Notes for PAMELA JEAN LEHMAN:

Handwritten in Nelson Family bk by my mom Patricia, it says, "An event took place that we were all so proud of." Guess that's Pam's birth

Objective: This is to be a biography of PAMELA JEAN LEHMAN to add to the family books I have done in 2004 to present

Qualifications

My life in the past years have been a rewarding one. I feel I have accomplished a lot. I was born JANUARY 26, 1960 in MINOT, NORTH DAKOTA at Trinity Hospital, Minot, North Dakota; delivering physician was Dr. R. Sorenson. I weighted in at 9 lbs., I was born at 6:33 am. I was 21 1/2 inches long, my head measured 13 3/4 in, chest 14 in, and abdomen 13 1/2 in. My Proud Parents are Ernest Oscar Lehman & Patricia Ann Nelson Lehman. It was a nice day when my parents took me home it was thawing, and the temperature was 40's when I was taken to my parents farm at Coulee, North Dakota. My mother Patricia, said in my baby book that I was a pretty baby, my mom said she was almost scared to hold me, as I was so heavy. My mom said, that I looked just like my Grandfather Oscar Ernest Lehman(my fathers' dad) I was baptized April 10, 1960, to the Lutheran faith at Nazareth Lutheran Church in Kenmare, North Dakota my sponsors were Elaine Lehman & Leonard Lehman(sister & brother of Pam's father Ernest Oscar Lehman) Cleo D. Hanson, Pastor. I went to Hope Lutheran Church in Coulee for Vacation Bible

School, and to Sunday school. I spent most of my years growing up in Coulee, ND till my parents bought a new house, then we moved to Kenmare, ND in 1970. Kenmare, I have two siblings in the family, Kathy Lynne & Kent Lee, they were twins born July 25, 1961. So I have spent most of my life growing up in North Dakota.

Education

1966-1978 I attended Kenmare Elementary 1st grade then I went to 2nd grade at Mrs. Marvin Sorums house across from the Elementary school; I attended 3rd & 4th grades at St. Agnes Catholic School. I attended Kenmare High School from 1970 (5th grade - 12th grades).

I graduated from Kenmare High School "Class of 1978" May 21st.

1978-79 I attended BJC, Bismarck Junior College, Bismarck, North Dakota. Working towards an AAS in Commercial Art.

Life as it was:

I was a farm child, that learned how to work hard at the gardening, yard work, and helping out at the farm with what I was taught. My parents are wonderful parents, very caring, thoughtful, and very hard workers. I learned many things throughout my Childhood. Mom & my Grandmother Florence taught me how to cook, clean, work in the garden and can. I learned how to do many things on the farm. My dad taught me how to drive vehicles (in the fields) and how to fix things that were broken, such a good teacher he was, I learned lots. I spent lots of time with my grandparents, Oscar & Florence Lehman, as I was the first grandchild to be born to that family. They would take me places as my mom had her hands full when she had twins' 18 months later after I was born. I was a happy go lucky child. I had a wonderful childhood with lots of adventures. I was always willing to help others out with anything. I loved living on the farm. Farm life was good. Living in Kenmare was nice to, as us kids could walk across the highway to school and participate in lots of clubs which school offered. I was in band in 5th grade, I played the clarinet, then my last year of high school I tried to learn the drums. We were in Pep Band. I belonged to FHA, FBLA, DECA, Library Club, Yearbook Staff, Pep Club. I got my drivers' license in 1974, when I was 14 years old, as farm kids got to get theirs first so they could help out. I was always willing to help out with anything around the house, the farm, and the barnyard. My parents raised cows, pigs & chickens. We helped with butchering ugh what an untaseteful job that is. But I guess you do what you have to do to survive.

I worked when I was in High School, at the Red Owl, grocery store, and at the Jensen Nursery. I also volunteered at the Deaconess Hospital as a Candy Stripper helping the elderly and the nurses there. I also enjoyed going to the Baptist Home-Kenmare to visit the elderly with my grandmother Florence when she went to visit people.

Grandma Florence was like a 2nd mother to me. We did lots together, she is very missed by me. I go the cemetery here to take flowers to Grandpa and Grandma's grave site, on their Birthdays & Holidays.

I have been riding since I was very young. My dad got us an old 50cc Honda to scoot around at the farm. We had a blast with it, and lots of miles on it!!!
I rode my mom's 650 yamaha when I was in high school. Then I took a break as I had children and so much to do for them. Then in 1995 I learned to ride all over, started out at 35 mph then worked my way up to takin my test.

Now I have a blast going with my mom to the ladies run. The first one I went to was in Tioga in 2000 - so at least we do a little, but it is a good time to see the gals from year to year. I ride an 1100 Honda Shadow that I got well yah all know, when I got divorced! -- Pam Norris

Notes for TREVOR JOHN OSCAR SKAR:

Trevor John Oscar Skar

JANUARY 18, 1985 Proud Parents to Trevor John Oscar Skar, name sake after his Great Great Grandfather John Lehman & Great Grandfather Oscar Lehman & Grandfather Ernest Oscar Lehman, born at Kenmare Community Hospital, Kenmare, North Dakota at 8:29 pm, weight at birth 9 pounds 6 ounces, 21 1/2 inches in length. Dr. Bernard Malhomme was the delivering physician. Trevor came into the world with his Great

Aunt Sandra Nelson (my mother Patricia Nelson Lehman's half brothers Robert Nelson's wife) as his delivery coach & his dad Mark. Trevor was a fast one to enter the world as he took only 3 hours of labor, his mother walked the halls till it was time to deliver him, oh what a day, his mom was grocery shopping with her Grandmother Florence Lehman, Pam started having contractions, so off to home they went, then Pam called her mom, Pat Lehman to say, the pains are every 3 minutes lasting a minute, so it was time to go to the hospital to have a baby. Trevor also wondered what kind of world he was going to encounter also; Trevor was the First Baby of the year to be born, with lots of gifts from Merchants around Kenmare. Trevor had his picture in the Kenmare News. Trevor was baptized at Nazareth Lutheran Church, March 31, 1985, Kenmare, North Dakota.

Trevor's sponsors were Kent & Aimee Lehman (Pam's brother & his wife, Rugby, ND) & Robert & Sandra Nelson (half brother of Patricia Ann Nelson Lehman & his wife, Kenmare, ND) Trevor grew up in Four Buttes, Montana from 1985-1989, then his parents moved to Woodland Park, Colorado, where he attended school till 1992, then moving back to Four Buttes, Montana to attend school till 1999, then his mother left his father. Trevor grew up to be a great child also. He has learned to be very caring & loving also. He went thru lots of trials and tribulations when his Parents were parted in 1999, Trevor made his decision to go live with his mother in North Dakota, his life had to change, and he had to help learn thru his mom's eyes that life does change, and so you have to change also. We went thru lots of emotional feelings over the past few years, but Trevor and Pam both changed and for the better. Trevor's mom, Pam was a great teacher to him and was there for him no matter what obstacles they had to encounter, but she never regrets what she had to do to save her own life & her children's. We played baseball together throwing the ball and learning, as mom didn't know how to do everything but she tried to teach her boys, we traveled to lots of ball games, tournaments. We went to lots of Basketball games, as Trevor played in grade school, then in High School at Kenmare, ND Jr. Varsity team and Varsity team. Trevor attended KHS, Kenmare, North Dakota till he graduated May 25, 2003. Trevor's Grandfather Ernest Oscar Lehman, was his inspiration in growing up the past few years, Trevor will always look up to him for everything he taught his to do, his grandfather had lots of patience with him, and taught him lots. Trevor grew up to be a very polite young man also like his brother Travis. Trevor is attending MSU, Minot, North Dakota. Trevor is learning what life is like out on his own. Trevor has matured also to be a very caring and loving person that he is, and will grow from his mistakes also. Trevor has also learned that his step dad Clyde Franklin Norris is also an inspiration to him, and also

his friend, they have both enjoyed each other alot and grew up with each other over the past few years.

History on Four Buttes, MT:

<http://www.scobey.org/fourbutteshistory.html>

History of Four Buttes

The little town of Four Buttes, located in central Daniels County, received its name from the four unusual buttes that tower above the prairie west of town. These buttes were known as "Whiskey Buttes" in the early days because of being a meeting place between Indians and those who would trade whiskey to them

These flat topped formations stand out in rolling prairie country and in more recent years have been a favorite site for community picnics. The town sprang up in 1926, a few months after the Great Northern railroad was extended west from Scobey. In August of that year the newly constructed Farmers Elevator, with a capacity of 35,000 bushels, began receiving grain. This elevator burned in September, 1944, but another, built by a line company, was purchased by the farmers in the early '40s and is still in use.

Until 1967 area children received their elementary education in a one room country school building that was moved into town. A bus now takes the children to school in Scobey. (TJ rode the bus to school in Scobey, from 2nd grade till 8th grade)

TJ also works for Verison Wireless service, Carribean Tan, and also worked at Foot Locker all in Minot, ND. Plus being a full time college student, so he has put himself thru college and has done a great job. 2003-2007

Notes for TRAVIS MARK SKAR:

Travis Mark Skar

APRIL 17, 1981 Proud Parents to Travis Mark Skar, name sake after his father Mark Allan Skar, born at Kenmare Community Hospital, Kenmare, North Dakota at 12:09 am weight at birth 9 pounds 2 1/2 ounces, 21 1/2 inches in length. Dr. I. A. Piracha was the delivering physician. Travis was a hard birth for his mother Pam, as she was in the hospital for 8 days, and full of Toxemia poisoning to her body, After 23 hours of hard labor, Travis came into the world with his Grandmother Pat Lehman(Pam's mother) as the delivery coach, with the umbilical cord wrapped around his neck, and as purple as he could be, with his eyes wide open, wondering what to expect out of life now. After Delivery, Grandmother Pat went out to the waiting room to tell everyone what Pam had had, and laying on the couch was her father Ernest with cowboy hat over his head, resting, Pat held her hands together and said "It's a BABY", everyone said well what? She then said it's a BABY BOY. It is exciting to have your first born child in your own life. Travis was the recipient of the "First Baby " to receive booties made by the Hospital Auxiliary in Kenmare, so his picture was in the Kenmare News. Travis was around adults all his life, and learned fast on everything. Travis was baptized at the Nazareth Lutheran Church, Sunday, August 23, 1981, Kenmare, North Dakota, his sponsors were Kathy & Franklin Anderson(Pam's sister & her husband, Donnybrook, ND) & Jeff & Sue Geyer(friends of Pam, Kenmare, ND). He was like a miniature young adult himself, so he learned what it was like to be a man, a father, and a wonderful person in life. Travis was a wonderful baby, and grew up to be a Handsome, Caring, Respectful young man. Travis became a "Big Brother in January 1985" then he moved to Four Buttes, Montana with his parents in 1985, where Travis attended school till 1989, then his parents moved to Woodland Park, Colorado till 1992, then moved back to Four Buttes, Montana, where he attended school till his High School Graduation in May of 1999. Travis played basketball, golf, baseball & Football over all the years of his education, with his mom trying to help him practice baseball in the yard, learning new things, we traveled to lots of ball games over the years of Travis growing up,

and we enjoyed every minute of it. Travis had to grow up fast, as he was going to be a father in 1999 himself so his mother Pam told Travis one day, "Just be the father, you never had, when Travis became a father. Travis attended MSU, Minot in the fall of 1999. He became a father to CLAY MORGEN SKAR, December 4, 199 in Sidney, Montana. Travis then married Cassandra Elizabeth Lavey, August 3, 2001 in Scobey, Montana. Travis then transferred to UND, Grand Forks, to get his degree of Bachelor of Business Administration, he graduated May 17, 2003. Travis became the father of another boy, Carson Marcus Skar born May 29, 2004 in Williston, ND. Travis was the American Family Insurance Agent in Tioga, North Dakota. Travis is now a North Dakota Highway Patrolman. I (Pamela Jean Lehman Norris) am very proud of how Travis has grown into such a special young man, and a wonderful father and husband, I taught him well!!!

Travis & Cassie moved to Tioga, ND June 2003 from Grand Forks, ND
Travis attending schooling for Insurance Sales man- he went to Minneapolis for classes then opened as agent in Tioga, ND (copy of letter from American Family announcing Travis's agency.)
