Notes for DICK VARTANIAN:

Insert From Letter From Lucille Vartanian April 1997:

Dick was orphaned at the age of 2 during the massacre of 1.5 million Armenians by the horrible, vicious animals of the Turkish Government in 1915. Washington does not recognize this genocide we remember every year ( April 15 ). President Wilson was the only president that recognized this genocide. Since then no other president has. Ever president after Wilson has sided with the Turkish Government. Politics prevails!

Dick was the first one from Dearborn Michigan to be drafted in the Army ( World War II ). He was sent directly to Europe and served under General Patton. He lived in fox holes, went to the Vatican, fought the Germans and hated the Japanese ( three years he served ).

When he came out of the service, he came to Illinois on a vacation we met. Only knew each other 2 weeks, was married 46 wonderful years.
