Notes for Lillian Victoria Adams:

[Lankford Family Tree.FBK.FBK.FTW]

Lillian Victoria Bryan, my grandmother, was a very special person, a faithful wife, a loving and caring mother and grandmother. She

was a encouragement to me, her first grandchild, she suffered for most of her adult life with the effects of rhumatorie arthritis. She perservered through the pain and remained independent up until the time of her passing. A lesser person would have given up long ago,

but her love and devotion for her family kept her going until her heart finally gave out. Grandmother enjoyed talking with others, wether

by phone or in person, it was always a joy to visit her when all the family would get together for Thanksgiving and Mothers Day. When

I was growing up I got to spend a week or two each summer with my grandparents and my uncles and aunt, who were close to my own

age! As I grew up I didn't get down for visits as often as I should have, I did spend a few days in the summer of 1997 and really enjoyed

being with her and planned to take off and spend a few days with her, but she passed away the week before I planned to visit. She gave

me much, the most blessed is my mother and sister, both have her loving sweetness, caring hearts, devotion to family and especially

with my sister, the gift of gab! I called them "The three peas out of the same pod"! I miss my grandmother very much and its hard to

believe that its been just over six years since she went home to be with the Lord! I think of her often and rejoice in the time that I had with

her and that she no longers suffers with the pain that she bore for many years and rejoice in the anticipation of that reunion day when I

will she her again in Heaven!
