He married EMMA KAROLINA ISRAELSDOTTER, daughter of ISRAEL LARSSON and EVA PERSDOTTER.

Notes for KARL GUSTAF NORD:

Karl Gustaf Nord was a very hard worker. He developed a couple of pieces of property and was what people called a "settler." He cleared the land of trees by hand for farming. It is said of Karl that he worked all day to build the house for his family, and then sleep under a tree at night. He lived a long life and injured his back in old age and had to be put in a home where he died at the age of 87. The land he developed was eventually turned over to the gov't. Perhaps Albin his son saw no hope and decided to opt for Canada.
