Notes for SHADRICK WRIGHT:

Shadrick Wright and his wife Elizabeth were listed on Andrew Jackson Wright's death certif. as his father and mother. Andrew, Shadrick and Elizabeth were all born in S.C. Shadrick was found in the Lancaster Co. S.C. 1820 and 1830 census. Before 1850 only the Head of Household name was listed on the census, it did not list the wife's name either. In 1820 he had one boy under ten, one girl under ten. Shadrick was listed as 26 and under 45, his wife 16 and under 26. In the 1830 census he had four boys, two under 5, one five and under 10, one ten and under 15. It also listed two girls, one under five and one five and under 10. Andrew was born in 1828 so he would have been one of the boys under five. I have not be able to find any census listing for Shadrick before 1820 or after 1830.
