to gather in August for Peter J's birthday at his home.*

*"Aunt Maren" or "Grandma Christensen" as she was better known, spent her last two and one half years with C.B. Hansens. She died in the new house, - "Bert Hansen's Place". 1911. She and husband Eric are buried in Kennard cemetery - near Peter J's plot.*

#### *THE ANTON ANDERSEN FAMILY*

*February 25, 1880 - March 19, 1950*

*written by Eulala Andersen Wulf*

*Anton was born in Vejle County, Denmark February 25, 1880. He was brought to the United States by relatives(P.J. Christensen) at the age of seven and raised by them. Although Anton had a Danish language barrier, he attended Lincoln (Berlin) and March (District 31) Schools of Washington, County.*

*On February 27, 1907 Sena Sevendgaard married Anto9n, the "Danish hired hand" of the neighborhood. They spent their first year on a farm near the Jensen Homestead (near Orum)*

where  
their first child Pearl was born, March 3, 1908. Pearl died December 16, 1908. Shortly thereafter they moved to the original Soren Jensen Homestead (Nels M. Jensen Farm). Eulala and Edna were born there.

In 1912 they purchased 120 acres from the Voorhees Family in March School District. A new house was built in 1916. In 1924 they purchased an adjoining 80 acres from the Clarence French Estate. They lived here until 1943 when they retired to an Arlington residence.

Seven children were reared on the farm and all attended March School for their ten year education. The parents had also attended March School (March School celebrated its Centennial in 1970).

Anton was a stockman and grain farmer. He enjoyed dancing and playing the harmonica. He was a staunch Republican.

Sena loved sewing for her family and enjoyed her garden and chickens.

During February 1920 Anton suffered from sciatic rheumatism. He spent one month at Excelsior Spring, Missouri taking treatments. Soren Svendgaard, wife and four children moved into the Andersen household. Soren did the farm work.

Anton died in 1950; Sena in 1965. Seven children carry on the Andersen heritage.

Eulala Wulf - Arlington, Nebraska

Edna Mitchell - Seattle, Washington

Ethel Hoier - Fremont, Nebraska

Florence Lyons - Denver, Colorado

Ansel Andersen - Arlington, Nebraska

Senora Hilgenkamp - Fremont, Nebraska

Patricia Wipperling - Bellevue, Nebraska

Anton was a great advocate of education for his children, although he didn't have a formal education himself. All his children were graduated from Arlington High School. Six daughters attended Wayne State College, Wayne, Nebraska. All were school teachers having taught a total of eighty years.

Ansel Andersen and wife Jean now own and are living on the original Andersen farm.

There are twenty grandchildren and thirty great-grandchildren.

To Anton (who was born in 1880) - one hundred years later - a fourth generation, a great-grandson is born - Andrew Steven Andersen (August 27, 1980) to "carry on" the Andersen name.

*Notes for EULALA EMMA ANDERSEN:*

*EULALA EMMA ANDERSEN (WULF)*

*March 29, 1910 - January 11, 1990*

*Eulala Emma Andersen (Wulf) was born March 29, 1910. The birth*

*place of the Soren Jensen Homestead near Orum, six miles Northwest of Kennard, Nebraska, Second of eight children born to Anton and Sena Andersen. First child Pearl Eulala was born December 3 1908 and died of diphtheria at the age of nine months. Third child Edna born February 29, 1912 on this Homestead also.*

*At the age of six Eulala started to rural March school (10 grades) 1 3/4 miles Northeast from home. She attended the 8 elementary grades and 9 and 10th grades in the High School years. Irene Rhrea was the high school teacher. The children walked to school everyday, at times for 11 years drove horse and buggy. There were scary experiences going to school - C.B. Hansen's cattle and Joh Herts long beard, and also when the horse refused to cross the bridge after a big rain, we were grateful to ride with the French children in their one horse 2 wheel cart.*

*March school days were interesting and hard work - best remembered the Christmas and "Last Day of School" programs - also the frightening experience of taking 8th grad exams at Kennard High School.*

#### *"THE COURTSHIP"*

*Even though Harry and Eulala lived only three miles apart, they didn't meet until Eulala began teaching the Hilgenkamp School, Dist. 15 where Harry lived.*

*Harry seemed rather anxious to take Edna and Clifford to school by team and wagon during bad weather and bad roads.*

*At Christmas time the teacher needed a Santa for her Christmas program. She asked Harry - he gladly accepted.*

*One week later Harry asked Eulala for a date -- thus their courtship began.*

*On this first date, January 3, 1930, the couple go to Spiker to dance. No one arrived, so they went to a movie in Blair.*

*The mud roads always had a rut in the tracks - one foot deep - the car often dragged - but that didn't keep Harry away! He often rode horseback to see his lady friend. Or, one time he came, carrying a gun over his shoulder claiming he was out hunting and just stopped by.*

*Most of the time 5 younger members of the family would watch for Harry to drive over the Knecht Hill, and then - the teasing began. Eulala didn't mind - so could bear the teasing.*

*Two years of dating - having good times dancing and seeing movies. On one occasion they won a bottle of O' Cedar Polish for first prize at a dance contest at the Fairgrounds dance Hall.*

*Another occasion - they had their first plane ride over Omaha.*

*Edna was teaching Thone School - and many times Harry and Eulala took her to her school or attended her programs.*

*But on this one such trip - the car ran out of gas, a short distance from Eulala's home. While walking home, Harry takes a diamond ring from his pocket (December 1931) and gives to Eulala for her Christmas present.*

*Now when should they get married! Eulala loved teaching and she wanted to get married too. Finally - Harry says, "You'll have to make up your mind soon, because*

*I must tell the present renter on the farm South of Arlington (the one they live on now) that their contract won't be renewed" - We want to move there and farm.*

*So the wedding date was set for June 1, 1932 after two years of courtship.*

### THE WEDDING DAY

*On this clear, warm, day - Wednesday June 1, 1932, at 10:00 a.m., Harry and Eulala were married. The attendants were Leonard Wulf and Edna Andersen. The attendants accompany Harry and Eulala to the First Lutheran Church of Blair where they were married by Pastor James N. Lund. The pastor of the Kennard Lutheran Church was on vacation.*

*Following the ceremony the four go to Kuhn's Studio for picture taking, a change of clothes and to Robinson's Restaurant for dinner.*

*Harry and Eulala proceeded, in their 1928 Chevy, down Highway 30 to begin their 10 day honeymoon - destination Pikes Peak and Denver, Colorado.*

*Edna and Leonard follow in Leonard's little black coupe - where they proceeded homeward.*

*Notes for HARRY JACOB CLAUS WULF:*

*"MY AUTOBIOGRAPHY"*

*By Harry Wulf*

*I was born Thursday, August 15, 1907 to George and Lizzie Wulf. I've been told that I was born in the upstairs Northwest bedroom, the home located five miles Northeast of Arlington. It was a new house built by my grandparents, Jacob Rahlfs. Soon my parents moved to the original Jacob Rahlfs home, one half mile east. Here I spent all my boy-hood days.*

*Jacob Rahlfs, my maternal grandfather, born in Kiel, Germany, emigrated to the United States to escape the German Army. He came to Omaha and helped lay the first railroad north of Omaha. He homesteaded on this farm of 240 acres, it later became know as the George Wulf Farm.*

*My father was the oldest of five children, born to Claus Wulf and the former Dorothee Gadeker. My paternal grandfather, Claus Wulf, was born in Schleswig Holstein Germany. He was a shoemaker by trade. He emigrated to the United States and bought a homestead near Orum.*

*My mother, Lizzie Rahlfs, was born on the Rahlf ho9mestead to Jacob and the former Margaret Wrich. I am the oldest of five children - sisters and brothers Leonard, Met, Edna and Clifford.*

*I was baptized Jacob Claus Harry Wulf September 22, 1907 by Pastor J. Helgendorf.*

*It was time to go to school. I attended the Hilgenkamp School one and one half miles away. My Dad took me to school the first day. This I remember so well- when my Dad left the school - I started to walk back home again. Suddenly I decided I better go back. I did. My first teacher Miss Rasmussen, assigned me to a desk and gave me a book. Other teachers were Helen Eckenkamp MaMann, Edna Carlson and*

*Hazel French Ludwig. Early school mates were Vernon Thompson, Clarence Kassebaum, Levi Stork, Lawrence Walkenhorst and others. Clarence Lund was our "hired man" then - he helped me with my school work, when he wasn't lifting the telephone receiver and "rubbing", or "listening in on the party Line"- as we called it then.*

*I was confirmed October 23, 1921 by Pastor R.J. Reinertsen of the Lutheran Church, North of Orum.*

*While growing up we young boys played baseball on the green pastures and on a ball-diamond north of Orum Store.*

*As a young farmer I helped feed and care for cattle and pigs, picked corn and "put up" hay, harvest grain for Dad.*

*I remember a trip well. Raymond Rasmussen and I, in his "28 Chevy", drove to Shenandoah, Iowa, Rochester, Minn., then to South Dakota. We saw blasting of George Washington's head, later to be known as Mt. Rushmore.*

*I was noticing the pretty girls - dated a few.*

*A teacher at the Hilgenkamp School needed a Santa Claus for her Christmas school program. I volunteered - and do you know - after our courtship of two and one half years - I'm still her Santa Claus - for that teacher, - Eulala Andersen. She became my wife.*

*Two events, I recall during these courtship days was when we had our first airplane ride over Omaha, and the time we rode the Roller Coaster at Krug Park in Omaha.*

*Eulala and I were married June 1, 1932 at the First Lutheran Church in Blair, by Pastor James N. Lund. Attendants were my brother Leonard and Eulala's sister Edna.*

*We left immediately for a ten day honeymoon in my "28 Chevy" to the Rocky Mts. and parts near Denver, Colorado. I questioned my bride - because the first night she burned our first supper -- and she fell off the table bench.*

*The car had a little difficulty getting to the top of Pikes Peak - the car developed a vapor lock. After a short while we got going again, reached the top of Pikes Peak - and threw snow-balls. Upon our return home, a wedding reception and charivari awaited us.*

*We began house-keeping on my fathers 200 acre farm located 2 miles east and 2 1/2 miles south of Arlington. At that time there were no modern conveniences or plumbing until 1936 when we got electricity and an electric refrigerator. It was an old house, but neat and comfortable.*

*As a starter for farming, Dad gave me 4 horses, 2 milk cows, 5 brood sows, one load of oats and one rack of hay. In 1935 I bought my first tractor, an F20 Farmall International, from Art Gifford Implement Co. at Arlington.*

*There were lots of fun times - company or picnics in the timber most every Sunday.*

*In 1939 a group of us organized a Rural Youth Group for young adults. The State Department for Rural Nebraska Youth had as their object to increase and improve contacts in rural living. We named our club "The Diversion Club". Members were: Howard and Edith Marshall, Lorenz and Dorothy Dunklau, Otto and Lillian Renard, Howard and Vivian Edmondson, Leonard and Muriel Wulf, and Harry and Eulala Wulf. The organization taught us about nature, visited Sass's flower and iris gardens, and book reviews by Vita Mactier. Another Rural Youth Group from Blair represented by Merle and Enid Wardell, visited our group often.*

*There were many baby showers in our group at this time.*

*The depression of the “Thirties” were bad years for the farmer.*

*July 17, 1936, our first child, Nancy was born. It was 115 degrees that day. Nancy had the colic for three months, so we new parents were sure we were doing something wrong.*

*September 4, 1940, our son Gary was born. In 1941 we moved into a new house. How grand that was!*

*January 4, 1945, our daughter Dianne was born.*

*The next few years were spent helping and watching our children “grow up”.*

*All three children were graduated from the Arlington High School. With the classes of 1953, 1958, and 1963.*

*Nancy was busy with piano lessons, 4-H Club and High School activities. She attended Midland College until her marriage to William Krumel in 1955.*

*Gary was busy with 4-H Beef Club, attended Nebraska Wesleyan University, played Midget and Legion baseball. He married Judy Wright in 1962.*

*Dianne was busy with piano lessons, 4-H Club, attended Midland Lutheran College, and received her LPN License at Omaha. She practiced nursing until she married Dennis Krueger in 1966.*

*In 1950 we became members of the First Congregational Church in Arlington.*

*In 1955 we bought our farm. Craig Schmidt has leased the farm since 1982.*

*For over 20 years I was a salesman for Pioneer Seed Corn.*

*During intervals we found time to travel. I think we’ve been in most states, but no foreign countries. Most interesting places, I think, were Seattle World’s Fair. Montreal World’s Fair, Soo Locks at Sault St. Marie in Michigan, New Orleans, Washington D.C., San Antonio, and San Francisco.*

*In 1977 we visited Otto and Lillian Renard at Mesa, Arizona and the Southwest United States. We liked it so much that we’ve spent two months of each of the last 9 years at “Fountain of the Sun”, Mesa Arizona.*

*1982 - Eulala and I observed our Golden Wedding Anniversary. Today we have 9 grandchildren, and 2 great grandchildren.*

*My hobbies are singing with the guitar, golf, pool, horse-shoe and judging 4-H photography at Fairs. I do them all, as much as I can.*

*In August 1987, my family and friends helped me celebrate my 80th birthday.*

*I like being retired. We’re enjoying our retirement on the farm - the same place we’ve lived for 55 years. I think we’ll stay there as long as we can, for we enjoy country living, the peace and quiet, and the fresh air.*

He was born 30 Jun 1940 in West Point, Nebr. Old St Joe Home.*

*Notes for DIANNE KAYE WULF:*

*Dianne Kaye Wulf*

*January 4, 1945*

*written by Dianne K Krueger (Wulf) 2004*

*Born: Thursday, January 4, 1945 at 2:58 a.m. at the Dodge County Hospital Fremont, Nebraska. Dianne was the third children born to Harry and Eulala Wulf (Andersen). She joins a sister Nancy Jean and brother Gary Aryln.*

*Doctor David M. Block made the delivery. I was baptized April 1, 1945 at the Kennard Lutheran Church, Kennard, Nebraska by Rev. P.C. Jensen. My Godmothers were my Grandmothers - Mrs Anton Andersen and Mrs. George Wulf. I weighed 7 lbs. 8 ozs. was 22 inches in length. Remarks made "Baby was tiny, but fat, I had very small features and definitely have blue eyes. My mother spent 14 days in the hospital.*

*Memories : My first teeth were in at 6 months and I crawled at 7 months. I was told that I got into alot of dirt and stood up in my high chair at 8 months. Would get into my mothers flowers. Played with the toy dog and books in the cupboard. I crawled faster when mother came after me. I began standing alone at 8 months and walked November 6, 1945 at 10 months. Pulled the trimmings from the Christmas tree, played in the toilet stool and had to be strapped in the high chair. At one year, I weighed 22 1/2 lbs. and loved to play with Daddy on the floor. I remember having pictures taken outside with the Christmas presents.*

*At about the age of four, I wanted to go to school with my sister and brother. So one nice day I placed a long rope on my dog "Spotty" and walked to Masters School - 1/2 mile away. I waited outside and during the wait the rope on my dog was entangled on the merry-go-round. My parents were called and I never*

*did it again. I use to get my doll and buggy along with my dog "Spotty" and walk all over the farm place. Played outdoors under the willow tree which hung a rope swing.*

*I know for many years I slept in a green crib in my mother and fathers bedroom. My sister and I can not remember staying in the same bedroom. I would stretch my legs and raise my arms above my head to touch both top and bottom of the crib. I would say I am big enough now to sleep in a big bed.*

*I started Beginners at the age of six years. In all the nine years of school I had 7 teachers. We had a lot of snow then and on a nice warm winter day as the snow was melting I decided to walk in the ditch at school. To my surprise I got stuck in snow above my waist and had to be pulled out. I was very wet and Mrs. Clark, my teacher had me sit on a warm register in her trailer home parked on the school grounds. She was angry with me.*

*On cold days my mother had me wear tanish colored "Long Stockings" which were held up with round tight garters. I wore dresses most of the time. Our bathrooms were outhouses. When someone decided to go to the bathroom - we heard up one finger and sign our name. In those days, we never thought anything about going to outhouses. At the end of all the school years - a large picnic was held with students and parents. The biggest treat was the many flavors of ice-cream in five gallon cartons. "What a Treat".*

*Most of the time I walked to school 1/2 mile and sometimes rode the bike with my brother Gary. As I would walk to school - Spring time - the meadow larks would sing and with the fall arriving - many golden rods bloomed.*

*For many years I would ride on the back of the bike as Gary drove. In my 5th and 6th grade years I remember being the only girl in school - so of course I became a "Tomboy". I played most all game outside with the boys. During the Spring - other country schools would get together for a baseball game. The games were held in alfalfa fields. Disks were used as the bases. What fun. During out recess we would play outside, playing kick the can - Simon says - pump pump pull away and baseball. On rainy days we would play in the large play gym and play the same games. During Halloween, each grade would think up our own gory fun.*

*As my sixth grade ended, so did Masters School. My parents gave me a chose to either go to town and finish my seventh and eighth grade or go to another country school, three miles away. Whitford School was my choose. I believe my brother Gary brought me to school, but many days I would walk the three miles home. During the two years at Whitford - our teacher always made us go outside for recess. The teacher would start her car to warm it up . It was so cold outside the only way we could stay warm was to stand by the muffler of her car. During my seventh grade year, there was a period of time we stayed in school during recess with the doors locked. The reason was because there was a murder spree by Starkweather. He murdered several farm families and he was not known where he would travel next. It was a very freighting time for the parents. He was executed eventually.*

*In 1960, I started my freshman year at Arlington High School. Being a country girl, I didn't fit in with the town girls. A few of my friends were from the country also. I participated in Art, Drama, & Music. I remember during a music class our music teacher was directing us and all of a sudden her underpants fell to her ankles. A few of the classmates to this day talk about this and laugh. I was chosen to sing "Psalm 23" at the bacolorite held at the Congregation Church. A*

*beautiful song and I practiced many times. But being shy and scared I forgot the words during the last part of the song. But the teacher continued to play the piano and I hummed. During the four years of high school was difficult for me. I was shy, skinny and was given the nickname "Wulf-Wulf". On my sixtieth birthday, my history teacher came up to me and said "Sweet sixteen and never been kissed" I was so embarrassed. That was the time I took my test for a drivers license, I failed my test the first time. In the fall all grades gathered in the large study hall and watched the World Series. That was a special treat. Of course, some of us could care less about the baseball games and just had fun sending notes to each other.*

*1963, my Senior year. our class was the first to graduate from the newly built High School. The first year Arlington had football. I missed my Senior Prom. I was home with the flu. I never dated any one from Arlington but my senior year, I dated several boys from Fremont. I would go roller skating every Saturday nit and met boys there. In the winter, Ice Skating was the thing to do and would skate at Homel Park.*

*I graduated and decided to get a job as a nurses aide at the Dodge County Community Hospital. I worked in the OB section. My starting pay was .75 an hour. At that time it was great. By the time end of working at the Hospital I was making \$1.00 an Hour drove Dad's green '63 Ford. The first time I learned to drive a stick shift. As I continued to work, I decided to attend Midland Lutheran College for one year. During that time I took tests and was accepted into Omaha School of Practical Nursing. I saved my money and paid for my own tuition. I was on my own and before I moved to Omaha, I met Betty Luebbert. She was six months ahead of me in nursing school. Three of us lived on 3208 California Street and walked where ever we could. We didn't have cars - buses was our transportation. In the '60's it was pretty safe to walk in Omaha. I graduated from nursing 1965.*

*At that time of my life I was boy crazy. I was dating Jim Purkey from Fremont and going steady. But he was more of a friend than a boy friend. On April 10, 1964 - Betty called and said her boyfriend Casper Hagedorn was at Tiners with a friend - Dennis Krueger and needed a date. I called my boyfriend and made an excuse not to meet and was talked into going out with Dennis. I remember questioning Betty on what kind of guy he was and if he was kinda wild. I was assured he would be fine. We went bowling. And they drank whiskey a first for me. I can remember sitting on the retainer wall and Dennis would talk about his Army experiences. He had just returned from Germany. We continued to date and fell in love. Dennis was so faithful driving to Omaha every Saturday to spend the evening with me. During the weeks we would write letters to each other. Today, I have every letter numbered. The letters tell the story. Kari, my daughter was given the letters as a keep sake. Dennis gave me a blue bird engagement ring October 2, 1965 at his parents home. I thought it was so special since his parents had a blue bird picture hanging in their living room. Later we attended a wedding dance in Howells, Nebraska.*

*Dennis and I married April 16, 1966. Our wedding dance was held in Howells, Nebraska. I can certainly remember my brother-in-law having a great time at the dance. Our honeymoon took us to Omaha the first night and on to Ozarks in Missouri where I took my first airplane ride. Tennessee where we rode horses on a path. We would backtrack and race the horses several times. The stable man was upset with us because the horses were sweating heavy. Kentucky*

*where we toured Mammoth cave, Illinois we visited Abraham Lincoln home and burial, & Iowa. We rented Cabin #4 for about 2 months and eventually purchased the house and four cabins. We lived at 105 East Cedar until November 1979. We had purchased 9 acres and built our new home and continued to raise our three children.*

*Three Children were born:*

*Ricky Leigh Krueger*

*March 22, 1968*

*Mark Lynn Krueger*

*March 17, 1970*

*Kari Kay Krueger*

*January 4, 1978*

*In August 1995 I was divorced and moved to Fremont. I lived at the Prairie View Apartment until November 1996. I purchased a beautiful home and a Convenience Store "D's Deli" in Fairbury, Nebraska. During the time in Fairbury I was blessed with my first grandchild - McKenna Leann Krueger to Mark and Michelle, October 8, 1998. I sold my Convenience Store and home and purchased a town house at 2670 Seaton Ave in Fremont on April 1, 1999. After moving from Sheridan, Wyoming to Fremont, - During the months of July 1999 thru September 1999, Ricky and Nancy Krueger lived in the lower level of my home until they decided to rent a home just behind me. To Ricky and Nancy my second grandchild Gabriel Robert was born March 18, 2000. To my surprise, Mark and Michelle gave birth to my third grandchild October 18, 2000 to Mason Luke.*

*Then came my fourth grandchild to Ricky and Nancy November 8, 2002 Leanne Kaye Krueger.*

*At the time of this writing, I am sure to find more to write about and will continue to put it down on paper.*

*I worked at Lindy Glass in Fremont from June 2004 - June 2005 and continue to groom dogs on a very part time basis. At present I again work at Fas-break Auto Glass Center as an accountant.*
