Medical

Notes

(1) Alan was educated at various junior schools,at Tidworth (Hants),Beachley(wales),Munster(W.Germany),then Hamm boarding school(a secondary school in W.Germany), and finally Chatham,Technical High School,in Kent. then went on to work in a electrical appliance repair shop, then was a printers apprentice(for 3 days) then worked in a car/cycle accessory shop(for a few years) Then for 18 months was responsible for maintenance/caretaking of the Medway College of Art and Design at Chatham Kent. Finally entering the building/construction trade. Initially as a hod-carrier, then going on to become a bricklayer. After working for years on various sites, I then joined a Kent based construction firm around 1992, eventually becoming a foreman, then in 2003, I joined a Surrey based construction firm, working, in and around London, as a Site Manager.
