Generation No. 2

Notes for BURTON B. HILL:

?2 HILL (Green1); born circa 1796 at SC.

He is the subject of much speculation and several theories. We know that the children of this person, John Henry Hill and Benjamin Hill are related to Green B. Hill. It is conclusive that they are either the children or grandchildren of Green B. Hill, likely the latter.

Family traditions have been distorted over time leading to four theories, one being that the children of this unknown HILL are actually the children of Green B. Hill and an indian woman. Another theory claims that they are the children of Green B. Hill's daughter Mary through her unmarried relationship with an indian man. Another theory is that Mary Hill, listed as a daughter of Green B. Hill was actually the indian widow of one of an unknown son of Green B. Hill (claims of indian ancestry by descendants of this branch of the family are likely to be true because of genetic characteristics prevalent in the line), and another theory is that the children of this unknown HILL may belong to Burton B. HILL and Nancy MORGAN, married in Jasper Co. GA in 1819.

Children of ?2 Hill and an unknown spouse were as follows:

- + 79 i. BENJAMIN³ HILL, born 1820 at Jasper Co., GA; married Rebecca A. Overton.
- + 80 ii. JOHN HENRY HILL, born 1822; married Martha Ann Overton.

Above from Byron Hill. I included them here as didn't know where else to put them.

Notes for MARTIN HILL:

Martin Hill was the first pastor of Lost Creek Baptist Church. He is buried there. This church later was renamed Ranburne Baptist Church. He was also a mason. After the death of his wife Sarah Ann Tomlin Hill he married Sarah Alewine Hanson. She was a widow of Fielding Hanson who died during the Civil War. Below are two letters written by Fielden Hanson. In the first one he mentions James Kanady who was married to Elizabeth (Betsy) Ann Hill. Also he mentions John I. Hill, son of Martin Hill. In the second letter he talks about Lost Creek Church and Mister Will. Could Martin Hill have been Mister Will?

Thanks to Rita Hanson Butler for the letters and comments.

Fielden Hanson Letters

These are letters that my 3rd great-grandfather, Fielden Hanson, wrote during the Civil War. He died of Pneumonia on February 8, 1863 in Petersburg, VA.

This letter was written to his wife, Sarah Catherine Alewine Hanson during the summer of 1862.

Spelling, etc. is just like the original letter.

Dear Wife, I take the preasant oportunity of riteing you a few lines to let you know that I am well at this time Sarah. I am stouter? Than I was when I left home tho I donte no how long I will remain so. I hope I will keep well all the time and Jack and Jake and James and James Kanaday? And John I. Hill and all of the Alabama Boys as well at this time , and I hope and trust and pray to our God that when these lines comes to hand that this may find you and the children all well and doing well. Sarah, I want to see you and the children verry bad. But as it is not convenient for us to see each other now, I hope the time will soon come when we shall all meet and enjoy ourselves as we once have done. So Sarah, content your self and be not desolate and donte be grieved about me for I think I shall live to come home again _____. Be of good cher and take evirry thing the best you can Sarah. Kiss the baby for me and George and Jain and tel them all to be good children til I come back home again and make them minde you Sarah. Sarah this makes the third letter that I hav rote to you and I hante got no ansor from you yet. I want to hear from you verry bad so Sarah I want you to rite me as soon as you get this letter and tel me how you an all are getting along. Tel me how the potatoes and tobacco and shugar cane and I want to no whether my corn has come out much or not and I want to no how my mare and colt is getting along and tel me how my stock is all ageting? Sarah we have to drill twies a day and I tel you we have to trot around purty tite some times. Sarah we have drawd on no army? Than on the Mississippi rifles. I don't know when we will leave this place. It may be a good while and it may shortly. I cant tel Sarah. We have got several Masters and we hav to go when ever they tel us to go Sarah. We hante drawd our cooking aside yet Sarah. We hav wheet and bred and bred and meet to eat and some times a little rice and I would like to hav some of your good butter milk and butter verry well Sarah for I hante had none since I left home. I think I could drink a half gallon easy. I will close at preasant by remaining your affectionate husband until death, Fielden Hanson to Sarah Hanson. The end.

This letter was written around Christmastime 1862, less than 2 months before he died.

Dear Father and Mother, Brother and Sister. I take the present opportunity of writing you a few lines to let you know how I am getting along. I can state to you that I am not very well at present, I had a chill last night and feel like I would have another tonight. My shoulders and back hurt me all time. Unkle Ruben, I can tell you that I have suffered a great deal since I left Randolph County, I hope these few lines may reach you in due time and find you all well and doing well. Oh! You don't know how bad I want to see you all. Worse than ever in my life. You don't know how I would like to get there to hunt squirrel and rabbit, Unkle Ruben, Like we did last Christmas. Unkle Ruben, I think that if I was home in my natural climate I would soon get well. If I was there where I could get good water to drink and something to eat that suited me, for we don't have much to eat but beef hash and hornet nest bread and coffee, and I tell you I'm tired of it, Unkle Ruben. There is a good many sick here at this time and there has a good many died since I have been here and there are some here now that I don't think will live long without they get better. Unkle Ruben, I see it stated in the papers that one sixth of our Army is sick. Unkle Ruben, there was a big battle fought at Fredricksburg the 13th of this month. I see it stated in the papers that they numbered three to our one and we killed ten to their one. When the Yankees were coming over the bridge our Army turned loose 150 pieces of artillery on them and killed ten to their one. They acknowledged 255,000 being killed, and wounded themselves. Our loss is estimated a 1800 killed, missing and wounded. This is the fourth time that they have started a battleet Kingston, NC and our forces whipped them back there. There is a prettysmart uproar among them between Wilson and Wilmington and on Blackwater. I don't think the Yankees will get to stay there long. Unkle Ruben, I want you to write me, all of you as soon as you get this letter and give me all the news. I want to know how you are all getting along. Unkle Ruben, I want you to go up to my house and see how Sarah and the children are getting along and see how everything is going on and write me about it. Unkle Ruben I was lonesome here at the hospital for there was nobody here that I ever knew before I left home till Jake for I had not seen him in over two months. A few lines to Joseph, I thought of you a heap of times since I have had ager, it did not look like they shook as I did. Write me Joseph, as soon as you get these lines and tell me all the news you know. You don't know how bad I want to be with you all to take Christmas and go to Lost Creek meeting and hear Mister Will preach. It would pleasure me more than I could express to you if I could claim Christmas of you. So save it all till I come. When it goes well with you all remember me. I remain Yours truly.

Notes for ROBERT JAMES KANADY:

Robert James Kanady enlisted in Company E, 13th Regiment, Alabama Infantry CSA on September 17, 1861 at Eastville, Alabama. He was in Captain Robison's company. He doesn't appear anywhere in the Civil War until April 30, 1863 when he appears on the company muster roll for May-June 1863, signed by Captain Moore. He was captured at Gettysburg on July 1, 1863, confined at Ft. McHenry, Maryland as a prisoner of war and sent to Fort Delaware, Delaware where he was received on July 6, 1863. He was paroled at Fort Delaware, Delaware on July 30, 1863. He was confined at the Episcopal Church Hospital in Williamsburg, Virginia from August 1, 1863 until August 11, 1863. The complaint was Debilitas (Latin for debility, meaning bodily weakness). He returned to duty on August 11, 1863. He received pay for September 1, 1863 to December 31, 1863 at Richmond Virginia on January 15, 1864. The document says that he was "Off Furloughed". He next appears on a receipt roll for clothing for the second quarter of 1864.

The next muster roll shows that he was last paid on February 29, 1864 by Captain Hagerty and also shows that he was missing in the Battle at the Wilderness. This muster roll is for September-October, 1864.

He was captured at Spottsylvania C.H. on May 12, 1864, sent from Belle Plain, Virginia to Point Lookout Maryland on May 17, 1864, sent to Elmira, New York on July 30, 1864. He was received at Elmira, New York on August 2, 1864. On October 11, 1864, he was paroled and transferred for exchange to Point Lookout, Maryland. He arrived back at Point Lookout, Maryland on October 14, 1864.

He died on October 26, 1864 at Point Lookout, Maryland before the exchange could be made. Cause of death was Chronic Diarrhea. Medical Card number 52539980.

One document shows that he died on October 27, 1864. He was buried in an unmarked grave at Point Lookout,

Maryland on October 27, 1864. Later the remains of all southern Civil War dead were removed to one location. There is a huge memorial for them. Robert Kanady's name is on one of the plaques. See photos from Point Lookout Maryland.

Notes for RHUDIE LITTLE SKINNER:

Rhudie was a pastor to several churches in Cleburne and Randolph Counties in 1920's and 1930's. He was moderator of the Cleburne Baptist Association in 1935, 1936, and 1937.

Macedonia Sunday School was organized about 1915 and led to a victory by Bro. R. L. Skinner. Previous organizations had taken place but were short lived. Much lasting good has been accomplished by the church through the Sunday School. Bro. Skinner served three years and then undertook the organizing of Sunday Schools in other churches. After he became an ordained minister on February 22, 1922, he was elected Moderator of the Baptist Association and served several years.

From Newspaper abstracts from The Cleburne News March, 1922:

OBITUARY OF NELSON O. MESSER

Nelson O. Messer, son of Mr. and Mrs. W.S. Messer, was born June 27, 1902; was married to Miss Minnie Myers July 7, 1921. On the evening of Feb. 8, 1922, while working in a coal mine near Birmingham, from an explosion of a can of powder, he was badly burned, resulting in his death that night about 11 o'clock. Bro. Messer attached himself to the Baptist Church in August 1912, during the pastorate of Bro. C.R. Clarter at Howle's Grove. I am glad to say that he was loyal to and loved the church. His walk in life, his great faith in God has been and will be of great inspiration to those who knew him. I can only say to the bereaved family "weep not as though we had no hope, for as we cannot bring him back, we can go to him through our Lord." I feel that he was one that could say "I heard a voice from heaven saying "blessed are the dead which die in the Lord from henceforth they may rest from their labors and their works do follow them." R.L. Skinner
