Notes for Christina Leazer:

I am unsure of the father of Christina. She is named as the daughter of Christian Leazer in his will, however, in an agreement between her and John Leazer, found in Deed Book 4, Page 7, Wetzel County, WV, she transfers to John her rights to any personal property to be divided among the legatees. In the second paragraph of the

agreement she states: "The condition of the above bond is such that whereas Christian Laezer late of the said county of Wetzel and state of Virginia, who was my step father ...". John, I believe, is her half brother.

1880 US Census: Christina is living with her son Henry at this time.

He may have been overlooked because the line where he should be recorded started a new page.
