--The wife of Rev. T.O. Webb, of Trenton, Tenn., died Jan. 13. Mr. and Mrs. Webb had only lately moved to their new field from OmeGeorgia. Our tenderest sympathies are with the sorrowing husband and family. Rev. B. Wrenn Webb, now in Chicago University, is a son of the deceased.

[Source: The Cumberland Presbyterian, January 21, 1897, page 943]

"Mrs. Webb, wife of Rev. T.O. Webb, died at their home in South Trenton Wednesday. Funeral services were held at the C.P. church Thursday by Rev. W.G. Leonard, of Dyer. Mrs. Webb had been a citizen of Trenton but a short time, but to know her was but to love her. The Journal extends sympathies to the bereaved family.

"Brother Webb married the daughter of UNorth Carolinale Peter Wrenn, the Abraham of Hickman County, Tennessee. She was a splendid woman, and Brother Webb had a model home; one of culture and refinement, and so out of this home has gone our Brother Wren Webb, of Texas."

"Webb.--The Rev. Thomas Oliver Webb was one of the first preachers I ever knew. Uncle James A. Parish was the first.

When Brother Webb was a young man my father's house was his home when he chose to make it such. Brother Webb, John A. Dunlop, Bob Dunlop and Mathew M. Mass, all young ministers of the old Ahorlott [sic: Charlotte] Presbytery, found a welcome at my father's house. My mother said she would show more favors to Brother Webb because he needed more encouragement and sympathy than the others. She said he had the elements of a great man in him. I remember he went away and was gone for some years. I think it was during the civil war. I recall the day he returned. Dr. M.V. Turner had returned from the army and was at our house. My father was on his death bed. We were all so glad to see Brother Webb. I remember how he had grown in tenderness and sympathy. I recall how earnestly and tenderly he prayed in our house on that day. The war soon closed after this day. My father died. The struggle began in our broken up home. Brother Webb made it a point to come and see us and brag on us boys and speak words of encouragement to our heartbroken and fortune-broken family. He was present when I put myself under the care of the presbytery as a candidate for the ministry. After the presbytery had a recess Brother Webb took me to one side and told me that he and my mother had often talked about and prayed over me and hoped that I would become a minister in my father's church. To which he was so profoundly devoted. he said, "I have faith in you, call on me when you get into trouble which will come." He was a great friend to the young preachers and loved to see them advance. He was a man of strong intellect and fixed in his opinions. He did a great work in the old Charlotte Presbytery, and was loved in hundreds and hundreds of homes. In the death of Brother Webb the last man who composed the Charlotte Presbytery at the time I went under its care is gone. I recall the gravity and solemnity of the occasion. A.A. Wilson was moderator, John McClurkin was stated clerk. Then there were A.J. Parish, A.C. Stockard, A.W. Taylor, A.G. Shelton, Newt Larkins, W.M. Cooley, D.D. Cooley, Elisha Deason and S.H. Holmes, all gone to their reward. Myself and the Rev. R.W. Binkley, D.D., are the only men now living who were in that old presbytery at the time of which I write. Brother Webb married the daughter of UNorth Carolinale Peter Wren, the Abraham of Hickman County, Tennessee. She was a splendid woman, and Brother Webb had a model home; one of culture and refinement, and so out of this home has gone our Brother Wren Webb, of Texas. The time would fail me to tell of the many good things I know of Brother Webb and his work. And now will you allow me to place a rose on his memory that may not fade away, but bloom on till we meet beyond the river? D.T. Waynick.

Notes for Marion Ethelbert Gant Petty:

Pa Petty as he was called or the Irishman to some was of Scottish decent but in the rural area of Tennessee that did not seem to matter. After his wife died in Maury County, Tennessee Pa Petty moved to Giles County with his son Clarence. He was in what was known as the Peach area and later moved to Appleton across Sugar Creek. There he met his Second wife from Lexington, Alabama whom he married and moved to Alabama until her death. He then moved to Lawrenceville, Tennessee and lived with one of his other children until his death. He is buried in Lexington, Alabama beside his second wife and son.

Marion was named from the Sparkman (his mother) side of the family.

Translated by Mike Watkins in 1980, Bible at that time in possession of Edith Petty Doster now deceased and Bible in possession of Lewis Doster II. My dad was named for Leah's side of the family being Marlin Watkins. It was not until many years after my father's death until I understood much of this family, but with the years of reasearch I have put into the Marlin family and the cousins I have met in real life and online I know why my grandmother wanted him named after that side of the family.

Edith's name in her Grandfathers bible is spelled Edith McCuen (not McCuin) as is in the McCuin's men names.

What can be said about Edith Petty Doster is she took care of her husband Lewis after he got ill and most of his life. She loved her family and as I came home on leave from the military always I would know there was a hot pound cake waiting on me at my Aunt Edith's home waiting on the butter I would put on it. This went on for my 20 years in the military and Edith died one month before I retired while i was in the hospital having my knee operated on. I know she knew I loved her even though I did not make it to her funeral and that I miss thoses hot pound cakes even today in 2003.

"Robert (Jimmy & Edna's second son) only lived about three months. After returning from his funeral,

Edna, (Robert's mother) discovered that she had lost her wedding band. Everyone in the family looked everywhere, but couldn't find it. About eight years later, Medrith (Moochie), Jimmy & Edna's second daughter was in the garden with her mother. Edna gave her a hoe and carried her to a spot in the garden where there wasn't any plants and instructed her to dig up all the weeds. All of a sudden, Moochie screamed out that she had found Mama's ring. It was just as pretty as it was eight years earlier." From "Memories: The Early Years" by Mamie Pearl Harbison Davidson
