Death of Mrs. Maria E. Baker

Mrs. Maria E. Baker, died at the home of her son, Mr. L.L. Baker, Sunday morning, July 29th, 1917, after an illness of two weeks. The best medical attention was given her and a trained nurse was in attendance, and while the disease that was the cause of her illness was checked, yet the frailty of old age could not overcome the ravages of sickness and the exhausting effect of the weather.

Mrs. Baker leaves her husband. Mr. Alpheus Baker, now in his nineties, and five living children. She was a daughter of Adolphus Jones and Margaret Chandler-Jones and was seventy-five years old last May. In early womanhood she united with the Methodist church and at the time of her death was a member of Wells Church. She loved home and family and domestic work always appealed to her more than the demands of society, hence her life was spent amid the surroundings that were dear to her heart. For the past sixteen years she and her aged husband had made their home with their son, Mr. L.L. Baker, whose great pleasure it has been to see that the evening of their lives was one of gladness and quiet rest, and that nothing was lacking for their comfort. The death of this aged mother is the first death in the family for fifty years, except in infancy.

The body was taken to Hepsibah Monday morning and buried. The funeral was

conducted by the pastor of Wells Church. Rev. F.L. Glennan., assisted by the Rev. R.C. Morrison and Rev. M.M. Benson.

Dated 8-2-17

44. William James⁴ Jones (Frances A.³, Ludolphus Brittian², William Brittian¹) was born July 31, 1854 in Sumter District, SC., and died December 08, 1939 in At The home of Vernie & Ethel Watts. He married **(2) Margaret Mathis** 1880, daughter of John Mathis and Eliza Bell. She died 1881.

Notes for William James Jones:

William James Jones was born in Sumter County, SC. on July 31, 1854. His parents were Francis A. Jones and Sarah Elizabeth Baker. He married his first wife Maggie Mathis in 1880 and she died in 1881. In 1883 he married Mary Anna (Mamie) Josey. They were known to family and friends as Willie and Mamie. Mary Anna was born in Lee County on July 21, 1866. Her parents were George Lafayette Josey and Alice Jeanette Smith

Willie and Mamie had 10 children. They lived all of their life in Sumter County and he was a farmer. In 1928 when he was 74 and she was 62, they came to live with us in our little house near Oswego, SC. Granddaddy was a soft spoken, kind, and gentle man and he and our father Vernie Parnell Watts held each other in close friendship and respect. Granddaddy was a big help to Daddy, doing many of the chores that are required in keeping a farm running. They both loved to fish and spent many happy times doing this. He and Bo also fished together and he helped Bo build bird traps. Once, when they caught a bird, he dressed it and I was allowed to roast it in my "Mary Lou" aluminum roasting pot, (Toy Sized)

He picked cotton with us, and one day he left his sack to go to the house, probably for water, and Bo and I decided to fill our sacks from his, but soon we saw him returning and were very quick to put back what we had taken. But somehow, we knew, he would only see the humor of our behavior.

Granddaddy had a toy, it was a monkey on a stick that when shifted up and down would cause the monkey to do flip-flops. Also in their trunk they had Ruby Leona's hair which was long and thick and lustrous and dark brown. They had cut it when she was ill with influenza and died in 1917 at the age of 14. I wonder who has it now--also the monkey.

Grandmother often entertained us time and again through those years with the story of her family's trip to Arkansas when she was 5 years old. They went by wagon train to pioneer a

farm. Unfortunately, her father died and also one of her siblings and her mother could not manage to carry on with several children to care for. Great grandmother brother rode a horse from South Carolina to bring all of them back to SC. It would have been so nice if some of them had written their experiences.

Grandmother & Granddaddy helped mother during the busy canning season, and in the winter Bo and I had the usual childhood deceases she always had a remedy at hand. Some of which we were not happy about, however they usually worked. She spent hours piecing quilts from scraps of material she and mother used to make our clothes. I was sixteen before I had a "bought" dress. When I completed elementary school she and mother made me a beautiful dress of blue organdy--ruffles from waist to hem, edged in pink. They made me stand on the way to school in the car so that I wouldn't wrinkle.

They lived with us some of the time, when we were away from Oswego for 2 years, living in an old large house near Mayesville, SC. to manage a farm for Mr. Jim Mayes. The stairs in that house were difficult for them and so they lived elsewhere most of the time. We returned to our house near Oswego in late 1938 and they returned to live with us. I remember when Granddaddy got out of the car he was crying and pleaded that he would never have to leave our house again. He was 85 years old at that time and was with us for about another year, until he died on December 8, 1939. (prepared by Colzie Mae Watts Britt)

This is a copy of a note, written by Leila Jones the eldest daughter of Willie and Mamie Jones, found with a pair of white knitted socks:
("This is a pair of socks knit by Grand Daddy Jones first wife Maggie Mathis in 1880. She died in 1881 just one year after they were married. In 1883 he married Mary Anna Josey. This is written by their daughter Leila Jones Peebles in 1965")

Notes for Stenza Lee Pait:
[Jones01.GED]

Stenza Lee Pait was the daughter of Hayes Bascom Pait and Ida Maria Thompson. She was born in the Center Road Community "Pait Town" of Bladen County. Her father was a Tobacco farmer and Saw Mill owner and Stenza grew up in this rural setting. After graduating from Bladenboro High School in June of 1950 she attended The National School Of Commerce in Charlotte, NC. where she recieved a diploma in Stenography. Her first employment was with EBASCO Services, Inc. in Lumberton, NC. where they were building a Steam/Electric Generating plant for Carolina Power and Light Co. There she met and fell in love with Alton J. "Bo" Watts who was employed with Carolina Power and Light Co. They were married on August 10, 1952 and enjoyed 43 years of happy married life before she died with Colalrectal Cancer on March 31, 1996.

In January of 1995 she was hospitalized in Asheville, NC. with cancer. During this stay in the hospital the Doctors told the family that she would not live through the night. She fooled them and lived for another 14 months. Her 12 year old grand son, Justin Watts McCormick whom she adored and he dearly loved his "MeMa" wrote a brief story about his "MeMa" and it goes like this:

" My Hero"

"My Mema has always been one of the most important people in my life. She has taught me lots of things. She always loves me and gives me things and never ask for anything. When my parents are mad at me, Mema always reminds me of how important I am and how proud she is of me. My Mema is the strongest and bravest person I know. She has been sick so long but she never quits and she is a fighter. She almost died last February. When my Papa told her she was dying she rebelled. She wasn't about to quit on life. She gathered all her strength and determination and pulled herself through. I truly admire her strength. My Mema loves me no matter what. She always thinks of other people. She taught me that you can do the impossible if you try hard enough. I love my Mema. She is my Hero."
