23. There is a discrepancy in Caroline's birth date. According to her christenings she would have been born in 1848. When she married in 1866 her age was 18 (ie b 1848). In the 1871 census her age was 23 (ie also b 1848). In the 1881 census her age was 30 (ie b 1851). In the 1901 census her age is 49 and birthdate 21 Dec 1851. I believe it is much more likely that she was born 21 Dec 1848. Alfred age 1.
