Guarding Powers

1. The guarding powers
that rules above; what knows
how fondly I have loved.
Oh! grant to ease this throbbing
pain, that suffers me
to love in vain.

2. Each day my mind
is filled with fear.
Each night my pillow's wet
With tears. Oh grant that he
Who rules above, May prosper
Those who lonely love.

3. I'm like some lonely.
widow dove. I mourn the
absents of my love.
And in some lone and secret
Place. Ill spend my few
remaining days.

4. It was by his fathers
strict command; He was
forced to leave his native land.
Where I can no more see
his face. No more his loving
form embrace.

5. The day before he went
away. He came to me and
this did say. You must not
grieve for me my dear; your
tears are more than I can
bear.

6. It's oh my souls depressed
with grief; Not one fond friend
to give relief. No soothing
tongue to calm my fear.
No hand to wipe the falling tears.

7. I some times think Ill
doubt no more. When I
reflect on what he swore.
But cruel tears they burst
again and fill my heart
with grief and pain.

8. The deep blue sea may
us divide. and I may be
some others bride. Although
I cannot him forget
I love him and, and I
love him yet.

9. And when our souls
are called from here. to
that bright land where
theres no fear. I have
to meet him on that shore
Where those who meet will
part no more.

SWEET BUNCH OF DAISIES .

=====

Sweet bunch of Daisies,
Oh! how dear to me,
Of times I hear them
Whispering loves dream
To me, murmuring gently in
A silent theme,
Of love's bright morning,
Now one sad sweet dream.

(Chorus)

Sweet bunch of daisies,
Fresh from the dell,
Kiss me once darling,
Daisies won't tell,
Give me your promise,
Oh, Sweet Heart do,
Darling I love you
Will you be true.

Sweet bunch of daisies,
Treasured more than gold,
Brings back to memory,
Those sweet days of old,
When we together roamed
The forest green,
Gathering daisies growing
By the stream.

Following is a transcription of a song written by Pruitt on August 8, 1918. The song is written on (music program?) letterhead from John Tarleton Summer Normal school, Stephenville, Texas, R. F. Holloway, Conductor.

BOYS IN BLUE

It was in an autumn evening; an old man bent with age,
landed in a village, just off the dusty stage.

Is this the express office, I have come to meet my son.
They told me that the train was due in this place at half past one.

You have made a slight mistake sir, would like for you to know.
This is the express office, but not the town depot.

You don't understand me sir, with trembling lips he said,
Not coming as a passenger; He's coming to me dead.

He's coming home to stay. He's coming in a casket sir,
No more to go a stray. Just then a whistle pierced the air.

The express someone cried. And with a feeble bowed down head,
This old man passed outside. A casket in a box was lowered to the ground.

Don't handle him so roughly boys for he's our darling Jack.
He left us as you are just now see how he's coming back.

Often did we write to him, begging him to come back.
I'll tell you it is lonely here, with out our darling Jack.

He has broken his poor mothers heart and brought her mouring true
She told him he would come back dead when he joined the boys in blue.

(Chorus)

Well he joined those boys in blue lads and went off to the war.
Away from his dear mother, away from home so far.

He has broken his poor mothers heart and mine is broken too.
We told him he would come back dead
When he joined those boys in blue.

Sisters House Keeping

"1"

Say Mr. Graves, Sis is our house-keeper now-a-day's - thats why she can't come down yet.
You see ma had to go over to Aunt Jenny's, an she's goin: to come home to morrow but you bet you I'll be awfully sorry - I mean for her, when she has to clean up after Sis -
You see Sis has alles had so much work like reading and posy sewing to do. that I never saw her in the kitchen much of any before.
I tell you when ma went away the bread went too, awful quick, and Pa said we'd better buy some, but Sis said something a bout beeing time to learn something of the kind -- likely to be useful.
Then she kinder giggled - I don't see why - do you?

Well she made the bread but she - nor any of us didn't eat it, she gave me a nickel to carry it off so far she'd never see it again.

"2"

and I tuk it a loaf at a time in my cart. and then busted a wheel off. the stuff was so heavy. -
we had some first-class-biscuits one day, you'd better believe - she told me she was going to make some cream cookies, but she forgot to put in any sugar so dad said we might put some butter on im and call im biscuits.
The pie was worst tho.

You see there was a lot of fractions for the book told what to use for six pies and two crusts for a pie, well, Sis, wanted to make two chockolate pies, and they need only one crust each, so she got me to get my slate an pencil and do the figuring, and, and what do you think I forgot to invert my divisor and multiplied it by six, and we had crusts for 36 pies. Yes 36. - I found out it was my mistake when I looked over the work next day - but you bet I never told Sis.

"3"

The crust was good tho, and I ate it with lasses on it and it beat bread all to pieces, that's why I like Sis

cooking. I aint been right hungry
at meal times since ma left.
cause there's all ways something of her
cooking that I can't have for I can't most
allways eat it. cept the bread and puddin,
But there I have Sis coming an I can't
tell you nor the other things, cause she
told me not to tell folks, - but you are
so near one of he family, its all right
aint it? - and say - , I'd advise you
not to notice her red face and
blistered hands, for she told Ben Brown
last night she enjoyed house keeping
very much and thought it must be
nice to cook for just two - and -
but I must go. -

Hello Sis Mr. Graves had to wait an
awful long time, but he don't mind.
for we have been sharing such

"4"

a good time visit - say can I
have the rest of that frosting
now?
You can't put it on that burned
cake can you?

CHALK MOUNTAIN - If you blink your eyes, you'll miss Lodge No. 894. But, even if you see it,

October 16, 2004

you'll probably think it's not used anymore.

It is... barely, It's wedged inside the upstairs of an old wooden frame building. That's why you'll probably doubt that the lodge exists. The building looks more like a monument of yesterdays fading into time than the home of a lodge.

"Ha. Ha. Yeah, most people think it's an oddity when they see it (the lodge building). I guess I would too if I weren't so used to seeing it. But it would be an oddity to me if it weren't there," says Roy Underwood, on of the members.

Underwood, who at 78 says he quite paying attention to his age when he realized he wasn't getting any younger, says his uncle built the building.

"When he was building it, they wanted to put a lodge on top and that was fine with Uncle Jim because from the top on up was what cost the most to build," he says.

So the upstairs became the lodge. Downstairs was his uncle's store in Chalk Mountain, which today is little more than a memory on Highway 67 in the eastern part of Erath Co.

Underwood, whose house is a short distance from the lodge, grins as he recalls what the store was like.

"That's where I stole my first candy. Me and my cousin would come over here and sometimes when my uncle would leave to make the rounds of the city, we would fill our pockets with candy," he says. He laughs and begins leading the way to the lodge.

A pile of tops from cedar trees, thick and green, are burning in a nearby rock grate. The smoke and smell is heavy... as Underwood talks about Chalk Mountain.

"This town, oh it was like all the other little bergs. It was serving a purpose. Then the Model T came and it took the people to towns and these little bergs dried up."

He is on the steps leading upstairs. Below is the part that used to be the store. Large telephone pole braces are holding up the floor.

Underwood pauses a moment. He is chewing tobacco. He has the country man's hands -- cracked, li8ned, thick and strong. One feels he could almost twist the padlock off if he wants to.

He says the land on which he is standing was owned by his grandfather, a Civil War veteran. He came home from the war with two wounds but lived to be quite old.

Underwood opens the old door, flicks on a light switch and leads the way upstairs. The steps are in good condition, but creak with age.

"How many members... Hell, I don't know, really. I think we have about 30", Underwood says.

He's upstairs now where the members meet once a month, or when the moon is full.

The wooden walls have remnants of what apparently was once bright wall paper. It's torn and hanging in strips. The ceiling is wooden and there's an old wood stove for heat. Some of the windows are broken.

Sitting near the chairs are several coffee cans that are used for spittoons. Underwood scores a bullseye in one with his dark stream of tobacco juice. There is a certificate hanging on the wall. It says the lodge was chartered on Dec. 8, 1904.

Underwood puts on an old top hat. He looks like a movie character actor as he walks around wearing the hat. His deep, brown colored eyes are dancing in the fading light.

A bee is trying frantically to find its way outside of one of the window panes. Dirt daubers have made nests on the ceilings and on some of the walls.

"Oh, I enjoy this lodge. I know all of the members and I usually know who will be here. Lots of times, since this thing has become such an antique, we have more visitors than we do members in attendance. I guess they get a kick out of the antiquity," Underwood says.

He leads the way outside. The padlock snaps loudly. Underwood stands back and looks at the old building.

"Yes sir, I would really miss this place," he says.

The wind catches his words and carries them down to some cedar brakes edging out from the nearby pocket of hills.

A full moon is just coming up. It looks like a pocket of chalk dust framed in slow motion camera action.

When the members step outside their houses tonight and look at the moon, they'll know it will soon be meeting time.

Notes for LETA PARHAM:

Letter from Leta (Parham) Underwood to Daniel Pruitt Underwood, dated July 23, 1989

Dear Danny, Chris & Heather,

I was so glad to get your letter, and ment to answer it at once but had a few little problems like breaking a bone in my foot and crushing a bone in my back, but am doing O.K. now.

Yes I am still active in the Eastern Star, I was in Houston to Grand Chapter from 27 to the 30 of last October, we stayed in the astrovillage complex, we left on Sunday morning, and the Oilers were having a game there that day.. I would have called you if I had known how to get in touch with you, now as to the Underwoods. They are all dead except Vera, she is still in Lubbock. Patsy and Dorothy was here at my house Saturday - I let them read your letter and they was glad to here from you too, Dorothy lives some where near Lubbock. Flo, Etta Rush and I are the only in laws living. Flo is still at the ranch, Rush is in Tolar, Etta is in Imperial Beach CA.

I have a very comfortable place here in Stephenville. I have a Boy Friend (he is hardly a 'boy' friend) any way, He would like to have a look real bad, but, I am a little hesitant to take on the job. He is real nice and we have a lot of fun, and I like it like that. I went with him a few times before Roy and I married, and he and his wife were real good friends of Roy & I.

I still have my place in Chalk Mountain, am going to sell it. Have had trouble getting the Masons off of it, and no one wanted them there, but they have moved now.

The old Underwood place is up for sale again. Property is not selling very good right now.

Does Katherine still live in Baytown. Tell her Hello.

Vera may be in Houston now, Dorothy said that she had gone to Houston to visit Velma Gold Smith, I think she was one of Dennis' old girl friends.

I think you have a very nice family, and if your wife is as good as she look she is O.K. she is real pretty and so is Kristen is pretty too. I am glad she is doing O.K. now, and that you and yours are doing well and are truly happy.

Guess I had better call it a day. If you are ever in Stephenville drop by to see me.

I was at Eastern Star the night you called I go to Eastern Star on Thursday nights and am hardly ever home on Saturday night.

Yes my tel. no. is 817-968-6428 sorry you missed me.

Love to all,
Leta

The following graves are next to the above 3, but outside of the stone curb (Somervell Co., Tx cemetery book, pg. 177):

KNIGHT, Infant, son of Frances & Bill KNIGHT

KNIGHT, Infant, son of Frances & Bill KNIGHT (another son... not duplicate of above)

KNIGHT, William Luther, Military Marker: TEXAS PVT 165 DEPOT BRIG. Only one date on stone: Feb 17, 1937 (death date I think)

KNIGHT, Frances (KIMMEL) (UNDERWOOD), b. Aug 2, 1903, d. Feb 13, 1961. This is OUR CONNECTION. Frances was married first to Emmet Alexander Underwood who is a first cousin, once removed to my husband, Daniel Pruitt Underwood. Emmet also married Juleth Elizabeth Kimmel, but I have no date for the marriage.

SPECULATION: Since Emmet did not die until 1969 (buried Brooks Cem., Somervell Co., Texas) I assume that he and Frances divorced shortly after having their first child, Johnnie Rachel Underwood. Frances (Kimmel)(Underwood) KNIGHT is buried next to Johnnie Rachel (Underwood) SPENCER's husband, Thurmand Ray SPENCER, then next is buried Billye (KNIGHT) and Claude Edwin Mc Afee. From dates in the book, as well as those from my database, it looks like this: Frances Kimmel m. Emmett Alexander Underwood bet. 1921-1922, they had Johnnie Rachel, b. January 17, 1923. They divorced about 1925, and Frances (KIMMEL) Underwood m. William "Bill" Luther KNIGHT. Frances and Bill had at least two sons who died as infants (pg. 177) and a daughter, Billye b. Sept 1, 1926, d. Oct. 2, 1993. Billye m. Claude Edwin McAfee, b. Dec. 28, 1919 and d. May 5, 1983. (From my database).

1.

Mr. Prewett Underwood

Dear brother - :

Will and your letter, which was received some time ago it was the cutist letter you ever did write Miss Susie and all my teachers just bragged on it. Lizzie that is my chum, she brought her letter over for me to read that was from her little brother just 12 years old. and I read it and then got yours for her to read. and yours was so much the best. I could'nt hardly make her believe that you was just 12 years old.

2.

I wish you and Aubrey could be up here to attend the little boys debating society. it is just fine for them.

Prewett the other day last monday, Cora and I went up to the college to study one eve and we thought there wasn't a sole in the whole college. and we went up in the up stairs and went to studing. and all at once there was a noise in another room and we just decided to see what it was. Cora went to the door, and Harve

was in there. but he had
pulled off the table cloth

3.

and had it all over him
and come a running
to ward us. I never
was scared so bad in
my life I dont think I was then
why I ws down the stairs and half
way home before I found
out what it was.

Cora was a coming right
be hind me. we were both
a screaming to the top of
our voices. Harve couldn't
make us stop.

Well tell Stella I will write
her soon - you must
write me a gain -
from your Sister Eula

Notes for STELLA MAE UNDERWOOD:

The following is a transcription of a 7 page, handwritten account written by Stella. The original document is undated. All misspellings are as per the original document. If the account is based on fact, then the "baby" must refer to Dennis "Dugie" Underwood, since he was the last boy born to the family and was 10 years younger than Stella. I doubt that Stella would have been thinking about football games, left with the child, or writing cursive sooner than that. The account may or may not be true, but it sure is funny!

Our Babby

=1

I never could see the use of babies.

We have one at our house that belongs to my mother, and she thinks every thing of it.

I can't see any thing wonderful about it. all it can do is to cry, and pull hair and kick.

It hasn't half the sense of my dog, and can't even chase a cat. Mother and Sue wouldn't have a dog in the house, but they are always going on about the baby, and saying "Isn't it perfectly sweet!"

The worst thing about a baby is that you're expected to take care of him, and then you get scolded after-ward.

=2=

Folks say. Here, Jimmie, just hold the baby a minute, that's a good boy; and then as soon as you have got it, they say:

"Don't do that, just look at him
That boy will kill the child!
Hold it up straight, you good-for-nothing little wretch.

It's pretty hard to do your best and then be scolded for it, but that is the way boys are treated. perhaps when I'm big, folks will wish they had done differently. Last Saturday mother and Sue went to make a call, and told me to stay at home and take care of

=3=

the baby. there was a football match on, but what did they care for that? They didn't want to go to it, and so it made no difference whether I went to it or not. They said they would be gone only a little while and if the baby waked up

October 16, 2004

I was to play with it and keep
it from crying, and "be sure
and not let it swallow any pins."
Of course, I had to do it. The baby
was sound a sleep whin They
went out, so I left it just
a fiew minutes while I went
to see if there was any cake
in the pantry.
If I was a woman I wouldn't be

=4=

so dreadfully suspicious as
to keep everything locked up.
When I got back up-stairs
again the baby was a wake,
and was howling as if he was
full of pins. So I gave him
the first thing that came handy
to keep him quiet, it happen-
ed to be a bottle of polish,
with a sponge on the end of a
wire tht Sue used to black
her boots, because girls are
too lazy to use the regular black-
ing brush. The baby stopped
crying as soon as I gave him
the bottle, and I sat down to
to read a paper. The next
time I looked at him he'd got out the

=5=

sponge, and about half of his
face was jet black. This was
a nice fix, for I knew nothing
could get the black off his face,
and when mother came home
she would say the baby was spoiled
and I had done it.
Now I think an all-black baby is
ever so much more stylish than
an all-white baby, and whin
I saw the baby was partly
black I made up my mind that
if I blackened it all over it
would be worth more than ever
had been, and perhaps mother
would be ever so much pleased.
So I hurried up and gave it
a good coat of black.

=6=

You should have seen how
that baby shined! The polish
dried as soon as it was put on,
and I had just time to get baby
dressed a gain whin mother
and Sue came in.
I wouldn't lower myself to repeat
their unkind language.
When you've been called a murdering

little villain and an unnatural
sun it will rankle in your
heart for ages. After what they
said to me I didn't even
seem to mind a bout father,
but wint up-stairs with him
almoste as if I was going to
church, or something that
diden't hurt much.

=7=

The baby is beautiful and shiny,
though the doctors say it will
wear off in a few weeks. Nobody
shows any gratitude for all
the trouble I took, and I can asure
you it isen't easy to black
a baby without getting it
into its eyes and hair.
I sometimes think it is
hardly worth while to live
in this cold and unfeeling
world.

Your sister,
Stella

Notes for ANNIE KATHERINE MORELAND:

Annie Katherine "Katherine" Moreland was raised from a young age by Eugenia (Stokes) Moreland, her step-mother and James McMinn Moreland, her natural father. Eugenia had a laundry in Pascagoula, Mississippi; J. M. Moreland worked in a clothing store, haber dasher.

Katherine went to live with Marie "Mamie" Thompson when (?) in her late teens. She took the name Thompson, and that is how she was listed in the Childress, Texas high school annual.

Katherine first married Ira Partain whom she had attended school with. Katherine and Ira had one daughter, Kay Ellen (adopted by Dennis Underwood and listed as Kay Ellen Underwood in this database).

Katherine next married Dennis Underwood on 31 Aug 1941 in the First Presbyterian Church of Dallas, Texas. At some point (early 1940s?) they lived in Freeport, Brazoria Co., Texas. Dennis, a printer by trade, worked for The Freeport Facts, a local newspaper. In 1943 they moved to the tri-city area (Baytown, Goose Creek and Pelly, Texas). There, Dennis and Katherine lived out there lives, having four more children: Norman Philip (only lived one day), Daniel Pruitt, Dennis "Buddy" and Max Stephen "Steve" Underwood. Dennis retired from work for the Tri-Cities Sun (later the Baytown Sun) the local newspaper.

Baytown, Goose Creek and Pelly incorporated into one city, Baytown, in 1947.

Suzy, got the doggie helper today. Thanks - that was really sweet of you. Jake is doing much better this week - so we have a reprieve for now, and if he starts going down in the street we have our little blue helper. Bless his heart he's just sooooo old, but full of spirit and is certainly trying to persevere.

I scanned a photo (.jpg file) of my dad's family & tried to send it a few times on Saturday, just to see if it would work, and sure enough -- it didn't. I'm going to copy below the letter I had written along with it. Thanks again...Charlotte

Original message -- tried to send Saturday a.m.

OK - this is the 3rd try to send this message - it keeps telling me symantec is scanning and will not allow me to send.....

Hi Cousins,

Just playing around this a.m. and thought I'd see if this will transmit. I just scanned this photo & gave it some annotations. circa - 1942-1943???

Some interesting facts (?) hopefully - one very interesting about my parents.....

1. Rex Fredrick Carver (m. Alice Selby) - children: a. Richard Rex (deceased) m. Mary Frances Bloodworth (OKC, OK) - children Tim (deceased) Mike (living in Tennessee - I can get in touch w/him to get more information) & Thaylia Ann Carver-Fisk - b. 1942 (living in assisted living in Bradenton, Florida)
2. Selma Irene Carver (m. A.J. Rush)
3. Sidney Madison Carver, Jr. b. 10/2/1923 d. 6/14/1978 (Pete was not his legal name as far as I know) also very interesting - can find no marriage records for he & my mother - no mention was ever made of their marriage & I asked about it a couple of times when I was older and prior to her alzheimer's - she always just said they got married in June - but told me in Shamrock, Texas - always changed the subject-- I've checked county records and also in Wheeler County Texas -- nothing on record - so they may have never married (good one - considering it was in the 1940's) (Iris Loree Warner b. 3/18/1924 Brinkman, Oklahoma, Greer County to James Bogan Warner and Bertie Lee Samples-Warner) my mother is living) children: Charlotte Cathryn Carver b. 3/1/1945 Granite, Oklahoma, Greer County, Linda Rae Carver-Davidson, b. 9/2/1949 Sayre, Oklahoma m. Jimmy Steve Davidson 7/15/1967 Sylvia Irene Carver b. 7/6/1953 Sayre, Oklahoma, Rodney Glenn Carver b. 11/9/1962 Sayre, Oklahoma m. 8/1994 to Carol Jean Evans b. July 30, 1967 children Sydney Paige Carver b. 7/10/1997, Elk City, Oklahoma Beckham County, Rex Greer Carver b. 3/9/2001, Elk City, Oklahoma Beckham County
4. Sidney Madison Carver, Sr.
5. Eula Lee Underwood-Carver

I will put all this info in a tree when I have more time.

Let me know if the photo worked. I will get some good copies of various photos made at WalMart when I get some time and get them to you.

Charlotte

P.S. Jake the dog is getting better - think he just had a stroke.

She married THOMAS WINFORD "TOMMY" KEMP September 11, 1948, son of THOMAS KEMP and GENA PALMER. He was born March 03, 1925, and died December 2003.

Notes for LOIS MARIE TYLER:

Letter (notes) from Lois Marie (Tyler) Kemp to Daniel Pruitt Underwood - May 2002

Zelna, Howard's daughter (Norman Howard Underwood went simply by Howard), would know more about her mom (referring to Lora Lee Unknown who married Norman Howard). Her brother and mother died at childbirth (January 1928 - some sources say that Lora Lee died of appendicitis shortly after childbirth). Zelna lived with Norman P & Lela until she was to go into high school. Moved to Houston with her dad (Howard).

My mother talked of Rosamond Bull as she stayed with NP & Lela some. We took Aunt Vera to see where Rosamond was buried on the Canadian river in Okla. 1989. Looked like indians could appear. We missed road to Bull house - S & E of Higgins in Okla. I noticed in write up (referring to the FTM report we sent to her for her comments) where Uncle Pruitt married Mary Louise (Kitty). Uncle Pruitt wnet with a Kitty Bozin for way over 15 years. She was a Methodist he a Church of Christ - set in their ways. So I'm not sure how Kitty's name got into the write up. Charles E. (referring to Charles Edward Flowers) might know Mary L.'s last name.

Heard this story many times from Mother, Stella & N.P.U. Also in last 10. Spencer (referring to Johnnie Underwood Spencer) - Glen Rose says its in the old history book. Fetna Bean's mother was captured by indians. A lady Chief saved her from getting killed. Taught indians how to cook & turned her loose after yr. Mother & NP always said that she escaped.

Aunt Eula & Stella played piano some. Rest played violin. Not sure about Pruitt & Dennis. Vera played some piano. Eva none. Uncle Aubrey & Aunt Etta (Burns) children:

Sylvia Underwood & Mannie Stames - children Tom & Mike - family lived in Imperial Beach, CA
Loreta Underwood & Ralph Stark had 6 children. One was named Loyd - family live in Lakeside, CA.

I first saw the light of day in Lillie Duke Hospital on Wednesday, January 2, 1946. The first person to handle me was Dr. Gordon Lillie. That was in the wintertime fifteen years ago. A few days later I had my first ambulance ride to 722 East Aron where I live until I was six years old. While I lived there I saw my first snowfall.

My paternal great grandparents were Jacob and Mary Underwood, both born in 1827. Jacob died in 1904 and Mary died in 1902. He was from Marion County, Alabama and was a teamster in the Civil War. [stricken: He was the first member of the Teamster's Union.] My other great grandparents on my father's side were Lee and Mary Howard. He was a private in the Civil War under General Hood.

My maternal great grandparents were Mr. and Mrs. James Edmond Moreland from Oxford, Mississippi. My other great grandparents were William Barnes and Mattie Rawlings.

Page 2

My paternal grandparents were Norman Pruitt and Lela Bell Underwood.

My maternal grandfather was James McManus Moreland. My grandmother is Mrs. Marie Barnes Moreland. My grandfather was a drunkard.

My mother is Mrs. Annie Katherine Underwood. My father is Mr. Dennis Underwood. I have one sister Kay Ellen, born November 14, 1935. I have two brothers Dennis, born August 10, 1947 and Stephen, born October 28, 1951.

My father and mother met in Childress, Texas. My mother worked in a store and my father worked on the newspaper there. They met in a drugstore. My mother and father went to Dallas, Texas to get married. They were married November 28, 1931, in the Tenth Street Presbyterian Church there.

All of our immediate family are members of the First Presbyterian Church of Baytown.

My father started working on the Childress Post in 1924, when the Post consolidated with the Index he worked on

Page 3

that paper too. He worked on newspapers in Childress for sixteen years. Mother and Father and Kay Ellen moved to Baytown in 1944. He worked on the Baytown Sun, here He has worked as an intertype operator for the Baytown sun for seventeen years.

My brother, Dennis, goes skating, to the movies, and to Westminster Fellowship, a youth organization of the Presbyterian Church.

My littlest brother, Stephen, is a Cub Scout.

My whole family likes to go swimming. I like to build models, go swimming, go to the movies, I collect coins & enjoy good [stricken: reading] books. I like to listen to the radio, and television. I like to go to Westminster Fellowship.

My father likes to play golf and so does my brother Dennis and me.

My mother likes to cook and she also collects stamps.

My mother taught me to love to read and to love books. Both my parents have influenced me in attendance in Sunday school and Church, and last year I join the

Page 4

Presbyterian Church. All my school teacher, from elementary on up, have influenced my life in some way.

[Stricken: I am an average, normal, healthy, fifteen year old boy.]

When I was much younger I was a laughing, happy child. I had lots of friends among our neighbors.

When the older boys played football they dressed me in a pair of football pads and helmet and let me be the mascot. It was one of the times when I was playing with the older boys that my collar bone was broken. I was three years old and that is the only time I have had a broken bone.

I was taken to Memorial Hospital, which was very new at that time and had to wear a brace for several weeks.

When I was four it snowed. It was the first time I had ever seen snow. I enjoyed it very much.

When I was five I had the red measles, and was very sick. Nothing spectacular happened when I was five.

When I was six we moved because

Page 5

mother was going to have a baby and we need more room. We moved to 1202 Jefferson St. Also when I was six I had the mumps. I started school [In margin: At Asbel Smith] when I was six and my first teacher was Mrs. Felix Hatchell. She was a very great influence in my life because she was my very first teacher.

When I was seven and in the second grade I had Mrs. Maxine Mudd for a teacher. Also in the second grade I had my first fight with a kid named John. We got free polio shots in the second grade.

When I was eight and in the third grade I had Mrs. John Gibbs. I started in the Cub Scouts. Mrs. Jerry Poutra was my Den Mother.

When I was nine and in the fourth grade Mrs. Effie Linder was my teacher. In the fourth grade we changed Den Mothers to Mrs. Edel Schickman.

Mrs. Virginia West was my fifth grade teacher. Mrs. Troy Casey was my sixth grade teacher.

Mrs. Shanks was my seventh grade teacher. She influenced me very much because she was my

first junior high teacher.

Page 6

Mrs. Shanks made the seventh grade very pleasant for me.

My eight grade teacher was Mrs. Cornelia Grant. Mrs. Grant was a wonderful teacher. She taught me a great deal. During the later part of the eight grade I got very drowsy and listless and my glands swelled. I went to the doctor and had blood tests run on me. Dr. Shays thought I had leukemias. It turned out that I had mono nucleosis. Mono nucleosis is a bad case of tired blood. I had to stay in bed for three weeks. Mrs. Grant brought me homework and assignments. I also got get well cards from me class and Mrs. Grant.

At the end of the eight grade my mother and I had a conference with Mr. Perkins to find out what I was to take in the ninth grade. I took Algebra I, gym, shop, english from Mrs. Stant, Latin from Mrs. Ammons, typing, and history, which I am taking to this day.

[Striken: I am an average, normal, happy, healthy, fifteen year old boy.]

I plan to go to college and become an M. D. I have yet to decide what college

Page 7

I want to attend. But I do know that I am going to go two years at Lee College.

My home is a six room frame building. The lot where my house stands is seventy by one hundred fifty feet. My home consists of kitchen, separate dining room, living room and three bedrooms. I have lived in this house at 1202 Jefferson since I was six years old.
