

Descendants of Zebedee Swinson, Sr.

Generation No. 1

1. ZEBEDEE¹ SWINSON, SR.^{1,2} was born Bet. 1780 - 1790³, and died Bef. Oct 15, 1866⁴. He met WIFE OF ZEBEDEE, SR. Unknown. She was born Bet. 1790 - 1800⁵, and died Unknown.

Notes for ZEBEDEE SWINSON, SR.:

The discovery of Zebedee Swinson as the father of James and Zebedee Swinson is fairly recent. I've suspected for some time that Zebedee and James may be brothers based on the close dates of their births and their proximity to each other in the Onslow County, North Carolina Census. The acquisition of a deed executed in Duplin County on 15 Oct 1866 from "Zebidie" & James Swinson to Maxy A. Manning (Duplin County Deed Book 26, p. 143) provided the evidence necessary to make this connection.

The full text of the deed follows, but two important points are (1) the indication that "James of Onslow County" is a party to the deed, and (2) the line "...we fell heirs to from our father Zebedee Swinson". The first places James in Onslow County, a strong indicator he's "our" James Swinson. The second cements the relationship between James and the two Zebedee's.

One other indication this is the James Swinson we're looking for is the presence of Owen Gurganus as a witness to the deed. Owen has been found in many documents concerning James and Rebecca Marshburn Swinson and their descendants.

Additional information concerning Zebedee's family, listing John Andrew, Sally Ann, Polly and Annie Swinson as children of Zebedee, Sr. and siblings of James and Zebedee, Jr. Swinson, was provided by Mr. Kellon Maready of Duplin Co., NC. This is "raw data" provided by descendants with no documentary evidence attached. This information was included with Mr. Maready's permission. Future research will be directed to verification of the data instead of using it as a sole "proven" source.

Research of North Carolina Census records revealed the presence of two Zebedee Swinson's in 1830...one living in Duplin, the other in Onslow. Microfilm records of both counties were inspected to determine if the same man was recorded twice, possibly because he lived near the Onslow/Duplin county line. (See source citations for Zebedee, Sr. and Jr.) The "Zedibe" Swinson household recorded in the 1830 North Carolina Census of Duplin County consisted of:

Males: 1 50-60

Females: 1 20-30 and 1 40-50

The 50 to 60 year old male is undoubtedly Zebedee, Sr. The age range indicates he was born between 1770 and 1780. His birth is recorded thus until further data reveals a more specific birthdate. The younger female is possibly a daughter, and the older female his wife, who's name is still unknown. The age range for the 40 to 50 year old female indicates a birth between 1780 and 1790, and is recorded as such until further information is available.

The Onslow County household of "Zebade" Swinson consisted of 1 male 20-30 and 1 female 15-20; Zebedee, Jr. and his wife Nancy Brown. These two men were not the same person and are deemed to be father and son.

Children of ZEBEDEE SWINSON and WIFE ZEBEDEE are:

2. i. JAMES² SWINSON, b. Bet. 1802 - 1805, NC; d. Aft. Jun 26, 1880.
3. ii. ZEBEDEE SWINSON, JR., b. Abt. 1810; d. Aft. 1866.
- iii. SALLY ANN SWINSON, b. Bet. 1810 - 1820⁶.
4. iv. JOHN ANDREW SWINSON, b. Abt. 1817.
5. v. JACOB SWINSON, b. Bet. 1825 - 1827, Onslow Co., NC; d. Abt. 1910.
- vi. ANNIE SWINSON, b. Unknown.

Notes for ANNIE SWINSON:

Mr. Maready's notes indicate Annie died in childhood.

- vii. POLLY SWINSON, b. Unknown.

Notes for POLLY SWINSON:

Mr. Maready's notes indicate Polly died in childhood.

Generation No. 2

2. JAMES² SWINSON (*ZEBEDEE*¹)^{7,8} was born Bet. 1802 - 1805 in NC^{9,10}, and died Aft. Jun 26, 1880¹¹. He married REBECCA MARSHBURN^{12,13} Abt. 1829, daughter of UNKNOWN and UNKNOWN. She was born Bet. 1804 - 1805 in NC^{14,15}, and died Aft. Jan 11, 1876¹⁶.

Notes for JAMES SWINSON:

I've listed James Swinson's birth as "Bet. 1802 - 1805" based on the ranges provided by the 1850 and 1860 North Carolina Federal Census'. The county of James' birth is unknown, but is suspected to be Duplin. It's known that James and Rebecca resided in Duplin County, probably just over the county line, before moving to their home near Ten Mile Creek in Onslow County. This is based upon a deed executed by Richard Swinson to Rebecca Swinson "of Duplin" in 1839. (Onslow County Deed Book 50, p. 370/371- See Notes for Rebecca Swinson)

I have little other evidence of their time in Duplin, as I haven't yet conducted an exhaustive search of existing records in the Duplin County Register of Deeds office in Kenansville. Based upon the information contained here, their move to Onslow County occurred some time between Feb 1839, when the above deed was made, and the enumeration of the Census of 1850. However, I have seen reference to indicate James Swinson was an Onslow County taxpayer in 1820. Further research of Onslow County Tax records is required.

The 1850 North Carolina Federal Census (Onslow County, Upper Southwest District, p. 277, Dwelling 748,

family 748) shows the following household for James Swinson:

Swinson, James, 48, Mechanic, born NC

- " Rebecca, 46, born NC
- " Mary, 20, born NC
- " Nancy, 18, born NC
- " James, 14, born NC
- " Nelly, 10, born NC
- " Rachel, 8, born NC
- " Jesse, 5, born NC

James and Rebecca's household had increased by 1860 and James had changed occupations; however, the newest additions appear to be their grandchildren, not their children. The 1860 North Carolina Federal Census (Onslow County, Upper Southwest District, p. 219, household 366, dwelling 366) shows the following household:

Swinson, James, 55, male, W, Cooper, land valued at \$100, over 20 cannot read or write

- " Rebecca, 55, female, W, serving, over 20 cannot read or write
- " Mary, 30, female, W, domestic, over 20, cannot read or write
- " Ritta, 12, female, W
- " Kitty, 5, female, W
- " Jane, 2, female, W
- " Nancy, 25, female, W, domestic, over 20 cannot read or write
- " Sallie, 2, female, W
- " James, 22, male, W, farm Laborer, over 20 cannot read or write
- " Nelly, 19, female, W, domestic
- " Rachel, 17, female, W, domestic
- " Jesse, 12 male

Due to the ages of the younger children and the order of their placement, I believe Ritta, Kitty and Jane to be the children of Mary, and Sallie the daughter of Nancy. It's also interesting to note that James' household was located between the households of William Screws, age 27 (with wife Lydia Ann Williams Blake), and Jacob Blake, age 30, single. Also, just four households after James is enumerated is the household of one John Brown, age 58, Cooper, with a son named John J. "White Marriage Records & Bonds, 1867-1919", on file in the Onslow County Register of Deeds Office, records Jesse Swinson (son of James and Rebecca) and Calestia Ann Batts (daughter of Owen Gurganus and Tamma/Tammie Batts) as being married "at John Brown's".

In 1866, James Swinson is shown in the Duplin County Grantors Index executing a land conveyance with "Zebedie" Swinson to Maxey A. Manning for an unspecified acreage on Back Swamp, as seen above. (Duplin County Deed Book 26, p. 143 - See Notes for Zebadee Swinson, Sr.) This deed was registered on September 28, 1869. It's an important source document, as it cements James' relationship to Zebedee, Jr. and identifies their father.

On September 13, 1869, James purchased 127 acres for \$150.00 from Lewis Gurganus, and wife Chrena [Serena]. (Onslow County Deed Book 30, p. 112) Inspection of the deed reveals the presence of many names that are continuously seen in conjunction with the Swinson family: Owen Gurganus, Hosea Mashburn and the Blake's. Additional research in Census and Marriage Bond records of Onslow County reveal that Lewis is Owen's younger brother. Serena's maiden name is Rawls and she later marries Burton Foy, the direct ancestor of the Foy family residing on the Nine Mile today, near Richlands, in Onslow County, NC. I believe this deed to be for the land that became the Swinson home place on the Ten Mile due to the approximate location described in the deed.

"...Lying on the North Side of the Ten Mile Swamp, bounded...north by the lands of Hosea Mashburn, East by the lands of Blake, South by the Ten Mile pocoson & West by the...Gurganus lands..."

This is roughly where Swinson and Gurganus Roads intersect near the Angola/Gurganus communities. Many Swinson families still make their homes there. This is the first deed for James recorded in Onslow County according to existing Grantors and Grantee Indexes on file in the Onslow County Register of Deeds Office in Jacksonville, NC. This deed was registered September 18, 1869. Lewis Gurganus purchased the tract from Hosea Mashburn on December 24, 1857 for \$72.50 (Onslow County Deed Book 28, p. 322) The boundaries referenced for the tract are as follows:

"...Beginning at a stake in Barfield's line, and runs So. 89 Et. 230 poles to Mr. Blake's line, then So. 30 Wt. 63

poles, No. 62 Et. 26 poles, then So. 50 poles - So. 51 Wt. 82 poles, then No. 50 Wt. 98 poles, So. 70 Wt. 36 poles to Barfield's line, then with his line So. 21 Wt. 110 poles to the Beginning, said land being a part of the lands of Nichodemus Gurganous, sold by the Clerk and master in Equity, the same containing One hundred and twenty eight acres, more or less..."

On March 8, 1871 James and Rebecca conveyed sixty acres on the North side of the Ten Mile [creek] to their youngest son, Jesse, for sixty dollars. (Onslow County Deed Book 31, p. 324-325) This property was most probably part of the original home place.

On May 4, 1874 James purchased fifty acres on Rooty Branch and Buzzard Branch from A.D. and Deborah A. Cutts for \$105.50. The exact location of Rooty and Buzzard Branch is unknown. The deed was registered on May 10, 1875.

They deeded another sixty acres to Jesse for sixty dollars on March 24, 1875. This property was at "the mouth of Juniper Swamp and thence with the ten mile pocoson". (Onslow County Deed Book 33, p. 515/516) The deed was registered January 11, 1876 and is the last recorded appearance I've found of James in Onslow County land records.

Oddly enough, there appears to be no record in the Onslow County Grantors or Grantees Index that James and Rebecca ever deeded property to any of their other children. As of yet, no record has been found of James and Rebecca's oldest son, James, but his location and activities may become more apparent with further research in the Onslow County land conveyances.

In the 1880 North Carolina Census, Onslow County, Jacksonville Township (Dwelling 317, family 320), James is found as an 86 year old man. His household is listed as follows:

Swinson, James, W, M, 86, Single (possibly widowed?), At Home, unemployed 12 months
Mashborn, John H., W, M, 53, Son-in-law, Married, Farmer
 , Mary, W, F, 54, daughter, married, Keeping house
Swinson, E----- R., W, F, 35, Granddaughter, single, working on farm (possibly Ritty, Mary's daughter?)
Swinson, Nancy, W, F, 40, daughter, single, working on farm
 , Robt., W,M, 17, grandson, single, working on farm
 , Richard, W, M, 4, (relationship unreadable)

I believe the John Mashborn listed as Mary's husband to be the same John H. Mashborn who was later a Justice of the Peace for Jacksonville Township. Also, the relationships of Mary's daughter (who may be the same Ritty), Robt. and Richard have yet to be verified by any other documents. It's possible that the 4-year old Richard is the same Richard "Ransom" Swinson who later married into the Sloan family and resided on Cypress Creek Rd. near the Onslow/Duplin County line.

James' exact date of death and place of burial is unknown, although it's suspected he was buried in the woods on the edge of a field near the old home place near Ten Mile Creek. According to Swinson family oral history, James and Rebecca lived in this location (behind the home of Hallie Swinson on Swinson Rd.) while their larger home was being built in its present location on Swinson Road, on the Ten Mile, near Maple Hill, N.C. This is unconfirmed, but there are ruins of an old farmhouse in the woods and an unmarked grave reported to be that of James.

Notes for REBECCA MARSHBURN:

Rebecca's exact date of birth is unknown at this time, but is estimated as 1804 based on her listed age (48) in the 1850 North Carolina Federal Census, Onslow County. I've yet to positively identify Rebecca, but it's certain she was a daughter of Duplin Marshburn's descended from Edward Mashburn "the Schoolmaster", who immigrated from England and had sons named Edward, Jethro, Daniel, Joseph and William. She was probably also a cousin of Hosea Mashborn/Marshburn, who married Mary Ann Davis; ancestors of Lillie Leora Marshburn, my grandmother.

James and Rebecca's marriage was recorded as "about 1829 in Onslow County", in the Latter Day Saint's Ancestral File. This date is by no means firm, but would fit with their first child Mary's birth in 1830. Also, it's more probable they were married in Duplin County, though I've yet to conduct an exhaustive search of the Duplin County marriage records.

As shown in the deed from Richard Swinson to Rebecca Swinson "of Duplin", Rebecca, also named as "Re" Swinson in the deed, purchased 25 acres of land in Onslow County on February 18, 1839. This property began at a

"...Forked gum in the Taylor's branch standing in the county line..." and ran to "Mashburn's branch". Though the exact location of this property hasn't been located, it most certainly was somewhere within the Nine Mile/Ten Mile area near the onslow and Duplin County lines. Colonel Simon B. Taylor resided at Catharine Lake around this time and the Onslow Marshburn's were already established on the Nine Mile.

A careful inspection of the above mentioned deed reveals that "Ebenezar" Swinson was a witness. It's proven through land conveyances that Ebenezer had a son named Richard, but according to a letter dated Jan 13, 1975 from Mr. Chester Swinson of Illinois to Tom Byrd of Cary, NC, "...Anna Cole's [wife of Richard Swinson, son of Ebenezer] Family Bible states that Richard and Anna left Cumberland Co., NC and landed in Lawrence Co., Illinois in 1837. They purchased 40 acres of land in Lawrence Co.; it went on record in 1852. In 1857 they bought 40 more acres." This makes it unlikely that the Richard in the deed was Ebenezer's son, but the parties were most probably closely related.

Only one reference thus far, the 1860 Census, gives any indication of Rebecca's occupation. She was listed as "Serving", which most probably consisted of preparing and serving meals, either in a larger property owner's home or an eating establishment. This differed from a "domestic" in that a domestic is the equivalent of a housekeeper. Further research into Census records is required.

Rebecca's date of death of "Aft. Jun 2, 1891. This is the date she registered the land she purchased from Richard Swinson in 1839. I've found no further records of Rebecca in Onslow County after this date. Her grave has yet to be found, but is suspected to be in the Swinson Family cemetery located on Gurganus Road behind the home of Luther Swinson. Her grave marker was probably made of wood and has since decayed.

3. ZEBEDEE² SWINSON, JR. (*ZEBEDEE*¹)^{34,35,36,37} was born Abt. 1810³⁸, and died Aft. 1866³⁹. He married (1) NANCY BROWN^{40,41}, daughter of JOHN BROWN and WENEFORD ANDREWS. She was born Abt. 1815⁴², and died Bef. Jan 18, 1859. He married (2) MALSEY MARSHBURN Jan 18, 1859 in H.C. Martin's Tailor Shop, Kenansville,

Duplin Co., NC.

Notes for ZEBEDEE SWINSON, JR.:

Zebedee's birth is listed as "Abt. 1810" based on the 1850 North Carolina Census, Onslow County, which lists his age as 40. He was probably born in Duplin County. He first appears in the 1830 Onslow County, North Carolina Census listed as being 20-30 years old, indicating a birth between 1810 and 1820. A female between 15-20 is also listed, most probably his wife, Nancy Brown.

The next record of Zebedee is a grant from the State of NC for 20 acres on the east side of Back Swamp near the Onslow/Duplin County line on November 23, 1833. (Onslow County Grant Book 1, p. 465) A Richard Swinson is a witness to this grant. He sold this tract to Lemuel Williams in July 1839.

Zebedee's deed of July 13, 1839 (Onslow County Deed Book 25, p. 282/283) for the 20 acres on the east side of Back Swamp to Lemuel Williams for 20 dollars, in which he sells the land from his 1833 grant, warrants close inspection. Several families that tie into the Swinson line are party to the transaction. John Brown, who is mentioned in relation to the marriage of Jesse Swinson and Calestia Ann Batts in 1869, appears on several occasions. A Bryan Williams is also a witness to this deed. I believe this to be the father of Lamuel Williams, born in 1839, who married Rebecca Screws, daughter of William Screws and Lydia Ann Blake. William and Lydia are ancestors of my grandmother, Lillie Leora Marshburn Swinson. The Lemuel (notice the different spelling) has been tentatively identified as a member of the Williams family that settled on the Five Mile, near Richlands, NC.

Zebedee was granted 100 acres on the north side of Juniper Swamp by the State of North Carolina on November 27, 1845. (Onslow County Grant Book 2, p. 172) This deed was witnessed by Right and William R. Horne. The Horne's were early land owners in the Back Swamp and Cypress Creek area of Duplin County. This deed was registered on July 26, 1847 and was later sold to Thomas Simpson in 1853.

The 1850 North Carolina Federal Census, Onslow County, Lower Richlands District, lists the following household:

Swinson, Zebedee, 40, male, turpentine business, land valued at \$95.00, over 20 cannot read and write

- " Nancy, 35, female, over 20 cannot read and write
- " Spicey, 15, female
- " John, 13 (33?), male (age listed as 33 in other sources - possibly his brother)
- " Molsey, 11, female
- " Mary, 8, female
- " Hosea N., 4, male
- " Nancy L., 1, female

Henry Swinson, a son of Zebedee, age 20, with wife Mary A. (his 1st wife) and Jesse W. (his brother?) is shown living nearby. The grave of Henry Swinson has been located in a predominantly Simpson family cemetery on Cypress Creek Road, near Back Swamp, in Onslow County. His inscription reads:

Henry Swinson
Son of Zebdee (sic) &
Nancy Swinson
Oct 22, 1832
Nov. 29, 1912

Beside him is the grave of Olive [Simpson] Swinson. Her inscription reads, "Wife of Henry Swinson, Born Nov. 20, 1837, Died March 7, 1912; 74 Yrs, 8 Mos. 15 Dys." Olive is believed to be Henry's second wife. They were married May 23, 1869 by D.A. Williams, M. G., in Onslow County. In "White Marriage Records & Bonds, 1867-1919", on file in the Onslow County Register of Deeds Office, Olive's father is listed as one Thomas Simpson.

On February 8, 1853, Zebedee sold one hundred acres on Juniper Swamp to Thomas Simpson [Olive Simpson's father] (Onslow County Deed Book 27, p. 107). William B. and Daniel M. Brown were witnesses to this deed. Brown was the maiden name of Zebedee's first wife, Nancy. This deed is the last bearing Zebedee's name on file in the Onslow County Register of Deeds office.

The next appearance I've found of Zebedee is seven years later. This reference is found in Roger Kammerer's book, "Register Records of Onslow and Jones Co. Citizens and Related Families, Vol. 2" (1988). It records a Zebadee Swinson marrying Molsey Marshburn on January 18, 1859, in H. C. Martin's Tailor Shop, in Kenansville. It's unknown if this Molsey and the Mary recorded with Zebedee in the Census below are the same person, but it's probable. The information for Zebedee is very disjointed and requires further research. However,

this information ties in with the next document Zebedee appears in the 1860 Duplin Census.

In the 1860 North Carolina Federal Census, Duplin County (Southern Division, dwelling 186, family 187), things have radically changed in Zebedee's household. It shows:

Z. Swinson, 50, Farmer, land valued at \$24.00, personal property valued at \$100.00, born Duplin
Mary, 30, Female, born Duplin
Eliza, 3, Female, born Duplin
Owen, 1, Male, born Duplin

Something extraordinary, catastrophic, and as yet unexplained, has happened to Zebedee's family. The older children would've probably established their own household by 1860, but the youngest children, Hosea N. and Nancy L. would've still required care. They aren't listed in Zebedee's household of 1860. They have yet to be found in Census records.

The last reference I've found for him is contained in the Duplin County Grantors Index. In this single reference, "Zebedie" & James Swinson convey a tract of land on Back Swamp to Maxey A. Manning in 15 Oct 1866. (Duplin County Deed Book 26, p. 143) This deed was filed September 28, 1869. (See the Notes for Zebedee Swinson, Sr. for the full text of this deed)

Zebedee Jr.'s death is listed "Aft. 1866" based on this deed. Perusal of later Census information and records on file in Duplin County should prove very enlightening and necessitate adjusting the dates I have thus far. However, that's the nature of genealogical research.

Henry Swinson, residing in Kenansville, appeared before the Clerk of the Superior Court of Duplin County on Jul 1, 1911, at age 80, to apply for a pension based on his Civil war service. He attested that he enlisted in Co. H, 55th Regt., NC State Troops on or about March 27, 1862 and that he was wounded at Hatcher's Run and [??] in Virginia on or about August 16, 1864. Henry stated that he was "disabled from manual labor on account of wounds & old age & bad health". A physician's statement on the pension identified Henry's condition as follows:

"Applicant has several bullet wounds; one produced a fracture of lower right jaw - also fracture of right clavicle which interferes with strength of right arm & limits its motions - lastly he has a scar over left tibia only superficial and of no importance. Disability, I should say, amounts to three fourths on account of wounds and senility."

J. B. Kelly, of Kenansville, was an attesting witness to Henry's pension application. Henry's pension was approved on July 24, 1911 and received by the Dept. of the State Auditor on August 8, 1911.

Information from other researchers indicate that there were no children from the marriage of Henry and Mary. On Mar 15, 1869, he married Olive Simpson, in Onslow County, NC.

He married CALESTIA ANN BATTS^{141,142,143,144,145} May 6, 1869 in John Brown's home, Onslow Co., NC^{146,147}, daughter of OWEN GURGANUS and TAMMA BATTS. She was born Apr 20, 1851 in Duplin Co., NC¹⁴⁸, and died Sep 7, 1932 in Onslow Co., NC¹⁴⁹.

Notes for JESSE G. SWINSON:

A young Jesse Swinson is first found in his father's household, at age 5, in the 1850 North Carolina Federal Census of Onslow County. Jesse's exact date of birth; however, is open to interpretation. A review of several documents list information leading to different birth dates. We'll review these as we go. First, his death certificate lists no birth date but states his age at death was 83 years, 6 months, 3 days. This makes Jesse's birthday Apr 2, 1842, as opposed to the "abt. 1845" date derived from the 1850 Census. From the documentation reviewed to date, it appears Jesse was a farmer all his life. He was born, married, made his living and died in Onslow County, NC.

I've listed Jesse's middle initial as "G", as this was found on his son, Montie Gue's, death certificate. Though his middle name is still unknown, "Gaston" is a possibility, as Jesse and Calestia's youngest son was named Jessie Gaston. There is also one instance, on a deed, where Jesse's middle initial is recorded as W. Further research is required.

Jesse married Calestia Ann Batts, daughter of Owen Gurganus and Tamma Batts, on 8 May 1869 at John Brown's home in Onslow County, NC. As seen earlier, a John Brown lived not far from the James & Rebecca Swinson family in 1850. This John, a cooper, also had a son named John who may have been a friend of the young Jesse.

I have yet to extensively study land conveyances for Jesse and Calestia, but a review of the Onslow County Grantors Index, 1804 - 1920 reveals only four instances when they sold property. The first, Dec 23, 1885, lists them as "Jesse W. and Lesta A. Swinson" to Ira Marshburn. (Onslow Deed Book 46, p. 347) On Apr 11, 1916, "Jessie and Lissie A. Swinson" executed a deed to their son, John Swinson. (Onslow Deed Book 123, p. 69) On Aug 18, 1916, "Jessie and Lissie Ann Swinson" sold property to Jonah Fisher. (Onslow Deed Book 125, p. 139) On Jul 10, 1919, six years prior to Jesse's death, they sold a tract of land to their son J. E. (Jacob Edward) Swinson.

The Onslow County Grantees Index, 1853 - 1923 shows at least 15 instances of Jesse purchasing property. Some of the people he transacted business with were: E. H. & Hester Shiver, Owen & Sarah Gurganus, K. F. & Sarah Powers and Sheriff Frederick Hargett. The Grantees Index also reveals that Jesse, Calestia, and unnamed

others executed seven deeds within a four month period. Between Jun 14 and Jul 10, 1919, Jesse and Calestia distributed land to Jesse, Jr., Charlie Thomas, John, James David, Montie Gue and Jacob Edward. On Nov 5, 1919, they executed two more deeds to their son Zedick Calvin. This appears to be the last transaction for Jesse and Calestia, but a more extensive study of land records is required. The deeds included under James and Rebecca Swinson to Jesse are the only ones I've researched to date.

It appears Jesse was interested in local politics and exercised his right to vote for his representatives. A copy of Jesse's 1902 Voter Registration, contributed from the personal files of Nellie Mae Swinson Batson of Sneads Ferry, NC, is included on the following pages. He registered with J. H. Marshburn, Registrar for Jacksonville Township, Angola Precinct, on 11 Oct 1902. Jesse is recorded as aged 56, which equates roughly to an 1846 birth.

I received copy of Jesse's application for a Civil War Pension from Mr. Tom Byrd of Cary, NC in 1996. Jesse appeared before the Onslow County Superior Court on July 3, 1922 to file for a pension earned with his Civil War service. At the time of his appearance before the court, Jesse stated his age as 77 (which places his birth in 1845). He resided in Maple Hill. (Probably in a house that still stands on Swinson Rd., about one mile from the Gurganus Rd./Swinson Rd. interection). Inspection of the application reveals he enlisted in Company L , 67 Regiment N.C. Troops on or about Aug 15, 1864. The witness to this application was Lewis Batchelor, who we've seen earlier in relation to Ebenezer Swinson and his land on Back Swamp. Jesse's application was approved and filed by the Board of Pensions on Aug 8, 1922. The original pension is on file at the NC Dept. of History and Archives in Raleigh, NC. Though Jesse was granted his pension for Civil War service, I've yet to find him on muster rolls. Further, I've found no evidence to indicate there was a Co. L, 67th Regiment, NC State Troops; however, Regimental returns are far from all encompassing and many regiments didn't file field returns or muster rolls. The search continues for further proof of Jesse's Civil War service and battles he may have participated in. If he was born in 1845, as stated by the Census, he would have been about 19 years old at his enlistment. If born closer to the 1842 date on his death certificate, he would have been closer to 22 years. See the full text of his pension paperwork on the following pages.

The last and final reference to Jesse Swinson, his death certificate on file in the Onslow County Register of Deeds office, records his death on 5 Oct 1925 at 83 years, 6 months and 3 days of age. His occupation is listed as farmer. The cause of his death is unknown: "No Pysician attending". His birthplace is listed as Onslow County, which amends the time frame his parents, James and Rebecca, moved to Onslow to sometime between 1839 and 1845. Henry Pierce, relationship unknown, provided the information for Jesse's death certificate. Jesse was buried in the Swinson Family Cemetery, which lies on his son John's property on Gurganus Rd. His tombstone lists no specific dates for birth and death, listing only "1845-1925". His tombstone has broken, but is still readable and stands in the middle of the cemetery beside the grave of his wife, Calestia Ann Batts.

Notes for CALESTIA ANN BATTS:

Calestia (Listy) Ann Swinson's death certificate, on file in the Onslow County Register of Deeds office, doesn't list her date of birth; however, her tombstone in the Swinson Family cemetery on Gurganus Rd., near Maple Hill, NC identifies her birthdate as Apr 20, 1851. Her death certificate does state she was born in Duplin County, NC and her mother was Tamma Batts. Her father was listed as unknown, but research of Onslow County marriage records has revealed his name, as we'll see later.

Calestia's mother, shown as Tammia, age 18, is found in the 1850 North Carolina Federal Census, Duplin County, in the household of Lewis Batts, a 50-year old farmer. Also in the household is 15-year old Thomas Batts, her brother. Swinson family oral history relates that Tamma had Calestia out of wedlock and never married, though the father supported Calestia and acknowledged her as one of his children.

It's interesting to note that Lewis' next door neighbor was the Ebenezer Swinson household. As we know Ebenezer lived on Back Swamp, it's possible Lewis, Tamma and Thomas were living there also, just across the Onslow/Duplin County line. This closeness to the Ten Mile area would explain much about how Tamma came to meet Calestia's father, who has been seen many times in documentation relating to the Swinson family, and how Calestia may have come to meet a young Jesse Swinson.

I searched for Calestia's father for over two years before finding his name in marriage records on file in the Onslow County Register of Deeds Office in Jacksonville. Jesse and Calestia were married at John Brown's (who was shown in proximity to the Swinson's earlier) on May 6, 1869 by Bryan Cavanaugh, M. G. Their marriage is recorded in the Index to Onslow County Marriage Register, 1867-1947, but doesn't list their parents. Additional

research revealed this information had been copied from an older source into the Index, and on a rainy day in January of 1999 I found an old photocopied book on the bottom shelf at the Register of Deeds office titled White Marriage Records & Bonds, 1867-1919 . It recorded their marriage and revealed Calestia's father as Owen Gurganus. This is the only reference I've found to date identifying him as her father.

Onslow records reveal that Owen was married, though I've yet to discover his exact marriage date. However, I found his grave in an old cemetery just past the intersection of Hewitt and Gurganus Roads on the Nine Mile, Onslow County, NC. Owen's tombstone inscription reads:

OWEN GURGANUS

Mar 25, 1827

Dec 8, 1897

Home Guard During Civil War

Gurganus descendants have obviously researched Owen; a new Confederate States Army marker lies at the foot of his grave. It reads:

OWEN GURGANUS

2nd Lieut.

21 NC Confed Mil

Confederate States Army

Mar 25, 1827 Dec 8, 1897

This identifies Owen as a Lieutenant in the 21st NC Militia, a unit that was also served by a man named Hosea Mashborn, though it's yet to be proven that he's the same Hosea Mashborn who was father of Cagie Edgar, and grandfather of Lillie Leora Marshburn Swinson, my grandmother.

Exchanges with other Swinson researchers have revealed eight sons born to Jesse and Calestia, seven living to adulthood. Little is known concerning Hosia T. Swinson, though further investigation of Census may shed some light on him. Calestia is seen through the years in the land conveyances she executed with Jesse. See Jesse's notes above and the deeds that follow.

The only document discovered to date that she executed on her own was her application for a Widow's Pension, following Jesse's death on Oct 5, 1925. The copy of the Widow's Pension I received from Tom Byrd records that on " On 22 December 1925, Lister A. Swinson, age 75 years, and resident of Maple Hill, NC....." appeared before the Onslow County Superior Court to apply for a Widow's Pension. Her pension was based on Jesse's service in Co. L, 67th Regiment, NC State Troops, that has yet to be verified.

Witnesses for this application were J.G. (Jesse G., her youngest son) Swinson, also of Maple Hill and L.E. Batchelor (Lewis?). Her application was filed by the Board of Pensions on July 5, 1926 and approved on Aug 3, 1926. The original is on file at the NC Dept. of History and Archives in Raleigh, NC. The Pension Application copy was scanned and is included on following pages.

Calestia Ann Batts Swinson, known as "Listy" or "Lister" died on Sep.7, 1932. Her son, John Swinson, provided the information for her death certificate, which may explain why her father's name was "unknown". A conversation with Nellie Mae Swinson Batson, granddaughter of Jacob Edward) revealed that Jesse's nickname for Calestia was "Brister". The origin of the nickname is unknown and only he was allowed to call her that. They lie together in the Swinson Family Cemetery on Gurganus Rd. behind the home of their grandson, Luther Swinson, son of John Austin Swinson.
