

# Descendants of John Tippet I

## Generation No. 1

1. JOHN<sup>1</sup> TIPPETT I was born Abt. 1740, and died 1796 in Rowan Co., NC. He married SUSANNAH (MAIDEN NAME UNKNOWN).

### Notes for JOHN TIPPETT I:

The first State census of North Carolina was taken from 1784-1787. At that time Tippet families were residents of Jones, Halifax and Granville Counties. The Erasmus and Erastus L. Tippet families were residents of Halifax County. They were the twin sons of Philip Tippet who died in 1772. In Jones County, William, John and their father, James Tippet, had established their homes. There was only one Tippet family in Granville County when the State census was taken in 1785, that of John Tippet. It consisted of one white male between 21 and 60 years of age, evidently John Tippet, born between 1725 and 1764 (probably about 1740), four white males under the age of 21 (born after 1763), and five white females. He owned 346 acres of land and one slave in 1788. (STATE CENSUS OF NORTH CAROLINA 1784-1787, Granville County, p. 41; THE STATE RECORDS OF NORTH CAROLINA, Vol.26, p. 1273, Walter Clark, editor)

On December 9, 1787 John Tippet purchased a 96 acre tract of land in Granville County from William Cook for 40 pounds. (Granville Co. Deed Book O, p. 556) He later sold this land to his son Luke and an additional 145 acres on the Tar River to his son John, Jr., though no record of the original purchase of this latter parcel has been found.

The family settled in Rowan County, North Carolina before 1795 on the "north side of Beaver Dam Creek ... on Davis Creek near Rich Mountain ..." This land was a grant from the State of North Carolina to Allen Surrat who conveyed it to John Tippet. After his death in 1796, a judgement was filed against his heirs for 37 pounds. The land (380 acres) was sold at public auction by Nathan Chaffin, High Sheriff of Rowan County, to the highest bidder, Evan Alexander, on February 9, 1798. (Rowan Co. Deed Book 16, pp. 530-532) This area of Rowan County became Davidson County in 1822. It is east of Salisbury and south of Lexington, North Carolina in the Alleghany Township.

A marriage bond for Luke Tippet and Mary Vincent was issued on December 27, 1792 in Granville County. He and his family remained on the homestead in Granville Co. which he had purchased from his father on January 18, 1796. "... John Tippet of Rowan County, North Carolina ... to Luke Tippet of Granville County, a tract or parcel of land lying in Granville County, in the aforesaid State ... containing 96 acres ..." for 40 pounds. (Granville Co. Deed Book P, p. 320)

On January 26, 1795, John Tippet, Sr. of Rowan County gave his son, John Tippet, Jr., also of Rowan County, power of attorney to care for all his personal affairs. (Rowan Co. Deed Book 3, pp. 180, 181) On July 13, 1795 John Tippet, Jr. purchased land in Granville County from his father: "... John Tippet, Sr. of Rowan County ... to John Tippet, Jr. of Granville Co., a parcel of land lying in Granville County ... on the waters of the Tar River ... containing 145 acres ..." for 50 pounds. (Granville Co. Deed Book Q, p. 60)

The will of John Tippet is dated May 26, 1796 and proved during the August Term of Court 1796. Named as issues were his wife, Susannah, their four sons, John, Luke, Thomas and William, and their four daughters, Sarah, Nancy, Elizabeth and Susannah. (This agrees with the family make up as recorded in the State census of Granville Co. and the real estate transactions mentioned above.)

When the Federal census was completed in 1800, John Tippet's wife Susannah was named as head of the household and still a resident of Rowan County, along with two of her children --- one son born between 1774-1784 (Thomas who was between 16 and 26 years old), and one daughter who was between 16 and 26 years of age.

William married Rebecca Mills, daughter of George and Annie Mills, on March 3, 1796 and had his household in Rowan County. In 1800 it was composed of himself, his wife, two males under 10 years of age (born between 1790 and 1800) and two females (one under 10 and the other between 10 and 16 years of age). However, in that same census, sons John and Luke, with their families, are shown to be residents of Granville County living on adjoining properties. They both appear on the tax lists from 1803-1805. (LIST OF TAXABLES, Ledge of Rock District)

Luke's estate contained nearly 200 acres of land --- the 96 acres he had purchased from his father, and an additional 100 acres on Cedar Creek that he bought for 50 pounds on November 29, 1798. (Granville Co. Deed Book Q, p. 236) In addition to himself and his wife, Luke Tippet's household included three males, two born between 1790 and 1800 (under 10 years of age) and one born between 1784 and 1800 (10 to 16 years old), and two females less than 10 years old. It appears that he died before 1806 because he does not appear on the tax list for that year, but his brother John does.

It seems that all of John Tippet's sons were born between 1764 and 1775, based on the fact that they were all under 21 in 1785 when the State census was taken, but had reached maturity by 1796 when their father died. (State Census of North Carolina 1784-1787, p. 41 and John Tippet's will, 1796, Rowan Co.) It is possible that John Tippet's name was Jonathan W. Tippet. His grandson John Tippet, Jr. (who was the son of John Tippet's son John, Jr.) moved to Tennessee and public records there refer to him as Jonathan W. Tippit. His descendants have accepted "TIPPIT" as the correct spelling of the surname. John Jr. is also referred to as J. W. Tippet in Granville Co. Deed Book Q.

Children of JOHN TIPPETT and SUSANNAH (MAIDEN NAME UNKNOWN) are:

- i. ELIZABETH<sup>2</sup> TIPPETT.
- ii. NANCY TIPPETT.
- iii. SUSANNAH TIPPETT.
2. iv. JOHN W. TIPPETT II, b. Abt. 1764; d. 1830.

## Generation No. 2

2. JOHN W.<sup>2</sup> TIPPETT II (*JOHN*<sup>1</sup>) was born Abt. 1764, and died 1830. He married JANE (MAIDEN NAME UNKNOWN).

Notes for JOHN W. TIPPETT II:

John Tippet, Jr., referred to as J. W. Tippet in Granville Co. Deed Book Q, died intestate in 1830. His son John was appointed executor of the estate February 11, 1831. At that time a petition was filed in Granville County Court to survey the 500 acre estate and equally divided it among his six children. (NOTE: only about 375 acres was actually partitioned among the heirs.)

(1) John received 62 acres, (2) Bethia and husband John Fowler received 77 acres, (3) James received 62 3/4 acres, (4) Jane and husband Cader Parker received 62 3/4 acres, (5) Mary (Polly) received 50 acres and (6) Harriet and hisband John Stroud received 62 acres.

Jonathan and James C. settled in Tennessee. The descendants of these men spell their names TIPPIT and TIPPETT respectively.

Children of JOHN TIPPETT and JANE (MAIDEN NAME UNKNOWN) are:

- i. HARRIET L.<sup>3</sup> TIPPETT, m. JOHN STROUD, December 13, 1826, Granville Co., NC.
- ii. JANE (JINCY) TIPPETT, m. CADER PARKER, June 14, 1813, Granville Co., NC.
- iii. JAMES C. TIPPETT, m. NANCY MORRIS, 1819, Granville Co., NC.

Notes for JAMES C. TIPPETT:

The commissioners divided the land of John Tippet, Sr. on August 12, 1831.

However, it appears that James Tippet did not wait for the partitioning and signed over the rights to his share of the estate a year earlier (October 14, 1830) to Robert Dickins. (Granville Co. Deed Book 5, p. 17). He later moved to Wilson County, Tennessee.

- iv. MARY (POLLY) TIPPETT.
5. v. BETHIAH TIPPETT, b. July 16, 1793; d. October 01, 1865, Madisonville, Hopkins Co., KY.
6. vi. JONATHAN A. (JOHN) TIPPETT III, b. Abt. 1799, Granville Co., NC; d. Bef. 1866, Stewart Co., TN.

**3.** WILLIAM T.<sup>2</sup> TIPPETT SR. (*JOHN*<sup>1</sup>) was born Abt. 1772. He married REBECCA MILLS March 03, 1796 in Rowan Co., NC, daughter of GEORGE MILLS and ANNIE (MAIDEN NAME UNKNOWN).

Notes for WILLIAM T. TIPPETT SR.:

Little is known of William Tippet. He inherited 100 acres of land at the death of his father-in-law, George Mills, in 1809. (Rowan Co. Deed Book 3, pp. 96, 97) However, there are no real estate conveyance records involving him, nor is he mentioned in any court records of Rowan or Granville Counties. He appears in the 1800 census of Rowan County but moved back to Granville sometime afterwards. It is likely that he returned after the early death of his brother Luke about 1806, and occupied the land that Luke had bought from his father. Luke's widow, Mary (Polly), moved to Rowan County after her husband's death. (1820 Census of Rowan County, p. 6)

WILLIAM and his brother John were neighbors in the Ledge of Rock District of south central Granville County in the 1820's and 1830's. (Granville County Lists of Taxables, 1820, 1825, 1832) However, the 1800 census and an 1803 tax list show that LUKE and his brother John were neighbors, substantiating the thought that William moved onto Luke's property and was living there while his sons William T. and John C. were growing to maturity. The 1800 census of Rowan County suggests that there were two daughters in the family at that time. One was Mary, but the name of the other is unknown.

In 1830 William T. Tippet appears a single, white male head of household (20-30 years old), but his father does not appear in the census. In 1832, however, both William Tippet, Sr. (he must have been William T. Tippet also) and William Tippet, Jr. appear as free polls residing in Ledge of Rock District of Granville County. The following year, 1833, only William T. and James C. are listed suggesting that William, Sr. had died or passed the taxable age. (1830 Census of Granville County, Granville Co. Lists of Taxables 1832, 1833)

Children of WILLIAM TIPPETT and REBECCA MILLS are:

- i. JAMES C.<sup>3</sup> TIPPETT, d. Abt. 1850.

6. JONATHAN A. (JOHN)<sup>3</sup> TIPPETT III (*JOHN W.*<sup>2</sup>, *JOHN*<sup>1</sup>) was born Abt. 1799 in Granville Co., NC, and died Bef. 1866 in Stewart Co., TN. He married LUCY BEARDEN September 22, 1820 in Granville Co., NC, daughter of BENJAMIN BEARDEN and MARY HARRIS. She was born Abt. 1803, and died Bef. 1877.

Notes for JONATHAN A. (JOHN) TIPPETT III:

On November 7, 1831 John Tippet sold to William Gooch the land he received from his father's estate for \$124. There is no further record of him in Granville Co., NC. He moved to Tennessee, perhaps with his brother James, sometime before 1834. He settled first in Montgomery County, and later moved to Stewart County. John Tippet's name is spelled TIPPETT, TIPPET and TIPPITT in various public records. His descendants have accepted TIPPIT as the correct spelling of the surname.

Records in Tennessee indicate his name to be Jonathan A. Tippit.

John Tippit's grandson, William Agustus Tippit (1879-1976) said that John had another brother. He said, in April 1962, " My father's name was John or Jonathan and his father's name was the same ...They came over the mountains to Clarksville, Tennessee and settled on Macadoo Creek in Cheatham County. He later moved to Cross Creek in Stewart County. My grandfather had a brother who settled in Benton County near Camden, and neither knew where the other was. The brother was Ezekiel Tippit and some of his descendants still live there ..."

Because there is no documented proof, I am not including him as a son of John Tippett, though a record of his descendants is on file.

Tax lists suggest that Jonathan Tippit died between 1865 and 1866.

Children of JONATHAN TIPPETT and LUCY BEARDEN are:

14. i. MARTHA ANN<sup>4</sup> TIPPIT, b. 1822, Granville Co., NC.
15. ii. NANCY TIPPIT, b. July 17, 1827, Granville Co., NC.
16. iii. JOSEPH TIPPIT, b. October 25, 1828, Granville Co., NC; d. November 07, 1883.

Notes for MARION TIPPIT:

Marion Tippit enrolled in the Confederate Army on December 3, 1861. He was assigned to Company H, 49th Regiment of Tennessee. He was captured at the Battle of Fort Donelson on February 15, 1862, and confined as a prisoner of war at Camp Douglas, near Chicago, Illinois. Tippit was admitted to U. S. A. Prison Hospital at Camp Douglas where he died of pneumonia March 3, 1862.

- viii. DOROTHEA (DOLLY) TIPPIT, b. 1842, Stewart Co., TN; m. JAMES SHEPHERD.
- ix. LUCY TIPPIT, b. 1846.

7. WILLIAM T.<sup>3</sup> TIPPETT JR. (*WILLIAM T.<sup>2</sup>, JOHN<sup>1</sup>*) was born July 17, 1805 in Rowan Co., NC, and died April 30, 1861 in Earlington, Hopkins Co., KY (Source: Hopkins Co., KY Cemeteries, Book 5, p. 132.). He married ARENA ADCOCK January 04, 1832 in Granville Co., NC, daughter of GEORGE ADCOCK and ELIZABETH MEADOWS. She was born February 09, 1817 in Granville Co., NC, and died August 03, 1875 in Hopkins Co., KY (Source: Hopkins Co., KY Cemeteries, Book 5, p. 132.).

Notes for WILLIAM T. TIPPETT JR.:

William T. Tippett, Jr. was probably born in Rowan Co., NC, but brought back to Granville County while still a child. His father, William T. Tippett, Sr. is listed in Rowan County in the 1800 census (page 383). He does not appear in the 1810 census of either county, but family association with the Adcocks in Ledge of Rock District, Granville Co., NC and other records suggest that he returned to Granville Co. about 1806 after the early death of his brother Luke. Also living in the Ledge of Rock District was the Adcock family for whom the creek through John Tippett's property was named. (Granville Co. Deed Book P, page 320 and Deed Book Q, page 60)

On January 4, 1832, William T. Tippett married Arena Adcock, daughter of George and Elizabeth Meadows Adcock who had married in December 1809. (Holcomb, GRANVILLE COUNTY

MARRIAGES, pp. 2, 327)

William Tippet was a blacksmith by trade, and for a while enjoyed a fairly prosperous business. By 1845 he was living on an 18 3/4 acre farm he had purchased south of Oxford which included 9 head of cattle, 2 horses, 22 hogs, 12-15 sheep and 4 or 5 bee hives. Household furnishings included 3 beds and bed steds, furniture, 2 chests, 4 tables, 1 cupboard, 1 trunk and a compliment of kitchen furniture. William Tippet and his family joined the Baptist Church of Mt. Zion on the Tar River, where he was named a trustee September 29, 1848. (Granville Co. Deed Book 15, page 540) Blacksmithing proved to be a precarious business, however, and William T. apparently encountered difficulty in collecting fees owed for his services. As a result his own debts mounted, and on August 2, 1845 he was forced to mortgage everything he owned to his brother-in-law, Littleton Adcock. (Granville Co. Deed Book 13, pp. 407, 408)

Shortly afterwards he moved his family to the Goshen area near Grassy Creek in Northern Granville County where he was probably employed in part by James M. Satterwhite, a wealthy planter. Arena worked as a domestic in Satterwhite's household. (See 1850 census of Granville Co., NC microfilm, page 190. Compare visitation order with deed from William T. Tippet to Samuel W. Smith, September 24, 1853 in Deed Book 17, p. 347. See also deed from Tippet to William R. Daniel, October 14, 1867 in Deed Book 19, page 533.)

In 1850 William T. Tippet was either living on Satterwhite's plantation or on land adjoining it. Evidently his blacksmith business had begun to recover and he had arranged to buy 170 acres of land. Elizabeth Meadows Adcock, his mother-in-law, was part of the household at that time, as were 11 of his children. Three additional children were born in 1851, 1853 and 1856. (1850 census of Granville Co., NC microfilm roll, p. 190; 1860 census of Hopkins Co., KY)

Although William T. Tippet had arranged to purchase 170 acres of land, he had completed payment of only one tract of 86 1/2 acres. This is evident by the Deed Book references mentioned above. On October 14, 1857 he sold that land to William R. Daniel for \$560, and moved his family to Hopkins Co., KY. His great-grandson, Otho Wallace Tippet, said they arrived in two wagons pulled by oxen and settled close to Olive Branch Church on the farm now owned by Kedar Buchanan, and later moved to the George Curney place close to the Richard Bailey place. Olive Branch Missionary Church is located on Old Henderson Road, Hanson, Hopkins Co., KY.

The following excerpt appeared in the MADISONVILLE MESSENGER and was written by LeRoy Veazey.

"The forbearers of many of we present members (of Olive Branch Church) came to this immediate area from Granville, Person and Orange Counties, North Carolina in the 1920-1850 era. They traveled by covered wagons not more than 20 miles daily, coming through the Cumberland Gap and requiring approximately six weeks of travel time. Many cherished loved ones, friends and memories were left in North Carolina. Among the treasured memories was the Olive Branch Baptist Church near Virgilina which some had likely helped to organize in 1826. They did not leave their God and faith behind, for according to tradition, worship of the Lord was often in private homes here, and summer revivals were conducted under brush arbors.

"Finally in 1851, no doubt after much prayer, our ancestors resolved to build a house of worship. This they did with yellow poplar logs and likely white oak boards for the roof. If tradition is correct, Mrs. Elizabeth Springfield (William T. Tippet's daughter) requested that the new pride and joy be named Olive Branch in loving memory for the church they had left behind in North Carolina. Her request was granted and that was the beginning of our own dear church in the spring of 1851."

The above date of 1851 for the founding of Olive Branch Church may be questionable if tradition is correct in saying that Elizabeth Tippet Springfield named the church. William T. Tippet and his

family were still in Granville Co., NC in October 1857, and Elizabeth did not marry James Springfield until May 17, 1860 in Hopkins Co., KY.

Notes for CHRISTOPHER COLUMBUS (LUM) CRABTREE:

The following appears on the CREABREE FAMILY ROOTS website at <http://php.indiana.edu/~crabtre/>

The picture on the site's home page is of Elnora Tippett Crabtree and her husband Lum Crabtree and his father William (Billy) Crabtree.

"In the fall of 1861 the war clouds had been billowing over Kentucky for nearly ten months ever South Carolina adopted the Order of Secession and left the Union.

"Many of the young men were already off to the war and others were ready to go as soon as the farm work for the summer was through. That was all they talked about those days. Whether they gathered at the general store, at the blacksmith shop in Slaughtes, or on Sundays (before and after church), at Salem, Antioch or Olive Branch. There was need for haste, too. It was said that the war wouldn't last more than two to six weeks.

"Christopher Columbus Crabtree, better known as "Lum" (short for Columbus) was just shy of twenty-seven years old in October 1861. He had watched many of his friends and neighbors leave home, and others were ready to go. He must have made his way down the dusty, rutted road to Hopkinsville in company with a group of neighbor boys on horseback.

"It was General Alcorn who, on October 9, 1861, enlisted C. C. Crabtree and his friends as privates in Company A, 8th Kentucky Regiment of Mounted Infantry, for the term of one year.

"The camp life wasn't too bad or so Private William H. Brown stated in his first letter home to his father, John S. Brown. He thought that the men ate as well as when they were at home, but they had to cook it themselves, using their tin cups and frying pans. Still, it sure beat "handling tobacco and cutting corn," he said. The principle worry in the camp at that time had been the measles, which caused quite a few deaths.

"The greatest flurry of excitement up to that time came on September 15, 1861 when 5,000 recruits were sent to fortify Bowling Green, setting up a line through Kentucky from the Cumberland Gap in the east, along the south bank of the Green River to Henderson in the west. Many of the men were unarmed and others only had muzzle loading sporting rifles and shotguns along with a sprinkling of flint lock muskets and Belgian muskets.. These were carried until the Battle of Shiloh when better arms were picked from the battlefield. An early Kentucky historian said, "Nearly every man had a big knife from eight inches to two feet long made from big files, buggy springs or wagon tires."

"C. C. Crabtree, William H. Brown and the majority of the 8th Kentucky were captured and sent by train to Camp Morton, a prison camp set up in the sheds and stables of the fairgrounds at Indianapolis, Indiana during the last week of February 1862. They remained there until the last week in August. At this time they were sent to Vicksburg, Mississippi, where they were exchanged for a like number of Union men being held by the Confederates.

"Under better circumstances the returned prisoners would have been granted furloughs to visit their homes and families in order to regain their health after their long confinement. However, it would have been impossible for them to make their way home through a hostile area and then return to Mississippi and their own regiments. Therefore, after a short rest around Vicksburg and Port Hudson, the men returned to service in the area of the Big Black River in an effort to stop Grant from capturing Vicksburg and breaking the Rebel's hold on the Mississippi River.

"On September 22, 1862, Private Lum Crabtree was promoted to 2nd Coporal in the cavalry, which was being used mostly as scouts and hit-and-run attacks. But all was not well within the ranks. Most of the men, including 2nd Col. Crabtree, had signed up for just one year's service. (His records show that he was to serve from October 9, 1861 to October 9, 1862.) With the passage of the Confederate States' Conscription Act, the one-year men were no longer released at the end of their term.

"There is no doubt that by October 1862 Corporal Crabtree was very dissatisfied with his lot and anxious to return home. On November 29, 1862, while camped at Tippah Ford, Mississippi he quit the army and made his way back to Kentucky and Hopkins County. (Hopkins Cpunty, Kentucky Historical Society Yearbook 1977)

"He is listed as a deserter. The Adjutant General's Report on Confederate volunteers was compiled in the early part of the 1900's. At the end of the listing of Company A of the Kentucky 8th Regiment there is a notation that some of the men who enlisted for one year were incorrectly listed as deserted after serving their one-year term.

"In fact the records show that a large number of men from this regiment were listed as deserted on November 29th and December 2nd. So many, in fact, it leads one to believe that they were honorably discharged, and later listed as deserted, perhaps erroneously or because they refused to reenlist for three years. It seems unlikely that such a large number of the company could easily slip through the Confederate lines unchallenged by the sentries.

**8.** LUKE<sup>3</sup> TIPPETT (*THOMAS*<sup>2</sup>, *JOHN*<sup>1</sup>) was born Abt. 1808. He married ELIZABETH (MAIDEN NAME UNKNOWN).

Notes for LUKE TIPPETT:

In 1800 Luke Tippett, Thomas' brother, had five males in his household. Two were born between 1790-1800, one was born between 1755-1774, and one was born 1755 or earlier. In the 1850 census of Davidson County Luke was 42 years old. Therefore, the year of his birth was about 1808 and would not meet the above criteria. for this reason I am showing him to be the son of Thomas who was born between 1774-1784.

In 1840 Luke Tippett's household consisted of 3 males. One was less than 5 years old (born between 1836-1840), John Whitson, one between 5-10 years old (born between 1830-1835), Burrrell W., and one between 30-40 years old (born between 1800-1810), Luke. There were 5 females. One was less than 5 years old, two between 5-10 years old, one between 30-40 years old, and one between 50-60 years old (probably the mother of Luke or Elizabeth). The names of these women has not been determined.

Children of LUKE TIPPETT and ELIZABETH (MAIDEN NAME UNKNOWN) are:

Notes for JONATHAN A. TIPPIT:

John Tippit appears as Jonathan A. Tippit on deed records. His father, John, is also recorded as Jonathan. Information about the descendants of Jonathan A. Tippit and Elizabeth Rorie was provided by their granddaughter, Ruby Tippit Peacher, of Indian Mound, Tennessee.

About her grandmother and her father, William Agustus Tippit, she said, "My grandmother (born in 1839), who lived to be 97 years old, said our Tippits sailed from France to the Netherlands, then to England, then to America because of religious persecution. One tradition is the Tippits landed in Weldon, Canada, came down the St. Lawrence River to the United States. Seven brothers came to America about the same time. My father, who also lived to be 97 (born in 1879), said our family was originally in Maryland, then came to North Carolina and on to Tennessee. Three brothers leaving North Carolina parted at the Tennessee River. Our Jonathan (born in 1799) crossed and made his way to Montgomery County, Tennessee and later to Stewart County.

"When the Civil War began Jonathan and Betsey had several children. When asked to tell what she remembered about it, she would just shake her head. She mde it clear, though, that she was still angry. To her Abraham Lincoln was the cause of it all. It was a very painful time for her and she never got beyond the bitterness to see things clearly. Living so close to the Tennessee-Kentucky border, loyalties of her nearest relatives were divided. Some fought for the Union and others fought for the Confederacy. She said that her Abney relatives freed their slaves long before the war began. The Rories still owned slaves but they were treated well, more like family members. However, one family she knew whipped their slaves so harshly she could hear them screaming even though they lived some distance away.

"Jonathan never enlisted in either army, but his responsibility in the war was supplying food and making bullets for the local troops. This was done in a cave near their home --- chopping out the lead, melting it, and dropping it into a tub of cold water. The drops would solidify and then were whittled to the correct shape. Whenever Jonathan was away, the Indians kept close watch on the house, ready to kill anyone who tried to harm Betsey or her children. Various records seem to indicate that Jonathan's loyalty was for the Union, whereas Betsey, being so against Lincoln, favored the Confederacy. I think this difference of opinion must have been a deep hurt, coupled with the loss of loved ones during the war, and the hard times that followed. Memories of the war were too vivid and probably accounts for her preferring not to talk very much about that difficult time.

"Jonathan farmed and ran a grist mill. Elizabeth, like most women of her time, had a spinning wheel and loom. She made her own cloth for clothes and coverlets for the family. She washed on a wash board, made her lye soap and ironed with old flat irons heated on the stove or at the fireplace. Meals were cooked in the fireplace for many years, until a stove was bought. She had a garden, canned and dried food, made hominy, smoked hams in the smokehouse, ground sausage, and did all the housekeeping chores. She loved flowers and during the summer had beautiful roses, sweet williams, and numerous "old timey" flowers. Betsey also had a garden of herbs behind the smokehouse, and she would make medicines to cure the sickness of her family and neighbors. She would go to anyone in need --- blacks, whites, and the few Indian families who lived nearby."

**18.** WILLIAM D.<sup>4</sup> TIPPETT (*WILLIAM T.*<sup>3</sup>, *WILLIAM T.*<sup>2</sup>, *JOHN*<sup>1</sup>) was born July 12, 1833 in Granville Co., NC, and died September 28, 1868. He married ELIZA ANN HINTON April 02, 1856 in Johnston Co., NC, daughter of ABEL HINTON and CATHERINE WILDER. She was born March 25, 1839 in Johnston Co., NC, and died May 22, 1910 in Johnston Co., NC.

Notes for WILLIAM D. TIPPETT:

His name may have been William Durrell Tippett. Mildred Tucker, Lucinda Tippett Tucker's granddaughter, said her grandmother named her eldest son, William Durrell, after her brother who stayed in North Carolina.

Nothing has been found concerning his early education but his ability to read and write indicate that he must have had some schooling. (1860 census, Johnston Co., NC, p. 261 of the Original Book) On April 12, 1855 he married Eliza Ann Hinton, daughter of Abel and Katherine Wilder Hinton who had married in the early 1830's.

The Hinton family owned land in the vicinity of Clayton and that is where William D. and Eliza Ann were living in 1860. At that time William's personal estate was valued at \$60 and his occupation was "overseer." The area contained numerous men working for the North Carolina Railroad, but whether he was an overseer for railroad labor or for one of the nearby plantations is uncertain. It is quite possible that William came to Johnston County to work for the railroad which was under construction in the 1850's.

Sometime after 1860, perhaps after the Civil War, he moved to Company Shops (now Burlington, NC) where he died on September 28, 1868 at the age of 35. The family's residence in Company Shops undoubtedly means that he was connected in some way to the North Carolina Railroad. Family

tradition maintains that he was an engineer, and his brother-in-law, Jesse Hinton, was a fireman on William's train. However, the research of Dr. Durward Stokes, the foremost authority on the North Carolina Railroad at Company Shops, and an examination of the payroll records of the railroad do not substantiate the claim. Payroll records, however, list only permanent full time employees. If William D. worked on a contractual basis or in a day to day capacity, he would have been paid from a different fund. The present conclusion is that he probably worked for the railroad, but in what capacity remains unknown.

The Alamance County Court appointed Anna Tippet administratrix of Williams's estate after his death. At that time his personal property was valued at \$5 and included the following items: 3 beds and bedding, 1 table, 3 chairs, 1 sofa, 1 bureau, fire irons, 1 double barrel gun, 1 candle stand, 1 clock, 2 tables and tableware. (Alamance County Records, Record of Accounts, 1868, p. 345, State Archives) William D. Tippet owned no real estate in Alamance County, but did own a town lot in Selma, North Carolina at the time of his death. He acquired the lot sometime after 1859, but not from purchase. (Johnston County Records, Estates Papers, W. D. Tippet, 1868, State Archives) He may have inherited it from his father-in-law, Able Hinton, whose property descended to Anna Tippet after the death of her mother, Katherine Wilder Hinton.

When the 1870 census of Alamance County was taken, Eliza Anna Tippet and her family were residents of the Graham Township. On March 27, 1873, Anna Tippet "of the village of Company Shops," was forced to mortgage a 399 acre tract "adjoining the lands of J. W. Hinton, Riley Narron, Elizabeth Bailey and others" which came to her through a division of her mother's estate" to cover a debt of \$169. (Johnston County Deed Book F-3, p. 301) In addition to Anna, the following children were named in the estate settlement: Benjamin W. (15 years old), Joseph W. (12 years old), Charles F. (10 years old), and Elizabeth (7 years old). The Alamance Court appointed John McC. Guy as guardian, but this was for the purpose of providing a legal representative for the minors involved in the sale of William's property. There is no evidence that Guy's appointment was to last until the children reached maturity. In fact, with no estate left to dispose of, and no source of income from the estate, there was no need for a legal guardian.

The tombstones of both William D. and his infant son, James W., can be found in the Friendship Free Will Baptist Church Cemetery in Johnston County. There is a bronze plaque in front of the two headstones indicating that their bodies are interred in Burlington, in the cemetery of Brown's M. E. Church. The church in Burlington was of log construction, built sometime in the early to mid 1800's and discontinued in the early 1900's. A subscription school was opened in the church and later a building was built close to the chapel for a school. When the school was discontinued, the building was moved to Glen Raven and used for a school there. Brown's M. E. Church cemetery, 1317 W. Davis. St., Burlington, NC is in a state of decay.

William D. may have been a Mason since the Masonic emblem is on his tombstone. Also appearing on the stone is the inscription, "This stone was erected by his friends of the N. C. Railroad."

Notes for ELIZA ANN HINTON:

The birthdate on Eliza Ann Hinton Tippet Lee's tombstone is March 25, 1841. However, the 1860 and 1870 census records show she was born in 1839. Evidently this is the correct year of her birth because her sister, Millie Jane, was born May 7, 1841. The 1850 census shows a daughter, Sively, who was 11 years old (born 1839) was a member of the Hinton household. Ten years later in the 1860 census, Sively is absent, but Eliza Ann is 21 years old (born 1839) and a member of the household.

Evidentially they were one and the same. Perhaps "Sivley" was Eliza Ann's nickname in 1850.

After the death of her husband, Eliza Ann ran a boarding house in Company Shops to support her family. The bell used to call the boarders to breakfast each morning is still in the possession of one of her grandsons (one of Bessie's sons). Times were extremely difficult after the Civil War and it soon became necessary for her to return to Johnston County. Circumstances forced her to place the three boys in the Masonic Orphanage in Oxford, North Carolina, but Elizabeth (Bessie) stayed with her.

After the death of her husband, and after moving back to Johnston County, Eliza Ann gave birth to an illegitimate daughter, Fannie Lee Tippet in 1878. She later married the child's father, Albert Lee. He must have died before 1900. (The 1900 Census of Johnston county shows Eliza Ann to be head of her household, and one daughter, Fannie Lee, who was 21 years old at the time.)

Eliza Ann was instrumental in founding Friendship Free Will Baptist Church. The following information was provided by Jacky Raper, Pastor of the church.

In or around the year 1892 a small band of Christian workers decided to organize a church. Led by a very spiritual minded woman, Eliza Lee, the church was founded and began to grow. (NOTE: Eliza Ann Hinton Tippet married Albert Lee sometime before 1888. In that year she and her husband, Albert Lee, were appointed executors of her father's estate.) While faithfully attending services at Pleasant Union Church, Sister Lee demonstrated generous hospitality by regularly inviting the preachers home with her for dinner.

The people of the community decided that worship services in their own local area would be more convenient and desirable. So, the first services of the Free Will Baptist denomination held in this immediate community were in an old one room log cabin school named "Pig Pen Academy." There were eleven charter members of the new church, most of whom were Eliza Ann's immediate family. It was composed of herself, Fannie Lee Tippet (her daughter), Benjamin and Bessie Corbett (Bessie was Eliza's daughter), Charlie and Mayson Tippet (Charlie was her son), Joe and Bett Tippet, Sr. (Joe was her son), Bennett and Catherine Creech Strickland, and the Pastor, John Sasser. The first deacon was a woman, Sister Bett Tippet (Eliza's daughter-in-law). The first preachers were the Reverends John Sasser and Daniel Davis, followed by a number of others, including Pat Lucas, Henry Renfrow, Hardy Boykin, Ruffin Flowers, Ben Tippet (he was Eliza's son), and Billy Anderson.

Even though the facility was small and the pews were boards lying across sawed off blocks of wood, the congregation began to grow rapidly and the "Pig Pen Academy" soon became inadequate to meet the needs of the people. Under the leadership of Sister Lee, a drive to build a new and larger church was begun. The land for the new church was given by Brother and Sister Bennett Strickland. Sister Lee, although she was aged and required the use of a cane, went all over the community soliciting logs for the construction of the new church. When it was completed Sister Eliza Lee gave it the name 'FRIENDSHIP.'

She remained active and interested in the work of the church and its youth. She began the 4th of July picnics which continued for many years. At these picnics the children were given special treats --- wooden tubs filled with ice cold lemonade and boxes of stick candy. Brother Joe Tippet would get up before day break, hitch his horse to a buggy and go to Zebulon to get ice for the lemonade and picnic. Everyone would have a day of fun and enjoyment. Eliza is buried in the church cemetery among her family and relatives.

He married (1) MARY JANE CAUDLE November 29, 1937 in Franklin Co., NC, daughter of GEORGE CAUDLE and MARY CARPENTER. She was born February 27, 1920 in Wake Co., NC, and died October 09, 1961 in Rex Hospital, Raleigh, NC. He married (2) JANICE KELLEY May 18, 1963 in Raleigh, Wake Co., NC, daughter of FRANK KELLEY and DORA WEBSTER. She was born July 14, 1928 in Littleton, MA.

Notes for MARY JANE CAUDLE:

Mary Jane Caudle Tippett was a kind and loving wife and mother. She was one of Jehovah's Witnesses and active in evangelizing the good news of God's Kingdom.

In the summer of 1960 she was diagnosed with cancer, carcinoma of the cervix, and received radiation therapy at North Carolina Memorial Hospital (now UNC Hospitals) in Chapel Hill, North Carolina. It appeared that the treatment had been successful in curing the disease. However, several months later, in early 1961, she developed severe back pain. X-rays and other tests were made, and the diagnosis was metastatic carcinoma of the lungs ("metastatic" meaning that it had developed from malignant tumors in other parts of her body). The family was told that she had a "rare type of terminal lung cancer" that left its victims only a short time to live --- in Mary's case only about six months. Most

likely the radiation was responsible for spreading the disease so quickly.

Mary never feared death. Her studies of the Bible assured her that even though she may die, the resurrection was a sure hope. Her strong faith in this, and the promise of everlasting life in God's New World, sustained her during her months of illness. She often spoke of those blessings to family members and others whom she met. Her funeral was conducted by Charles Sinutko, a traveling Circuit Overseer of Jehovah's Witnesses. Mary Tippet was known and loved by many relatives as well as numerous spiritual brothers and sisters. The large number attending the service and the dozens of floral arrangements gave overwhelming evidence of this.

The Funeral Director of Brown-Wynn Funeral Home on St. Mary's Street in Raleigh said that in all his years of business he had never seen so many people attending a single funeral. "It was the biggest funeral we have ever had," he said.

Children of LUTHER TIPPETT and MARY CAUDLE are:

- i. BOBBY SPRIGHT<sup>8</sup> TIPPETT, b. March 09, 1939, Little River TWP, Wake Co., NC.

Notes for BOBBY SPRIGHT TIPPETT:

On Wednesday morning, February 19, 2003, Bobby had a heart attack and was rushed to WakeMed Hospital by the Garner EMS. It was discovered that he had four blocked arteries and a leaking mitral valve. Immediate surgery was needed.

Bobby was one of Jehovah's Witnesses, though not an active member at the time. Jehovah's Witnesses believe that blood is sacred in the eyes of God, and accepting a blood transfusion is tantamount to "eating" blood, which is forbidden in the Scriptures. (Genesis 9:3, 4; Leviticus 17:11, 13-16; Acts 15:28, 29) In the operating room, the surgeon, Dr. William Helton, asked him, "Mr. Tippet, in a life threatening situation as this is, you will accept blood, won't you?" Bobby stood firm on the issue and refused. He was told, "Then you are going to die. You probably won't survive this operation." His waiting family and friends were told that he had a 10% chance of surviving.

Bobby said he prayed and asked Jehovah to remember that his last decision was in obedience to His law. Immediately, he said, he was completely wrapped in a feeling of warmth and was at complete peace. He was calm and not afraid or anxious in any way, and felt that everything was going to be alright. He is convinced that he experienced first hand "the peace of God that excels all thought" (Philippians 4:6, 7)

The anesthesiologist then said, "Mr. Tippet don't worry about a thing. We're going to take good care of you." He did survive the surgery, and eight hours later was recovering in the cardiac intensive care unit. Six days later he was at home, and six weeks later he was back at work.
